NOTICE

Training and Placement Office

The Training and Placement Office has arranged the "**LinkedIn Career Kick starter Program**" for all the students of all classes (Except the current final year batch) in association with **FACE PREP**. Students will be offered access to LinkedIn Premium Services free of cost.

LinkedIn Premium services offer a host of benefits to students, there are **three major areas** through which students can directly realize the value

- **Learning:** Students can learn from a bouquet of courses across domains in Technology, Skills & Certifications
- **Professional Networking:** Students would be able to directly connect with recruiters/industry leaders for mentorship and guidance through Mail credit
- **Land Internships:** LinkedIn has been a great platform to network and land jobs and internships

The schedule of the program is given on next page

IMP:-Details of email ids given for getting premium services are shared through mail.You all are requested to share these details with students as premium access will be given only to that mail id.

All TPO coordinators of the Department are informed to discuss the schedule with HoD and ask CC & Proctor teachers to come with students to their respective locations as per the schedule mentioned above.

Note:- All students are informed to Carry a mobile phone with them. It is allowed only for the purpose of the workshop.

Sub: Invitation for Expert Talk on "How to prepare for Technical Aptitude"

Respected Sir,

Shri Vithal Education & Research Institute (SVERI) is a charitable trust established by a group of experienced technocrats in the year 1995, with the motto of promoting professional education. At present, SVERI has focused its activity in rural area and as on today it has following 4 professional colleges under its umbrella providing education to around 4000 students in its Gopalpur Campus: College of Engineering, College of Pharmacy, College of Engineering (Poly), College of Pharmacy (Polytechnic), Pandharpur. Institute has shown an academic excellence in diploma and under graduate courses. Institute has Post-Graduate and PhD programmers in engineering and Pharmacy. College of Engineering, Pandharpur has been accredited by NBA, NAAC IE (I) Kolkata and TCS. It has been awarded as Best College by Solapur University, Solapur.

We invite you to deliver a session on "How to prepare for Technical Aptitude" & for TY & LY students of Computer Science & Engineering department on12/09/2023 in our Institute. Being the expert in the field, our students are in need of your valuable guidance in the process so that students can get better opportunity in future.
Kindly accept our invitation and oblige.

Thank You,
Yours Sincerely,

Respected Sir,

This is to express our heartfelt gratitude towards you for guiding our Computer Science & Engineering students during your visit to our Institute as a resource person on the topic "How to prepare for Technical Aptitude" on 12th September 2023.

Thanks again for the Session; our students have gained a lot of practical information. It was very engaging as well. Your passion for guiding people is evident and we hope to see lots of fruits from them.

Your valuable thoughts will always keep us inspiring and motivated.

We request same kind of co-operation in future also.

Thanking you once again,

Yours faithfully,

Respected Sir,

This is to express our heartfelt gratitude towards you for guiding our final year students during your visit to our Institute as a resource person on the topic "PLC, SCADA,Robotics & Automation" on 15th & 16th October 2023.

Thanks again for the Session; our students have gained a lot of practical information. It was very engaging as well. Your passion for guiding people is evident and we hope to see lots of fruits from them.

Your valuable thoughts will always keep us inspiring and motivated.

We request same kind of co-operation in future also.

Thanking you once again,

Yours faithfully,

Sub: Invitation for Two days workshop on "PLC, SCADA, Robotics & Automation"

Respected Sir,

Shri Vithal Education & Research Institute (SVERI) is a charitable trust established by a group of experienced technocrats in the year 1995, with the motto of promoting professional education. At present, SVERI has focused its activity in rural area and as on today it has following 4 professional colleges under its umbrella providing education to around 4000 students in its Gopalpur Campus: College of Engineering, College of Pharmacy, College of Engineering (Poly), College of Pharmacy (Polytechnic), Pandharpur. Institute has shown an academic excellence in diploma and under graduate courses. Institute has Post-Graduate and PhD programmers in engineering and Pharmacy. College of Engineering, Pandharpur has been accredited by NBA, NAAC IE (I) Kolkata and TCS. It has been awarded as Best College by Solapur University, Solapur.

We invite you to guide students about PLC, SCADA, Robotics & Automation. These students are shortlisted for interview round of WIPRO PARI. You are requested to consider 15th & 16th October 2023 for days session. Being the expert in the field, our students are in need of your valuable guidance in the process so that students can get better understanding.
Kindly accept our invitation and oblige.

Thank You,
Yours Sincerely,

(Mr. Avinash Mote)

Respected Sir,

This is to express our heartfelt gratitude towards you for guiding our final year students during your visit to our Institute as a resource person on the topic "PLC, SCADA,Robotics & Automation" on 15th & 16th October 2023.

Thanks again for the Session; our students have gained a lot of practical information. It was very engaging as well. Your passion for guiding people is evident and we hope to see lots of fruits from them.

Your valuable thoughts will always keep us inspiring and motivated.

We request same kind of co-operation in future also.

Thanking you once again,

Yours faithfully,

Subject: Request for Permission to Conduct a Two-Day Technical Workshop

Respected Sir,

I hope this letter finds you in good health. I am writing to seek your permission and support to organize a two-day technical workshop for students who are shortlisted for interview round of WIPRO PARI. I believe that this workshop will be highly beneficial for our students and would enhance skill sets related to PLC, SCADA, ROBOTICS & AUTOMATION.

Workshop Details:

Workshop Title: "PLC, SCADA, AUTOMATION & ROBOTICS: A Two-Day Technical Workshop"

Date: 15th and 16th, October 2023

Time: 10 AM to 06 PM

Venue: TPO, Seminar Hall

Remuneration & Travelling Expenses:- Rs. 14,400/-
(Remuneration- Rs.12,000/-, Travelling Expenses:- Rs.2400/-)

We are committed to ensuring the smooth execution of the workshop and will take full responsibility for any arrangements and coordination. Additionally, we will abide by all institute policies and regulations during the event.

In light of the above, I humbly request your understanding and support in granting permission.

Sincerely Yours,

Mr. Avinash Anil Mote
Dean-Training & Alumni Affairs,
SVERI's COE,

Respected Sir,

This is to express our heartfelt gratitude towards you for guiding our Electronics and Telecommunication Engineering students during your visit to our Institute as a resource person on the topic "Exploring Opportunities in Core Electronics Domain" on 28th October 2023.

Thanks again for the Session; our students have gained a lot of practical information. It was very engaging as well. Your passion for guiding people is evident and we hope to see lots of fruits from them.

Your valuable thoughts will always keep us inspiring and motivated.

We request same kind of co-operation in future also.

Thanking you once again,

Yours faithfully,

Sub: Invitation for Expert Talk on "Exploring Opportunities in Core Electronics Domain"

Respected Sir,

Shri Vithal Education & Research Institute (SVERI) is a charitable trust established by a group of experienced technocrats in the year 1995, with the motto of promoting professional education. At present, SVERI has focused its activity in rural area and as on today it has following 4 professional colleges under its umbrella providing education to around 4000 students in its Gopalpur Campus: College of Engineering, College of Pharmacy, College of Engineering (Poly), College of Pharmacy (Polytechnic), Pandharpur. Institute has shown an academic excellence in diploma and under graduate courses. Institute has Post-Graduate and PhD programmers in engineering and Pharmacy. College of Engineering, Pandharpur has been accredited by NBA, NAAC IE (I) Kolkata and TCS. It has been awarded as Best College by Solapur University, Solapur.

We invite you to deliver a session on "Exploring Opportunities in Core Electronics Domain" & for Final Year students of Electronics and Telecommunication Engineering department on 28/10/2023 in our Institute. Being the expert in the field, our students are in need of your valuable guidance in the process so that students can get better opportunity in future.
Kindly accept our invitation and oblige.

Thank You,
Yours Sincerely,

(Mr. S. M. Khomane)

Sub: Invitation for Expert Talk on "Internships & Mini Projects"

Respected Sir,

Shri Vithal Education & Research Institute (SVERI) is a charitable trust established by a group of experienced technocrats in the year 1995, with the motto of promoting professional education. At present, SVERI has focused its activity in rural area and as on today it has following 4 professional colleges under its umbrella providing education to around 4000 students in its Gopalpur Campus: College of Engineering, College of Pharmacy, College of Engineering (Poly), College of Pharmacy (Polytechnic), Pandharpur. Institute has shown an academic excellence in diploma and under graduate courses. Institute has Post-Graduate and PhD programmers in engineering and Pharmacy. College of Engineering, Pandharpur has been accredited by NBA, NAAC (A+), IE (I) Kolkata and TCS. It has been awarded as Best College by Solapur University, Solapur.

We invite you to deliver a session on "Internships & Mini Projects" & TY ENTC & Electrical students on 09/03/2024 in our Institute. Being the expert in the field, our students are in need of your valuable guidance in the process so that students can get better opportunity in future.

Kindly accept our invitation and oblige.

Thank You,
Yours Sincerely,

(Mr. Avinash Mote)

Respected Sir,

This is to express our heartfelt gratitude towards you for guiding our ENTC Electrical Engineering students during your visit to our Institute as a resource person on the topic "Internships & Mini Projects" on 10th May 2022.

Thanks again for the Session; our students have gained a lot of practical information. It was very engaging as well. Your passion for guiding people is evident and we hope to see lots of fruits from them.

Your valuable thoughts will always keep us inspiring and motivated.

We request same kind of co-operation in future also.

Thanking you once again,

Yours faithfully,

Sub: Invitation for Expert Talk on "Employability_You have to win"

Respected Sir,

Shri Vithal Education & Research Institute (SVERI) is a charitable trust established by a group of experienced technocrats in the year 1995, with the motto of promoting professional education. At present, SVERI has focused its activity in rural area and as on today it has following 4 professional colleges under its umbrella providing education to around 4000 students in its Gopalpur Campus: College of Engineering, College of Pharmacy, College of Engineering (Polytechnic), College of Pharmacy (Polytechnic), Pandharpur. Institute has shown an academic excellence in diploma and under graduate courses. Institute has Post-Graduate and PhD programmers in engineering and Pharmacy. College of Engineering, Pandharpur has been accredited by NBA, NAAC (A+), IE (I) Kolkata and TCS. It has been awarded as Best College by Solapur University, Solapur.

We invite you to deliver a session on "Employability_You have to win" & TY Mechanical Engineering students on 20/03/2024 in our Institute. Being the expert in the field students are in need of your valuable guidance in the process so that students can get better opportunity in future.

Kindly accept our invitation and oblige.

Thank You,
Yours Sincerely,

Respected Sir,

This is to express our heartfelt gratitude towards you for guiding our Mechanical Engineering students during your visit to our Institute as a resource person on the topic "Employability_You have to win" on 20th March 2024.

Thanks again for the Session; our students have gained a lot of practical information. It was very engaging as well. Your passion for guiding people is evident and we hope to see lots of fruits from them.

Your valuable thoughts will always keep us inspiring and motivated.

We request same kind of co-operation in future also.

Thanking you once again,

Yours faithfully,

Sub: Invitation for Expert Talk on "Placement & Higher Studies through GATE and other Competitive exams"

Respected Sir,

Shri Vithal Education & Research Institute (SVERI) is a charitable trust established by a group of experienced technocrats in the year 1995, with the motto of promoting professional education. At present, SVERI has focused its activity in rural area and as on today it has following 4 professional colleges under its umbrella providing education to around 4000 students in its Gopalpur Campus: College of Engineering, College of Pharmacy, College of Engineering (Poly), College of Pharmacy (Polytechnic), Pandharpur. Institute has shown an academic excellence in diploma and under graduate courses. Institute has Post-Graduate and PhD programmers in engineering and Pharmacy. College of Engineering, Pandharpur has been accredited by NBA, NAAC IE (I) Kolkata and TCS. It has been awarded as Best College by Solapur University, Solapur.

We invite you to deliver a session on "Placement & Higher Studies through GATE and other Competitive exams" for SY students of Computer Science & Engineering, Electronics & Telecommunication Engineering, and Mechanical Engineering departments on 03/04/2024 in our Institute and for SY students of Civil Engineering and Electrical Engineering departments on 04/04/2024. Being the expert in the field, our students are in need of your valuable guidance in the process so that students can get better opportunity in future.
Kindly accept our invitation and oblige.

Thank You,

Yours Sincerely,

Sub: Invitation for Expert Talk on "Placement & Higher Studies through GATE and other Competitive exams"

Respected Sir,

This is to express our heartfelt gratitude towards you for guiding our second year students from Computer Science & Engineering, Electronics & Telecommunication Engineering, Mechanical Engineering, Civil Engineering and Electrical Engineering students during your visit to our Institute as a resource person on the topic "Placement & Higher Studies through GATE and other Competitive exam " on 3rd April and 4th April 2024.

Thanks again for the Session; our students have gained a lot of information regarding preparation for GATE as well as other competitive exams. It was very engaging as well. Your passion for guiding people is evident and we hope to see lots of fruits from them.

Your valuable thoughts will always keep us inspiring and motivated.

We request same kind of co-operation in future also.

Thanking you once again,

Yours faithfully,

Report on International Yoga Day

Introduction: International Yoga Day, celebrated annually on June 21st, was established by the United Nations General Assembly in 2014. This day was proposed by Indian Prime Minister Narendra Modi, emphasizing the importance of yoga as a tool for mental, physical, and spiritual well-being. Yoga, an ancient practice that originated in India over 5,000 years ago, is now globally recognized for promoting health and mindfulness.

Objectives of International Yoga Day: The main objectives of Yoga Day are:

- To raise global awareness of the numerous health benefits of yoga.
- To promote the adoption of a balanced lifestyle through physical, mental, and spiritual discipline.
- To encourage people to embrace yoga as a means to reduce stress, improve flexibility, and foster peace.

Theme of Yoga Day 2023: Each year, Yoga Day focuses on a specific theme to address global health challenges. The theme for 2023 was “Yoga for Vasudhaiva Kutumbakam,” which translates to “Yoga for the World’s Well-being.” This theme highlighted yoga's ability to unite people, spread harmony, and build a sense of shared global responsibility, especially in post-pandemic times.

Events and Celebrations: On Yoga Day, various events are organized worldwide, ranging from large outdoor sessions to virtual gatherings. In India, large-scale public events are typically held, with the Prime Minister leading the celebrations. Globally, organizations, educational institutions, and individuals host yoga workshops, demonstrations, and group sessions. In 2023, special emphasis was placed on online participation, with millions joining virtual classes due to ongoing health concerns in different regions.

Health Benefits of Yoga: Yoga is renowned for its myriad health benefits. Practicing yoga regularly can:

- Improve flexibility and strength.
- Enhance cardiovascular health.
- Reduce stress and anxiety.
- Promote mindfulness and emotional balance.
- Strengthen the immune system.

Conclusion: International Yoga Day serves as a reminder of the importance of holistic health and well-being. It unites people from diverse backgrounds and cultures to practice yoga, emphasizing the universal benefits of this ancient practice. As the world faces various physical and mental health challenges, Yoga Day continues to promote peace, health, and unity for people across the globe

"Object Oriented Programming in Java Specialization"

4th to 9th - & 19th to 22nd November, 2023

Organized by

Department of Electronics & Telecommunication Engineering,

SVERI's College of Engineering,Pandharpur.

Gopalpur- Ranjani Road ,Gopalpur,
Pandharpur, Pin: 413304, Dist-Solapur.
Website :www.sveri.ac.in

About the College:

Pandharpur is well known holy place where Lord Shri Vithal Temple is located on bank of the river Chandrabhaga. It is recognized as spiritual capital of Maharashtra and popularly known as “South Kashi” of India. Shri Vithal Education and Research Institute (SVERI), a charitable trust formed by devoted technocrats, established its first Project, the SVERI’s College of Engineering, Pandharpur in 1998, which is approved by AICTE, New Delhi. It has been affiliated to PAH Solapur University, Solapur. The Engineering College is ISO 9001:2015 certified institute, was accredited by “NBA”, New Delhi and NAAC A+.

About the Department:

The department was established in the year 1998 and offers UG in E&TC , PG and Ph.D.in E&TC Engineering. The department is backed with well qualified staff and state of art laboratory facilities. The department has established Center of Excellence in Antenna design and testing as well as Machine Learning through MODROB. The department has nurtured the research environment through various funded projects (1.75 Cr. till date) by various funding agencies like DST, AICTE, RGSTC, BRNS, etc. The Department has got NBA and NAAC accreditation twice.

About the Course :

“Object-Oriented Programming in Java Specialization" offers a structured and hands-on learning experience, equipping participants with the skills necessary to excel in Java programming and OOP. Whether for beginners or those looking to deepen their understanding of Java, this specialization provides a well-rounded education in object-oriented programming with a practical focus

REPORT OF A CERTIFICATION COURSE ON

"OBJECT ORIENTATION PROGRAMMING IN JAVA SPECIALIZATION"

A 10 days certification course on "OBJECT ORIENTATION PROGRAMMING IN JAVA SPECIALIZATION" was conducted for ENTC Third Year students (A & B Div). The course was conducted between 4/11/2023 to 09/11/2023& 19/11/2023 to 22/11/2023. The resource person was Mr. R.S.Swami from Softech Solutions & Training, Pune.

Objectives:

To train the students on Basics of Java and Strings in Java.
To Introduce students to the concept of OOPs.
To train the students in File Handling with different types of Operations
To provide hands-on experience to the students.

The details of covered content is as follows

Day 1:

Difference between C, C++ and Java.Features of Java as compare to C++, History of Java Programming, Structure of Java and Java Token Keyword, Identifies,Constant, Special Symbols, and Operators JVM Process: Compiler and Interpreter.Unit 1: Basics of Java and Strings in Java Basic: Java Runtime

Environment, Basic:Variable's Operators: 1. Arithmetic Operator 2. Relational Operator 3. Bitwise Operator 4. Increment and Decrement 5. Logical Operator 6. Assignment Operator 7. Special Operator 8.Ternay Operator.Expressions, Statement Block, Control Flow Statement, 1. Conditional Operator. 2. Unconditional Operator. a) Simple if statement b) if else statement c) else if statement Input and Output, Data Types.

Day 2:

Unit 1: Basics of Java and Strings in Java Arrays, Type Casting, String Class and Methods, Immutability of String, String Buffer Class and Methods, String Builder Class and Methods. Basics of Java and Strings in Java Difference Between String, String Buffer class and String Builder Class.

Unit 2: Introduction to OOPs Object and Classes, Fields and Methods, Static Keyword 1. Static Variable 2. Static Method and 3. Static Class. Introduction to OOPs Introduction to Inheritance Inheritance Types: 1. Single Inheritance 2. Multilevel Inheritance 3. Hierarchical Inheritance 4. Hybrid Inheritance with program perform.

Types: 1. Single Inheritance 2. Multilevel Inheritance 3. Hierarchical Inheritance 4. Hybrid Inheritance with program perform.

Day 3:

Unit 2: Introduction to OOPs Fields and Methods,Polymorphism: Method Overloading,Method Overriding, Super Keyword: Super Variable, Super Method and Super Constructors. Constructor and Constructor Type 1. Default Constructor 2. Parameter Constructor,Introduction to OOPs Nested Classes,Package, Access Control, Abstraction, and Encapsulations.Introduction to OOPs Wrapper Classes

Unit 3: Exceptions,Error Handling and Basic IO Exceptions and Error Handling: Exceptions and Error,Catching and Handling Exceptions,The try block,The catch Blocks. Command Line Arguments Interview Level Questions

Day 4 :

File Handling with different types of Operations Such as: 1. Create File 2. FileWriter 3.FileReader 4.File Delete Collection Frames work in Java Difference between Array and Collection Frame work,Program to homogeneous as well as heterogeneous in collection framework Different types Collection Framework implemented with their Methods: Vector Linked List Array List Set: Hash set Linked Hash Set Tree Set Mulittheading with their life cycle Method implemented two techniques 1. By extends 2. By implements runnable interface Methods implemented such as: suspend(), resume(), sleep(), start(), stop() Start AWT and implemented two Components Label and TextField

Day 5

Menu,MenuItems, and MenuBar Panel Difference between Swing and AWT Peactical inform whats is difference components and container,Layouts: 1. Flow Layout 2. Grid Layout 3. Card Layout 4. GridBag Layout. Jframe,ImageIcon,JPanelJlabel set one image, Jbutton, JpasswordField, ScrollPane, Jtable, Jtree, DefaultMutableTreeNode, Silder, JComboBox,RadioButton

Day 6

Revision to AWT and Swing Difference between Frame and Jframe. Spinner Class,Radio Button,ButtonGroup in swing Event Handling,Program Copy to one textfield to second textfield when copy button click. Program to Addition two number using textfield and one button. Introduction to JDBC. Why use JDBC.Application of JDBC.Step to connectivity Java to JDBC. Basic Query to DBMS: Create,Insert,Delete,Update and Select

Day 7

Database Connectivity Jdbc and Create,insert,delete and update. Console Application through,Design UI and insert data,delete,update and select. Junit Testing. Create Excuteable Jar File.

Day 8

Layouts: 1. Flow Layout 2. Grid Layout 3. Card Layout 4.GridBag Layout.

Jframe,ImageIcon,JPanelJlabel set one image,Jbutton,JpasswordField,ScrollPane,Jtable,Jtree,Default MutableTreeNode,Silder, JComboBox,RadioButton

Day 9

Revision to AWT and Swing. Difference between Frame and Jframe. Spinner Class, Radio Button,Button Group in swing, Event Handling, Program Copy to one textfield to second text field when copy,button click.

Program to Addition two number using textfield and one button.Introduction to JDBC.Why use JDBC.Application of JDBC.Step to connectivity Java to JDBC.Basic Query to DBMS: Create,Insert,Delete,Update and Select.

Day 10

Database Connectivity Jdbc and Create,insert,delete and update.Console Application through

Design UI and insert data,delete,update and select.Junit Testing.Create Excute able Jar File.

Outcomes:

Students are able to explain Basics of Java and Strings in Java.
Students are able to handle file with different types of Operations.
Students are able to build various programs.
Students are technically competent in Java Programming.

NOTICE

All the students of Second Year. B. Tech. (E&TC Engineering) are informed to note that, it is compulsory for students of Second Year. B. Tech. to complete Add-on course for A.Y.2023-2024. Accordingly, Department of E&TC Engineering has organized **Add on Course** on **'Problem solving through programming in C'** from **15th April 2024 to 25th April 2024.**

Students should take note of the curriculum, examination pattern, etc. of the said course. Regular attendance for the lectures of said course will ensure satisfactory performance in the final examination.

All the concerned should take note and act accordingly.

Contents of Workshop:

Day 1: Basic of c programming such as Control Statements-if, if..else, else..if and Nested if..else statements, Switch Statement, Loop-for, while and do..while, Array one dimensional,
Function-Only one type no return with arguments.

Day 2: Sorting and Hashing: Objective and properties of different sorting algorithms: Selection Sort, Bubble Sort, Insertion Sort, Quick Sort, Merge Sort, Heap Sort; Performance and Comparison among all the methods, Hashing.

Day 3: Trees:Basic Tree Terminologies, Different types of Trees: Binary Tree, Threaded Binary Tree,Binary Search Tree, AVL Tree; Tree operations on each of the trees and their algorithms with complexity analysis. Applications of Binary Trees. B Tree, B+ Tree: definitions, algorithms and analysis.

Day 4: Graph:Basic Terminologies and Representations, Graph search and traversal algorithms and complexity analysis. adjacency matrix, and adjacency List, weighted graph, directed graph.

Day 5: Visual Studio Code & MinGW Installation and Dev C++ installation. Bank Management Project flowchart explained and perform some steps.

General Instructions for Participant:

Eligibility for Participants: The students are studying in Second year of engineering branch.

About the College:

Shri Vithal Education and Research Institute's (SVERI's) is an esteemed educational organization based in Pandharpur (known as 'South Kashi' of India) Maharashtra, India. Established with the aim of providing quality education and promoting research activities, SVERI caters to a wide range of academic disciplines, including engineering, pharmacy, management, and polytechnic studies. The institute is committed to fostering an environment of academic excellence and innovation, where students are encouraged to engage in research that addresses both local and global challenges. With a strong emphasis on holistic development, SVERI's equips its students with the necessary skills and knowledge to excel in their respective fields, while also instilling values of responsibility and service to the community.

About the Department:

The department was established in the year 1998 and offers UG in E&TC, PG and Ph.D.in E&TC Engineering. The department is backed with well qualified staff and state of art laboratory facilities. The department has established Center of Excellence in Antenna design and testing as well as Machine Learning through MODROB. The department has nurtured the research environment through various funded projects (1.75 Cr. till date) by various funding agencies like DST, AICTE, RGSTC, BRNS, etc. The Department has got NBA and NAAC accreditation twice.

About The Workshop:

Specifically, C is a procedural language that supports structured programming; it has a static system and a compiler written in C itself. Since its release, C has become a milestone in computing history and has become the most critical component throughout the computer industry. C has become the backbone of modern computing systems – operating systems, compilers, interpreters, third-party libraries, and databases. In addition, C is a small language that is designed to cost minimal performance overhead which makes it ideal for embedded systems.

DEPARTMENT OF ELECTRONICS & TELECOMMUNICATION ENGINEERING

Certificate Course on "Problem solving through Programming in C "

Syllabus

Basic of c programming such as Control Statements-if, if..else, else..if and Nested if..else statements, Switch Statement, Loop-for, while and do..while, Array one dimensional, Function-Only one type no return with arguments.
Sorting and Hashing: Sorting and Hashing: Objective and properties of different sorting algorithms: Selection Sort, Bubble Sort, Insertion Sort, Quick Sort, Merge Sort, Heap Sort; Performance and Comparison among all the methods, Hashing.
Trees:Basic Tree Terminologies, Different types of Trees: Binary Tree, Threaded Binary Tree, Binary Search Tree, AVL Tree; Tree operations on each of the trees and their algorithms with complexity analysis. Applications of Binary Trees. B Tree, B+ Tree: definitions, algorithms and analysis.
Graph: Basic Terminologies and Representations, Graph search and traversal algorithms and complexity analysis. adjacency matrix, and adjacency List, weighted graph, directed graph.
Visual Studio Code & MinGW Installation and Dev C++ installation. Bank Management Project flowchart explained and perform some steps

DEPARTMENT OF ELECTRONICS & TELECOMMUNICATION ENGINEERING

Title of Workshop: Problem solving through Programming in C

Date: 15th April, 2024 to 25th April, 2024 (12 Days).

Venue: ENTC Departmental, SVERI's College of Engineering, Pandharpur.

Organizing Institute: SVERI's College of Engineering, Pandharpur.

Mode of Conduction: Offline.

Resource Person: Mr.R.S.Swami, Softtech Solutions Training, Pune.

Brief Details about the Workshop:

The Department of Electronics and Telecommunication Engineering, SVERIs College of Engineering, Pandharpur had organized 10 day's Workshop on "Problem solving through Programming in C " from 15th April, 2024 to 25th April, 2024. The aim of this Workshop is to provide HANDS-ON Experience on Problem solving and control through Programming in C. During this Workshop, the resource person initially guided about Basic of c programming such as Control Statements-if, if..else, else..if and Nested if..else statements, Switch Statement, Loop-for, while and do..while, Array one dimensional, Function-Only one type no return with arguments. Then he explained Sorting and Hashing: Sorting and Hashing: Objective and properties of different sorting algorithms: Selection Sort, Bubble Sort, Insertion Sort, Quick Sort, Merge Sort, Heap Sort; Performance and Comparison among all the methods, Hashing. Third day, He elaborated Trees: Basic Tree Terminologies, Different types of Trees: Binary Tree, Threaded Binary Tree,Binary Search Tree, AVL Tree; Tree operations on each of the trees and their algorithms with complexity analysis. Applications of Binary Trees. B Tree, B+ Tree: definitions, algorithms and analysis. In day 4, He explained about Graph: Basic Terminologies and Representations, Graph search and traversal algorithms and complexity analysis. adjacency matrix, and adjacency List, weighted graph, directed graph. In day 5 He explained about Visual Studio Code & MinGW Installation and Dev C++ installation. Bank Management Project flowchart explained and perform some steps. On 6th day he discussed the problem associated in project in real time applications. Visual Studio Code & MinGW Installation and Dev C++ installation. Bank Management Project flowchart explained and perform some steps.The content for both divisions students were same. The workshop ends with the Project presentations and students were asked to submit the reports in a group of 4 members.

Subject: Invitation as the the Resourse Person for an 10 days Workshop on "Problem solving through Programming in C"

Respected Sir,

Shri Vithal Education and Research Institute (SVERI) is a charitable trust founded in Pandharpur (known as 'South Kashi' of India) by a group of technocrats. Today, around 5000 students are studying in this campus and around 1700 boys and 1500 girls are living in the separate hostels. The institute is moving ahead on the path of success with Excellent Academic Results, Excellent Placements, Excellent R & D, Excellent Infrastructure and Excellent Accreditations. After the establishment of the institution, various colleges have been started by this trust.

1. **SVERI's College of Engineering (UG & PG), Pandharpur** (Year:1998)
(NAAC A+ with 3.46/4.00 CGPA, NBA Accredited all applied Programmes, Autonomy Conferred by UGC from A. Y. 2024-2025, NIRF Band-151-300)
2. **SVERI's College of Pharmacy (UG, PG & Diploma), Pandharpur** (Year: 2006)
(UG Program accredited by NBA)
3. **SVERI's College of Pharmacy (Poly.), Pandharpur** (Year: 2006)
(Procedure for NBA is in progress)
4. **SVERI's College of Engineering (Poly.), Pandharpur** (Year: 2008)
(All eligible programs have been accredited by NBA)

Sir, since inception, SVERI has been working for the betterment of society. The Rural Human Resource Development Facility (RHRDF) has been established at SVERI through MoU with Bhabha Atomic Research Center, Mumbai for deployment of the technologies of BARC in rural area. Around Rs. 2 Cr. CSR grant has been received from NPCIL, Tarapur for empowering villagers in Tarapur (Mumbai) region through propagation of BARC technologies. In addition, Rs. 5 Cr. grant has been approved by NITI Aayog for establishment of Atal Community Innovation Center (ACIC), in 2022. Recently, RGSTC has sanctioned research fund of Rs. 33.73 Cr. for the collaborative project of IIT Mumbai, VJTI, Mumbai and SVERI, Pandharpur on Drone Technology. The institute provides 'Earn & Learn' scheme to the needy students for bringing them in the flow of

Dear Sir,

With reference to the proposal submitted by you dated 10/04/2024 & further telephonic discussion.

I am pleased to place the order for Domain Specific Training, the details of the same are as follows:

Description of Training	**Training Remuneration (in RS.)**
Domain Soecific Training (DST) on "Problem solving through Programming in C" Covering important topics as below: Basics of C, Data Structures in Linked List, Trees & Graphs, Sorting and Hashing Techniques.	**800/hour**
Price including of all taxes	**Rs. 800/hour**

Amount in words is Rs. Eight hundred per hour.

Terms & Conditions:

- All the relevant and appropriate study material will be provided to students during the course of the programme by Softtech Solutions & Training,Pune
- Appropriate assessments if required will be conducted by Softtech Solutions & Training,Pune
- Training should be conducted as per the need of the institute.
- Travel, food and accommodation at actual will be arranged from college side.
- Total amount is inclusive of all taxes.
- TDS will be applicable as per the rule.

NOTICE

All the students of Final Year. B. Tech. (E&TC Engineering) are informed to note that, it is compulsory for students of Final Year. B. Tech. to complete Add-on course for A.Y.2023-2024. Accordingly, Department of E&TC Engineering has organized **Add on Course** on **'Advanced Industrial Automation & Control'** from **25th September 2023 to 05th October 2023.**

Students should take note of the curriculum, examination pattern, etc. of the said course. Regular attendance for the lectures of said course will ensure satisfactory performance in the final examination.

All the concerned should take note and act accordingly.

About The College

Pandharpur is well well-known holy place where Lord Shri Vithal Temple is located on the bank of the river Chandrabhaga. It is recognized as the spiritual capital of Maharashtra and popularly known as “South Kashi” of India. Shri Vithal Education and Research Institute (SVERI), a charitable trust formed by devoted technocrats, established its first Project, the SVERI’s College of Engineering, Pandharpur in 1998, which is approved by AICTE, New Delhi. It has been affiliated to PAH Solapur University, Solapur. The Engineering College is ISO 9001:2015 certified institute NAAC A+.

About The Department

The department was established in the year 1998and offers UG in E&TC , PG and Ph.D.in E&TC Engineering. The department is backed with well qualified staff and state of art laboratory facilities. The department has established Center of Excellence in Antenna design and testing as well as Machine Learning through MODROB. The department has nurtured the research environment through various funded projects (1.75 Cr. till date) by various funding agencies like DST, AICTE, RGSTC, BRNS, etc. The Department has got NBA and NAAC accreditation twice.

About The Workshop:

Specifically, PLCs control some of the most complex processes within industrial plants. They are often deployed to monitor running machines and motors. In order to provide more functionality, a PLC is easy to program. Moreover, these devices are scalable. SCADA stands for Supervisory Control and Data Acquisition. SCADA is a monitoring software used in these industries. As software, it helps control the hardware and makes a record of the data collected from all remote locations. SCADA software is connected to computers, graphical user interfaces, sensors and networked data communications in order to provide a broad picture of the process.

Report

The Department of Electronics and Telecommunication Engineering, SVERIs College of Engineering, Pandharpur organized a 10-day Workshop on "Advanced Industrial Automation Control "from 25th September 2023 to 5th October 2023 (10 Days). The course started with an inaugurating function which was held on 25th September, 2023.

On the first day, Sir explained about hierarchy of the Industrial Automation Industry, Introduction to Field Devices, Introduction to controllers, PLC vs. microcontroller, Basics of electrical diagrams.

On the second day, sir explains about PLC Block Diagram, Type of PLC, Micro PLC and Modular PLC, Introduction to LADDER diagram language, Basic instructions for LADDER diagram (NO, NC, COIL), LADDER diagram for digital gate, Truth table trick for LADDER diagram programming.

On the third day, sir explained about Basic programs in the LADDER diagram, Introduction to CODESYS software, Simulation and visualization.

On the fourth Day, Sir Explained about Latch, Interlock, Flag, Basic Program, and Practice of programs in CODESYS software.

On the fifth day, sir explained Timer instructions, the type of timer, introduction to on delay timer, Basic programs based on the Timer, and Practice on programs in CODESYS software.

On the sixth Day, sir Explained Basic programs based on the Timer, and Practised on programs in CODESYS software., Visualization and simulation in CODESYS software.

On the Seventh Day, Sir elaborated on counter instruction, type of counters, counter-based program, Introduction to MITSUBISCHI PLC, and introduction to GX software.

On the eighth day, Sir explained about PLC Wiring, Project development, PLC communication, PLC download and upload, Online editing, and Troubleshooting.

On the ninth day, Sir gives an introduction to HMI, HMI screen development, HMI PLC communication, Project Development, Introduction to SCADA, SCADA screen development, HMI PLC communication, and Project Development.

On the tenth day, Sir explained VFD, Parameter Setting, Interface with PLC, Project Development, Introduction to an analogue system, ADC, DAC, Interface with PLC, and Project Development.

Thanking You,

Yours faithfully

स्वेरीमध्ये 'डव्हान्स्ड इंडस्ट्रीयल टोमेशन' या विषयावर कार्यशाळा संपन्न

'स्वेरी' व 'इंडवेल ऑटोमेशन, मंगळूर' यांच्यामध्ये सामंजस्य करार

पंढरपूर प्रतिनिधी :- गोपाळपूर (ता. पंढरपूर) येथील श्री. विठ्ठल एज्युकेशन अँड रिसर्च इन्स्टिट्यूट संचलित कॉलेज ऑफ इंजिनिअरिंग मधील इलेक्ट्रॉनिक्स अँड अँण्ड टेलिकम्युनिकेशन इंजिनिअरिंग या विभागाच्या वतीने दि.२५ सप्टेंबर २०२३ ते ०५ ऑक्टोबर २०२३ या दरम्यान 'अॅडव्हान्स्ड इंडस्ट्रीयल टोमेशन' या विषयावर दहा दिवसीय कार्यशाळेचे आयोजन करण्यात आले होते.

स्वेरी नेहमीच विद्यार्थांच्या सर्वांगीण विकासासाठी सातत्याने प्रयत्न करत असते. त्याचाच एक भाग म्हणून या कार्यशाळेचे आयोजन करण्यात आले होते. स्वेरीचे संस्थापक सचिव व कॉलेज ऑफ इंजिनिअरिंगचे प्राचार्य डॉ.बी.पी.रोंगे यांच्या दिशादर्शक मार्गदर्शनाखाली, स्वेरीच्या ट्रेनिंग व प्लेसमेंट विभागाच्या सहकार्याने व इलेक्ट्रॉनिक्स अँड टेलिकम्युनिकेशन इंजिनिअरिंगच्या विभागप्रमुख डॉ.मिनाक्षी पवार यांच्या नेतृत्वाखाली आयोजिलेल्या या अभ्यासपूर्ण कार्यशाळेत विभागाच्या अंतिम वर्षातील विद्यार्थी व प्राध्यापकांनी सहभाग घेतला होता. या कार्यशाळेचे उदघाटन मंगरूळच्या इंडवेल ऑटोमेशनचे संस्थापक-ट्रेनर हिमांशु कुमार यांच्या हस्ते करण्यात आले. त्यांनी या कार्यशाळेच्या माध्यमातून विद्यार्थ्यांना करिअरच्या दृष्टीने बहुमोल मार्गदर्शन केले. दीप प्रज्वलनानंतर प्रास्ताविकात विभागप्रमुख डॉ. मिनाक्षी पवार म्हणाल्या की, 'विद्यार्थ्यांनी सॉफ्टवेअर सोबतच हार्डवेअर क्षेत्रातील ज्ञान आत्मसात करून त्यात आपले कौशल्य वाढविले तर भविष्यात याचा नक्की फायदा होतो.' सलग दहा दिवस चाललेल्या या कार्यशाळेला विद्यार्थ्यांनी देखील उत्स्फूर्त प्रतिसाद दिला. सहभागी झालेल्या सर्व विद्यार्थ्यांना संबंधित विषयासंदर्भात तांत्रिक व मुलभुत तंत्रज्ञान ते आधुनिक तंत्रज्ञान यांचा प्रात्यक्षिकाद्वारे अनुभव करून देण्यात आला. कार्यशाळेच्या पहिल्या दिवशी विद्यार्थ्यांना पीएलसीची मुलभूत ओळख करून देण्यात आली तसेच विविध औद्योगिक तंत्रज्ञानाचा उपयोग यासंदर्भात अभ्यासपूर्ण मार्गदर्शन केले गेले. दुसऱ्या दिवशी प्रात्यक्षिक व पीएलसी मध्ये वापरणाऱ्या विविध इनपुट उपकरणांची व त्यासाठी आवश्यक सॉफ्टवेअरची ओळख करून दिली. तिसऱ्या दिवशी 'एससीएडीए' या विषयावर 'मुलभुत प्रात्यक्षिके व त्याचा औद्योगिक क्षेत्रात होणारे उपयोग' यावर मार्गदर्शन केले. चौथ्या दिवशी विद्यार्थ्यांनी एसी मोटर वापरून छोटे प्रयोग करून दाखविले. पाचव्या दिवशी 'एचएमआय चे उपयोग'या विषयावर मार्गदर्शन करण्यात आले. सहाव्या दिवशी कोडेसेस सॉफ्टवेअरची मुलभूत ओळख करून दिली. सातव्या दिवशी जी-एक्स सॉफ्टवेअरची ओळख करून त्याद्वारे लहान प्रकल्प तयार करण्यात आले. कार्यशाळेच्या नवव्या दिवशी एचएमआय व एमएमआयचा वापर करून विविध प्रकल्प तयार करण्यात आले. शेवटच्या अर्थात दहाव्या दिवशी कार्यशाळेत सहभागी झालेल्या विद्यार्थ्यांची झालेल्या कार्यशाळेवर परीक्षा घेण्यात आली. त्यातून विजेत्या व गुणवंत विद्यार्थ्यांचा गौरव करण्यात आला. यावेळी विद्यार्थ्यांना कंपनीच्या कोअर क्षेत्रातील नोकरीच्या कोणत्या संधी उपलब्ध आहेत, याविषयी महत्वपूर्ण माहिती देण्यात आली. यावेळी कंपनीचे ट्रेनर हिमांशुकुमार यांनी स्वेरीतील विद्यार्थ्यांच्या गुणवत्तेचे भरभरून कौतुक केले तसेच स्वेरीमध्ये होत असलेल्या विद्यार्थीपूरक विविध उपक्रमांचे कौतुक केले. याप्रसंगी 'स्वेरी' व 'इंडवेल ऑटोमेशन मंगळूर' यामध्ये सामंजस्य करार करण्यात आला. सदर कार्यशाळेत इलेक्ट्रॉनिक्स अँण्ड टेलिकम्युनिकेशन इंजिनिअरिंग या विभागातील जवळपास दीडशे विद्यार्थ्यांनी सहभाग घेतला. सहभागी विद्यार्थ्यांना प्रमाणपत्र देऊन गौरविण्यात आले. या कार्यशाळेसाठी प्रा.सागर वाघचवरे यांनी समन्वयक म्हणून काम पाहिले. सूत्रसंचालन दिशा भट्टड व कॅमी संतांनी यांनी केले तर वृषाली जानगवळी यांनी आभार मानले.

About the College:

Shri Vithal Education and Research Institute's (SVERI's) is an esteemed educational organization based in Pandharpur (known as 'South Kashi' of India) Maharashtra, India. Established with the aim of providing quality education and promoting research activities, SVERI caters to a wide range of academic disciplines, including engineering, pharmacy, management, and polytechnic studies. The institute is committed to fostering an environment of academic excellence and innovation, where students are encouraged to engage in research that addresses both local and global challenges. With a strong emphasis on holistic development, SVERI's equips its students with the necessary skills and knowledge to excel in their respective fields, while also instilling values of responsibility and service to the community.

About the Department:

The department was established in the year 1998 and offers UG in E&TC, PG and Ph.D.in E&TC Engineering. The department is backed with well qualified staff and state of art laboratory facilities. The department has established Center of Excellence in Antenna design and testing as well as Machine Learning through MODROB. The department has nurtured the research environment through various funded projects (1.75 Cr. till date) by various funding agencies like DST, AICTE, RGSTC, BRNS, etc. The Department has got NBA and NAAC accreditation twice.

About The Workshop:

Specifically, PLCs control some of the most complex processes within industrial plants. They are often deployed to monitor running machines and motors. In order to provide more functionality, a PLC is easy to program. Moreover, these devices are scalable. SCADA stands for Supervisory Control and Data Acquisition. SCADA is a monitoring software used in these industries. As software, it helps control the hardware and makes a record of the data collected from all remote locations. SCADA software is connected to computers, graphical user interfaces, sensors and networked data communications in order to provide a broad picture of the process.

DEPARTMENT OF ELECTRONICS & TELECOMMUNICATION ENGINEERING

Certificate Course on "Recent Advancements in Industrial Automation and Control"

Syllabus

PLC: Introduction, types, leading hardware and software, logic development, important instruction, Industrial real applications, Industrial I/Ps & O/Ps, PLC wiring & Industrial project development.
HMI / MMI: Introduction, interfacing with PLC, screen development, digital & analog data configuration, analog data scaling, password level, screen display & Industrial project development.
SCADA: Introduction, interfacing with PLC, screen development, digital & analog data configuration, analog data scaling, driver selection and configuration, tag creation and configuration & Industrial project development.
AC DRIVE: Introduction, hardware, parameter setting, speed, direction, acceleration and deceleration time control of induction motor, interfacing with PLC, multispeed & multidirectional control project.
ANALOG: Introduction to analog signal, standard signal type, block diagram, ATD and DTA conversion program and wiring, Interface with SCADA.
INTERFACING PROJECT: Complete interface of PLC, HMI, SCADA, AC DRIVE, AC motor, Digital I/Os with a real Industrial application.

DEPARTMENT OF ELECTRONICS & TELECOMMUNICATION ENGINEERING

Title of Workshop: Recent Advancements in Industrial Automation and Control.

Date: 07th April, 2024 to 19th April, 2024 (12 Days).

Venue: ENTC Departmental, SVERI's College of Engineering, Pandharpur.

Organizing Institute: SVERI's College of Engineering, Pandharpur.

Mode of Conduction: Offline.

Resource Person: Mr. Himanshu Kumar from Indwell Automation, Mangaluru.

Brief Details about the Workshop:

The Department of Electronics and Telecommunication Engineering, SVERIs College of Engineering, Pandharpur had organized 12 day's Workshop on "Recent Advancements in Industrial Automation and Control" from 07th April, 2024 to 19th April, 2024. The aim of this Workshop is to provide HANDS-ON Experience on Industrial Automation and control through PLC & SCADA. During this Workshop, the resource person initially guided about basics of automation and revolution in industry, hierarchy of automation industry, different types of controllers, PLC block diagram, Ladder diagram basics and Ladder diagram for digital gates, Logic development trick and Blue Green, Red, Light Program, P1 P2 RG Program, Codey's Software simulation and visualization. Second day resource person guided about Latch, Flags, Timers and counters design in Codesys. Then he explained timer-based examples using Codesys software. Third day, He elaborated timer based examples, Counter instruction, Counter based examples, Different types of digital input output, PLC wiring, Introduction to MITSUBISHI PLC, Project development in GX developer, Communication of PLC, Download & Upload Program, Online edit, Troubleshooting. In day 4, He explained about Project development Introduction to HMI, Screen development of HMI, PLC HMI Interface and PLC VFT interface. In day 5 He explained about project development, Introduction to SCADA, SCADA screen development, SCADA communication with PLC, Introduction to Analog Input Output system. On 6th day he discussed the problem associated in simulating the project in real time applications. The content for both divisions students were

same. The workshop ends with the MCQs based examination and students were asked to submit the reports in a group of 4 members.

Subject: Invitation as the Resource Person for 12 Days Workshop On "Recent Advancements in Industrial Automation and Control".

Respected Sir,

Shri Vithal Education and Research Institute (SVERI) is a charitable trust founded in Pandharpur (known as 'South Kashi' of India) by a group of technocrats. Today, around 5000 students are studying in this campus and around 1700 boys and 1500 girls are living in the separate hostels. The institute is moving ahead on the path of success with Excellent Academic Results, Excellent Placements, Excellent R & D, Excellent Infrastructure and Excellent Accreditations. After the establishment of the institution, various colleges have been started by this trust.

1. **SVERI's College of Engineering (UG & PG), Pandharpur** (Year:1998)
(NAAC A+ with 3.46/4.00 CGPA, NBA Accredited all applied Programmes, Autonomy Conferred by UGC from A. Y. 2024-2025, NIRF Band-151-300)
2. **SVERI's College of Pharmacy (UG, PG & Diploma), Pandharpur** (Year: 2006)
(UG Program accredited by NBA)
3. **SVERI's College of Pharmacy (Poly.), Pandharpur** (Year: 2006)
(Procedure for NBA is in progress)
4. **SVERI's College of Engineering (Poly.), Pandharpur** (Year: 2008)
(All eligible programs have been accredited by NBA)

Sir, since inception, SVERI has been working for the betterment of society. The Rural Human Resource Development Facility (RHRDF) has been established at SVERI through MoU with Bhabha Atomic Research Center, Mumbai for deployment of the technologies of BARC in rural area. Around Rs. 2 Cr. CSR grant has been received from NPCIL, Tarapur for empowering villagers in Tarapur (Mumbai) region through propagation of BARC technologies. In addition, Rs. 5 Cr. grant has been approved by NITI Aayog for establishment of Atal Community Innovation Center (ACIC), in 2022. Recently, RGSTC has sanctioned research fund of Rs. 33.73 Cr. for the collaborative project of IIT Mumbai, VJTI, Mumbai and SVERI, Pandharpur on Drone Technology. The institute provides 'Earn & Learn' scheme to the needy students for bringing them in the flow of education by sparing budget around Rs. 1 Cr. every year and making expenditure

Sir, From **Friday, 07th April 2024 to 19th April 2024,** you are cordially invited as the Resource Person for 12 Days Workshop On "Recent Advancements in Industrial Automation and Control" for our Third-Year B.Tech students.

We believe that your presence and words of wisdom will take us (students, faculty members and all other stakeholders of this institute) to a different energy level which will help us achieve new heights of success in our future journey.

Sir, we are very much eager to welcome you in our campus. We are waiting for your positive response.

Thank you.

About the College:

Pandharpur is well known holy place where Lord Shri Vithal Temple is located on bank of the river Chandrabhaga. It is recognized as spiritual capital of Maharashtra and popularly known as “South Kashi” of India. Shri Vithal Education & Research Institute (SVERI), a charitable trust formed by devoted technocrats, established its first Project, the SVERI's College of Engineering, Pandharpur in 1998, which is approved by AICTE, New Delhi. It has been affiliated to PAH Solapur University, Solapur. The Engineering College is ISO 9001:2015 certified institute, was accredited by “NBA”, New Delhi and NAAC A+.

About the Department:

The department was established in the year 1998 and offers UG in E&TC , PG and Ph.D.in E&TC Engineering. The department is backed with well qualified staff and state of art laboratory facilities. The department has established Center of Excellence in Antenna design and testing as well as Machine Learning through MODROB. The department has nurtured the research environment through various funded projects (1.75 Cr. till date) by various funding agencies like DST, AICTE, RGSTC, BRNS, etc.

The Department has got NBA and NAAC accreditation twice.

About the Soft skill Training Program:

The 36-hour Soft skill Training Program on “English Communication & Soft Skill Training” organized to make students aware with Communication skill and its Importance.

A soft skill is a personal attribute that supports situational awareness and enhances an individual's ability to get a job done. The term soft skills is often used as a synonym for people skills or emotional intelligence. Business executives and leaders are making soft skills more of a priority when hiring, as they are often essential for workers to succeed in modern organizations.

When an employee with a high level of emotional intelligence has good communication skills and interpersonal skills, they are more likely to be able to clearly articulate goals and lead a team in a positive manner.

Soft skills are interpersonal skills that describe how you work and interact with other people. These skills apply to all kinds of jobs and careers.

To impart the communication skills and enhance the students overall personality is the main objective behind to organize such program.

Department of Computer Science and Engineering

Syllabus of Add-on Courses "**Computer Vision**" for TY CSE.

Day 1: Image processing

- What Is Image Processing?
- Types of Image Processing
- Components of Image Processing
- Image Processing Steps
- Applications of Image Processing

Day 2: Feature Extraction

- Edges and Corners
- Texture Analysis
- Color Histograms
- Shape Descriptors
- Local Binary Patterns (LBP)

Day 3: Object Detection

- Object Localization
- Object Classification
- Single Shot Multibox Detector (SSD)
- YOLO (You Only Look Once)
- RetinaNet

Day 4: Image Classification

- Supervised Learning

- Convolutional Neural Networks (CNNs)
- Image Preprocessing
- Transfer Learning
- Data Augmentation

Day 5: OpenCV

- Image Input and Output
- Image Processing
- Video Processing
- Feature Detection and Description
- Object Detection
- Geometric Transformations

Day 6: TensorFlow

- TensorFlow's High-Level API – Keras
- Convolutional Neural Networks (CNNs)
- Transfer Learning
- Image Data Preprocessing
- TensorBoard for Visualization
- Model Training and Evaluation

Subject: **Invitation for Workshop**

Respected Sir,

Wishing you greetings for the day!!!

We, on behalf of CSE Department take privilege to invite you as resource person for mentoring our students, on topic "A Expert lecture on **"C to C++: The Transition"** subject arranged for S.Y CSE SEM-I Computer Science and Engineering students on 01/10/2023.

We are hopefully waiting for your presence & valuable time with us.

Thanking You.

Yours faithfully,

Subject: Thanks Letter

Respected Sir,

This is expressing our heartfelt gratitude towards you for accepting our invitation and giving us an incredible workshop on " **C to C++: The Transition** ". It was a very valuable and useful session for our students. We expect the same kind of cooperation in future also.
I request the same kind of cooperation in future also.

Thanking you,

S.P. Pawar.

Workshop Content:

Day 1: Introduction to C Programming

Session 1: Workshop Overview

- Welcome participants and introduce the workshop agenda.
- Explain the significance of C and C++ in engineering and software development.

Session 2: Setting Up the Development Environment

- Installation of a C/C++ IDE and compiler.
- Writing and executing the first C program (Hello World!).
- Understanding the structure of a C program.

Session 3: Variables and Data Types

- In-depth exploration of data types (int, float, char, etc.).
- Variable declaration, initialization, and scope.
- Basic arithmetic and logical operations in C.

Session 4: Control Flow and Decision-Making

- Introduction to decision-making with if, else if, and else statements.
- Utilizing loops (for, while, do-while) for repetition.
- Writing simple programs to reinforce control flow concepts.

Day 2: Intermediate C Programming

Session 5: Functions and Modular Programming

- Defining functions and their significance.
- Function prototypes, header files, and modular programming.
- Creating multi-file C programs and managing dependencies.

Session 6: Arrays and Strings

- Working with one-dimensional and multi-dimensional arrays.
- Introduction to C-style strings.
- Common string manipulation functions (strcpy, strcat, strlen).

Session 7: Pointers and Memory Management

- Comprehensive understanding of pointers and memory addresses.
- Dynamic memory allocation (malloc, calloc, realloc, and free).
- Addressing common memory-related issues.

Day 3: Advanced C Programming

Session 8: File Handling

- Introduction to file I/O operations in C.
- Reading and writing data to files.
- Error handling and file manipulation.

Session 9: Preprocessor Directives and Macros

- Exploring preprocessor directives (#define, #include, #ifdef, etc.).
- Creating and using macros for code efficiency.
- Conditional compilation and debugging.

Session 10: Introduction to C++ Programming

Session 11: Transitioning to C++

- Discuss the evolution of C to C++.
- Key features of C++ (classes, objects, inheritance, polymorphism).
- Differences between C and C++.

Day 4: Object-Oriented Programming in C++

Session 12: Object-Oriented Programming (OOP) Basics

- Introduction to classes and objects in C++.
- Encapsulation, inheritance, and polymorphism.
- Writing a simple C++ class.

Session 13: Advanced C++ Features

- Templates and generic programming.
- Exception handling.
- Standard Template Library (STL) containers and algorithms.

Day 5: Hands-on Projects and Wrap-up

Session 14: Hands-on Project

- Divide participants into small groups.
- Provide a programming project involving C or C++ to apply acquired knowledge.
- Encourage collaboration and problem-solving.

Session 15: Workshop Conclusion and Next Steps

- Review key takeaways from the workshop.
- Discuss resources for further learning (books, online courses, forums).
- Provide information about advanced topics in C/C++ and their relevance to engineering disciplines.

Report on C to C^{++}: The Transition Workshop

Introduction:

The "C to C++: The Transition Workshop" is a comprehensive training program designed to assist software developers in transitioning from the C programming language to C++. C++ is a powerful and versatile extension of the C language, and this workshop aims to help programmers leverage its advanced features to build more efficient and maintainable software solutions.

Workshop Objectives:

- Understanding C++ Fundamentals:
  - ✓ Introduce participants to the key concepts of C++ such as classes, objects, and inheritance.
  - ✓ Highlight the differences between C and C++ syntax.
- Object-Oriented Programming (OOP) Principles:
  - ✓ Explore the benefits of OOP and its application in C++.
  - ✓ Each participants how to design and implement classes and objects.
- Encapsulation and Data Abstraction:
  - ✓ Explain the principles of encapsulation and data hiding.
  - ✓ Demonstrate how C++ supports these concepts for improved code modularity and security.
- Inheritance and Polymorphism:
  - ✓ Discuss inheritance and polymorphism as core features of C++.
  - ✓ Provide hands-on examples of creating class hierarchies and implementing polymorphism.

Benefits of the Workshop:

- ✓ Enhanced Programming Skills: Participants will gain a strong foundation in C++ and learn how to leverage its features for efficient and structured programming.
- ✓ Improved Code Quality: Understanding C++'s OOP principles and STL will enable developers to write cleaner, more maintainable, and bug-resistant code.

- ✓ Career Advancement: Proficiency in C++ is highly valued in the software development industry, and this workshop can open up new career opportunities.
- ✓ Better Team Collaboration: The workshop encourages collaboration and knowledge sharing among participants, enhancing the overall skill set of the team.
- ✓ Successful Code Transition: Developers can confidently transition existing C code to C++, minimizing errors and compatibility issues.

The "C to C++: The Transition Workshop" offers a comprehensive and practical approach to help C developers make a smooth transition to C++. By covering fundamental concepts, OOP principles, and practical examples, this workshop equips participants with the knowledge and skills needed to become proficient C++ programmers. The ability to write efficient and maintainable code in C++ can have a positive impact on one's career and the overall success of software development projects.

Significant importance of Workshop is as followes:

- **Skill Enhancement:** For individuals with experience in C programming, transitioning to C++ can significantly enhance their skill set. C++ offers a more extensive range of features and a modern, object-oriented approach, which can lead to improved programming capabilities.
- **Efficient Code Development:** C++ provides a more extensive standard library and supports advanced features like object-oriented programming and templates. The workshop equips participants with the knowledge and tools to write code more efficiently and with greater functionality.
- **Career Advancement:** Proficiency in C++ is highly valued in the software development industry. It can lead to career advancement and increased earning potential for participants.
- **Error Reduction:** C++ provides features like exception handling and more robust memory management, which can help reduce the occurrence of runtime errors and enhance code robustness.
- **Community and Collaboration:** Participation in the workshop fosters a sense of community and collaboration among attendees. Sharing knowledge and experiences can lead to improved teamwork and a stronger developer network.
- **Future-Proofing:** As C++ continues to evolve and adapt to modern software development needs, understanding its fundamentals and best practices ensures that developers stay relevant and adaptable in the ever-changing field of programming.

REPORT

Department of **Computer science and Engineering** has organized a Certification Course on "**MASTERING ADVANCED JAVA " from 31 th Aug 2023 to 09th Sep 2023**". The Recourse Person for this Certificate Course was Mr.Ravindra Shivkumar Swami(M.Tech) Software Engineer from TechnoWings software pune. During Training, Total **145 students** were attended this course and students have cleared the Advanced Features of JAVA, Java Servlets and Java Web Application. Hands on practical Sessions have been conducted on Programming Languages. Faculty Members from E&TC Department worked actively for successful completion of certificate course.

Course Outcome for this course are:

1. **Students got Knowledge on How to develop Web Application using Servlets.**
2. **Students understood the importance of the coding part for the placement.**

Thanking You,

Yours faithfully,

(Prof.V. V. Rajmane)

Subject: Thanks Letter

Respected Sir,

This is to express our sincere gratitude towards you for guiding our students on 05/03/2024 the topic "A Workshop on **"Web hosting and Deployment"**. Your valuable thoughts will always keep our students inspiring and motivated.

This talk helped our students and faculty members for linking to their CO/curriculum G2: Emerging trends in Computer Science and Engineering:. This talk also helped to meet our PSO2: Interpret, analyze and design software system programming knowledge using Algorithmic Skills. Web Technology, Big Data Analytics, Networking Fundamentals, Machine Learning and Internet of Things. " Programme Outcomes/ Programme Specific Outcomes.

I request the same kind of cooperation in future also.

Thanking you,

Yours faithfully,
S.P. Pawar

Notice

All the students of Second Year B. Tech. (Electrical Engineering) are informed to note that, Department of Electrical Engineering has organized **certificate Course** on **"Design, Manufacture & Testing of Three-Phase Distribution Transformers'** from 20thSept. 2023 to 25thSept. 2023.

Students should take note of the curriculum, examination pattern, etc. of the said course. Regular attendance for the lectures of said course will ensure satisfactory performance in the final examination.

All the concerned should take note and act accordingly.

Schedule for add on course on "Design, Manufacture & Testing of Three-Phase Distribution Transformers""

Day wise Schedule & Contents from 20th Sept. 2023 to 25th Sept. 2023

Day	Time Slots	Course Content
Day 1	9:00 am to 11: 30 am	Overview of Transformers: Definition and basic principles. Importance in the electrical power distribution system.
	11: 30 am to 12:30 pm	Lunch Break
	12:30 pm to 2:30 pm	Types of Transformers: Power transformers vs. distribution transformers Single-phase vs. three-phase transformers.
	2: 30 am to 2:45 pm	Short Break
	2:45 pm to 4:30 pm	Transformer Components: Core, windings, insulation, and cooling syste Transformer Rating and Classification: Understanding kVA, voltage rati and applications.
Day 2	9:00 am to 11: 30 am	Transformer Design Parameters: Core material selection. Winding design and construction. Calculating the turn's ratio.
	11: 30 am to 12:30 pm	Lunch Break
	12:30 pm to 2:30 pm	Core Design: Core loss and magnetic flux. Core material properties and losses.
	2: 30 am to 2:45 pm	Short Break
	2:45 pm to 4:30 pm	Winding Design: Wire selection and sizing. Winding arrangements.
Day 3	9:00 am to 11: 30 am	Transformer Manufacturing Process: Core assembly. Winding assembly. Insulation and impregnation.
	11: 30 am to 12:30 pm	Lunch Break
	12:30 pm to 2:30 pm	Core and Coil Assembly: Core stacking techniques. Winding techniques and connections.
	2: 30 am to 2:45 pm	Short Break
	2:45 pm to 4:30 pm	Transformer Tank and Accessories: Tank design and fabrication. Bushings, tap changers, and cooling systems

Day	Time Slots	Course Content
Day 4	9:00 am to 11: 30 am	Transformer Testing Standards: International and national testing standards.
	11: 30 am to 12:30 pm	Lunch Break
	12:30 pm to 2:30 pm	Routine Tests: Insulation resistance test. Turns ratio test. No-load and load loss measurements.
	2: 30 am to 2:45 pm	Short Break
	2:45 pm to 4:30 pm	Type Tests: Impulse tests. Temperature rise tests. Short-circuit tests.
Day 5	9:00 am to 11: 30 am	Transformer Maintenance: Inspection and maintenance practices. Oil testing and filtration.
	11: 30 am to 12:30 pm	Lunch Break
	12:30 pm to 2:30 pm	Transformer Protection: Over current and overvoltage protection. Buchhc relay and pressure relief devices.
	2: 30 am to 2:45 pm	Short Break
	2:45 pm to 4:30 pm	Future Trends and Sustainability: Green transformer technologies. Digitalization and smart transformers.
	4:45 pm to 5:30 pm	Valedictory Function

MCQ Based Test on the certificate course on
"Design, Manufacture & Testing of Three-Phase Distribution Transformers"

Instruction:
All questions are compulsory,
Each question carries 2 Marks

Date: 26/09/2023 pm.
Time: 05:30 pm to 06:30pm

1. What is the primary function of a three-phase distribution transformer?
   A) Voltage step-up
   B) Voltage step-down
   C) Power factor correction
   D) Circuit protection

2. Which of the following material is commonly used for transformer cores due to its low hysteresis loss?
   A) Copper
   B) Silicon steel
   C) Aluminium
   D) Plastic

3. In transformer design, the winding configuration for distribution transformers typically uses:
   A) Delta-Delta
   B) Star-Star
   C) Delta-Star
   D) Star-Delta

4. The insulation material most commonly used for windings in transformers is:
   A) PVC
   B) Oil
   C) Paper
   D) Copper

5. The EMF equation of a transformer is directly proportional to:
   A) Load current
   B) Number of turns and frequency
   C) Temperature of winding
   D) Power factor

6. Which part of a transformer is designed to minimize the leakage flux?
   A) Core
   B) Tank
   C) Bushings
   D) Windings

7. What is the typical voltage regulation of a distribution transformer?
   A) 2-4%
   B) 5-7%
   C) 10-12%
   D) 15-20%

8. The core of a transformer is laminated to reduce:
   A) Copper loss
   B) Eddy current loss
   C) Hysteresis loss
   D) Voltage drop

9. What is the typical range of power rating for distribution transformers?
   A) 5 kVA to 500 kVA
   B) 1 kVA to 50 kVA
   C) 100 kVA to 1,000 kVA
   D) 500 kVA to 5,000 kVA

10. The main function of the transformer conservator tank is to:
   A) Increase cooling
   B) Provide insulation
   C) Allow expansion of transformer oil
   D) Protect the core from moisture

11. Which material is most commonly used for transformer windings?
A) Iron B) Copper
C) Aluminium D) Steel

12. During transformer manufacturing, which technique is used to ensure winding insulation?
A) Soldering
B) Vacuum impregnation
C) Brazing
D) Galvanization

13. Which of the following is the first step in transformer core manufacturing?
A) Stacking laminated sheets
B) Cutting steel sheets
C) Painting core surfaces
D) Insulating the windings

14. Which cooling method is most commonly used in distribution transformers?
A) Oil-immersed
B) Air-cooled
C) Water-cooled
D) Hydrogen-cooled

15. **In a distribution transformer, which process helps to eliminate trapped gases inside the core?
A) Painting
B) Degassing
C) Annealing
D) Coiling

16. What is the typical insulation class used in distribution transformers?
A) Class A B) Class B
C) Class F D) Class H

17. Which of the following helps prevent the transformer from overloading?
A) Fuse
B) Tap changer
C) Surge arrestor
D) Overload relay

18. **Why are copper losses significant in a transformer?**
A) Due to core magnetization
B) Due to eddy currents
C) Due to the resistance of windings
D) Due to oil cooling

19. Which process ensures the mechanical integrity of transformer windings during manufacturing?
A) Impregnation
B) Preheating
C) Oven drying
D) Tank filling

20. What is the purpose of tanking in transformer manufacturing?
A) To hold the winding and core
B) To protect from external moisture
C) To contain the cooling medium
D) All of the above

21. Which of the following tests is carried out to check the insulation resistance of a transformer?
A) Open-circuit test
B) Short-circuit test
C) Megger test
D) Load test

22. The purpose of performing the short-circuit test on a transformer is to measure:
A) Core losses
B) Copper losses
C) Total losses
D) Temperature rise

23. Which of the following is a type of routine test for transformers?
A) Impulse test
B) Temperature rise test
C) Lightning arrester test
D) Dielectric test

24. Which of the following tests is used to verify the mechanical strength of transformer windings under abnormal conditions?
A) Open-circuit test
B) Impulse test
C) Heat run test
D) Short-circuit test

25. What does a vector group test on a transformer determine?
A) Load capacity
B) Winding resistance
C) Phase displacement between primary and secondary windings
D) Core losses

REPORT

The Department of Electrical Engineering conducted a certificate course on **"Design, Manufacture & Testing of Three-Phase Distribution Transformers" from** 20thSept. 2023 to 25thSept. 2023. The resource people for this certificate course were from N. KENIN Transformers, Latur. In this certificate course the student got the detail knowledge about the Transformer manufacturing. They also got the knowledge about application of transformers as per its ratings. Total **64 students of Second Year B. Tech** Electrical participated in this certificate course. All the faculty members from the Electrical department worked actively for the successful completion of the certificate course.

The Course outcomes for this course are:

1) **Students got the knowledge about the Transformer Design and Manufacturing**
2) **Students are able to design the actual distribution transformer.**
3) **The Session is aimed to build hands-on skills in students.**

A report on
An add-on Certificate Course on
"DESIGN, MANUFACTURE, AND TESTING OF 3-PHASE DISTRIBUTION TRANSFORMERS"

Summary:

Title of the course	Add-on Course on **"Design, Manufacture & Testing of Three-Phase Distribution Transformers"**
Date	20th Sept. 2023 to 25th Sept. 2023
Duration	30 Hours
No. of Participant	64
Trainer Details	**Mr. Nachiket D. Kulkarni,** N. KENIN Transformers, Latur *nachiketltr@gmail.com* 9356476920
Company Name and details	N. KENIN Transformers, Latur
Coordinator	Dr. Mohan P. Thakre

Objective:

- Provide comprehensive knowledge and practical skills in the design, manufacturing, and testing of 3-phase distribution transformers.
- Equip participants with expertise to contribute to efficient and reliable electrical power distribution.
- Foster an understanding of industry standards and best practices in transformer technology.

Outcome:

- **In-Depth Understanding:**
  Gain profound insights into the principles and theories related to distribution transformer design, manufacturing, and testing.

- **Design Proficiency:**
  Acquire skills to design efficient and reliable 3-phase distribution transformers, considering various load and voltage factors.
- **Manufacturing Competence:**
  Develop knowledge to oversee transformer manufacturing processes, ensuring adherence to quality control measures and industry standards.
- **Testing Expertise:**
  Learn to perform comprehensive electrical, thermal, and mechanical tests to verify transformer performance and reliability.
- **Problem-Solving Capability:**
  Develop the ability to identify and troubleshoot issues related to distribution transformers, contributing to improved power distribution systems.
- **Certification:**
  Obtain a recognized certificate validating expertise in distribution transformers, enhancing career opportunities and professional growth.
- **Industry Contribution:**
  Apply gained knowledge to contribute to the energy sector, promoting the development of efficient and sustainable power distribution systems.

Course Description:

From 20th to 25th September 2023, the Department of Electrical Engineering and Training & Placement Cell of SVERI's College of Engineering, Pandharpur, organized an enriching Certificate Course on "DESIGN, MANUFACTURING, AND TESTING OF 3-PHASE DISTRIBUTION TRANSFORMERS" in collaboration with N. KENIN Transformers, Latur, Maharashtra, India.

Course Highlights:

- Organizers: Department of Electrical Engineering, Training & Placement Cell, SVERI's College of Engineering, Pandharpur
- Collaborator: N. KENIN Transformers, Latur, Maharashtra, India

Course Overview:

- The training commenced with a warm welcome and an introduction to the department by Ms. R. N. Khandebharad.
- Mr. Nachiket Kulkarni and Mr. Sachin Kadukar, the trainers, provided a comprehensive overview of the course, emphasizing key concepts in the design, manufacturing, and testing of 3-phase distribution transformers.
- The trainers elucidated intricate details, ensuring participants grasped essential knowledge vital for their future endeavors.

Conclusion and Certificate Distribution:

The course concluded with a certificate distribution ceremony presided over by Mr. Nachiket Kulkarni, Mr. Sachin Kadukar, Dr. D. A. Tamboli, Dr. M. P. Thakre, and Mr. A. A. Mote (TPO).

Ms. M. K. Pawar, Assistant Professor, Department of Electrical Engineering, SVERI's College of Engineering, expressed gratitude in a vote of thanks.

A total of 74 students from the Electrical department actively participated in this enlightening Add-on Course, enhancing their knowledge and skills in the field of distribution transformers.

Schedule:

Day	Time Slots	Course Content
Day 1	9:00 am to 11: 30 am	Overview of Transformers: Definition and basic principles. Importance in the electrical power distribution system.
	11: 30 am to 12:30 pm	Lunch Break
	12:30 pm to 2:30 pm	Types of Transformers: Power transformers vs. distribution transformers. Single-phase vs. three-phase transformers.
	2: 30 am to 2:45 pm	Short Break
	2:45 pm to 4:30 pm	Transformer Components: Core, windings, insulation, and cooling systems Transformer Rating and Classification: Understanding kVA, voltage rating and applications.
Day 2	9:00 am to 11: 30 am	Transformer Design Parameters: Core material selection. Winding design and construction. Calculating the turn's ratio.
	11: 30 am to 12:30 pm	Lunch Break
	12:30 pm to 2:30 pm	Core Design: Core loss and magnetic flux. Core material properties and loss
	2: 30 am to 2:45 pm	Short Break
	2:45 pm to 4:30 pm	Winding Design: Wire selection and sizing. Winding arrangements.
Day 3	9:00 am to 11: 30 am	Transformer Manufacturing Process: Core assembly. Winding assembly. Insulation and impregnation.
	11: 30 am to 12:30 pm	Lunch Break
	12:30 pm to 2:30 pm	Core and Coil Assembly: Core stacking techniques. Winding techniques and connections.
	2: 30 am to 2:45 pm	Short Break
	2:45 pm to 4:30 pm	Transformer Tank and Accessories: Tank design and fabrication. Bushings, tap changers, and cooling systems.

Day	Time Slots	Course Content
Day 4	9:00 am to 11: 30 am	Transformer Testing Standards: International and national testing standards.
	11: 30 am to 12:30 pm	Lunch Break
	12:30 pm to 2:30 pm	Routine Tests: Insulation resistance test. Turns ratio test. No-load and load loss measurements.
	2: 30 am to 2:45 pm	Short Break
	2:45 pm to 4:30 pm	Type Tests: Impulse tests. Temperature rise tests. Short-circuit tests.
Day 5	9:00 am to 11: 30 am	Transformer Maintenance: Inspection and maintenance practices. Oil testing and filtration.
	11: 30 am to 12:30 pm	Lunch Break
	12:30 pm to 2:30 pm	Transformer Protection: Over current and overvoltage protection. Buchholz relay and pressure relief devices.
	2: 30 am to 2:45 pm	Short Break
	2:45 pm to 4:30 pm	Future Trends and Sustainability: Green transformer technologies. Digitalization and smart transformers.
	4:45 pm to 5:30 pm	Valedictory Function

Schedule for add on course on "Advanced Industrial Automation and Control"

Day wise Schedule & Contents from 05/10/2024 to 09/10/2024

Day	Time Slots	Course Content
Day 1	9:00 am to 11: 30 am	Introduction to Automation, introduction to controller, microcontroller vs PLC, PLC block diagram, Ladder Diagram programming language, basic instructions NO, NC, Coil.
	11: 30 am to 12:30 pm	Lunch Break
	12:30 pm to 2:30 pm	Basic programming tricks, basic programs based on truth table, Latch, Flag. Timer, timer-based examples and programming trick.
	2: 30 am to 2:45 pm	Short Break
	2:45 pm to 4:30 pm	Practice of programs in Code sys software. Ladder simulation, Visualization.
Day 2	9:00 am to 11: 30 am	Timer-based examples, Pulse instruction, Pulse based examples, Counter, counter-based examples.
	11: 30 am to 12:30 pm	Lunch Break
	12:30 pm to 2:30 pm	Practice of programs in Code sys software. Ladder simulation, Visualization.
	2: 30 am to 2:45 pm	Short Break
	2:45 pm to 4:30 pm	Programming in GX Developer, communication, Program pload/download, troubleshooting, program modification, Online edit. Project development.
Day 3	9:00 am to 11: 30 am	Introduction to digital inputs/ outputs, wiring concept, SINK/SOURCE, real time wiring of PLC. Introduction to PLC hardware and software, MITSUBISHI PLC,GX Developer software,
	11: 30 am to 12:30 pm	Lunch Break
	12:30 pm to 2:30 pm	Practice of programs in Codesys software. Ladder simulation, Visualization.
	2: 30 am to 2:45 pm	Short Break
	2:45 pm to 4:30 pm	Programming in GX Developer, communication, program upload/download, troubleshooting, program modification, Online

Day 4	9:00 am to 11: 30 am	Introduction to HMI, interface with PLC, screen development, digital & analog data configuration, analog data scaling, password level, screen display and industrial project development.
	11: 30 am to 12:30 pm	Lunch Break
	12:30 pm to 2:30 pm	Introduction to SCADA, interfacing with PLC, screen development, digital & analog data configuration, analog data scaling, driver selection
	2: 30 am to 2:45 pm	Short Break
	2:45 pm to 4:30 pm	Configuration, tag creation and configuration & Industrial project development.
Day 5	9:00 am to 11: 30 am	Introduction to AC Drive, hardware, parameter setting, speed, direction, acceleration and deceleration time control of induction motor, interfacing with PLC, multispeed & multidirectional control project.
	11: 30 am to 12:30 pm	Lunch Break
	12:30 pm to 2:30 pm	Introduction to Analog system, hardware, block diagram of ADC and DAC application, standard signal, channel selection
	2: 30 am to 2:45 pm	Short Break
	2:45 pm to 4:30 pm	AD- DA start, scaling, TO FROM instruction, real time application. Monitored and controlled on SCADA

Certificate Course on "Advanced Industrial Automation and Control

05th October 2024 to 09th October 2024

* Indicates required question

1. Name of student *

2. Class *

3. What is meant by PLC? *

Mark only one oval.

- a) Programmable Ladder Controller
- b) Programmable Logic Controller
- c) Protected Logic Controller
- d) Protected Ladder Controller

4. Who coined the term PLC? *

Mark only one oval.

- a) Charles Babbage
- b) Charles Dickens
- c) Allen Border
- d) Allen Bradley

5. Which of the following contains programs in order to instructions to the control Unit? *

Mark only one oval.

- a) Memory Unit
- b) Input Module
- c) Output Module
- d) Power Supply

6. Which of the following includes battery back up in order to support external power failure? *

Mark only one oval.

- a) Back up Module
- b) Output Module
- c) Input Module
- d) Power Supply Unit

7. How is the size of the PLC determined? *

Mark only one oval.

- a) Number of terminals
- b) Power Supply
- c) Memory Unit
- d) Size of Relay

8. Which of the following provides the connections to the equipment to be controlled? *

Mark only one oval.

- a) Relay
- b) Input/ Output Module
- c) Power Supply Unit
- d) Moderator

9. Which of the following process involves reading of the inputs by the processor? *

Mark only one oval.

- a) Processor Scan
- b) Process Scan
- c) Reading Scan
- d) Input Scan

10. Which of the following process updates the values in the PLC cycle? *

Mark only one oval.

- a) Full Scan
- b) Output Scan
- c) Input Scan
- d) Null Scan

11. What does IEC stand for? *

Mark only one oval.

- a) Italian Ergonomics Commission
- b) Indian Ergonomics Commission
- c) Indian Electrical Commission
- d) International Electro technical Commission

12. Which of the following provides the means of inputting high level instructions? *

Mark only one oval.

- a) Technical Diagram
- b) Functional Block Diagram
- c) Pareto Chart
- d) Fish Bone Diagram

13. Which of the following requires one input signal to initiate timing sequences? *

Mark only one oval.

- a) RMT
- b) TMR
- c) CTR
- d) MTR

14. What is the acronym of PID in the Programmable controllers? *

Mark only one oval.

- a) Productive Integral Derivative
- b) Proportional Integral Derivative
- c) Productive Integral Device
- d) Proportional Intellectual Device

15. Which of the following functions are associated with business applications of personal computers? *

Mark only one oval.

- a) Personal Functions
- b) Data Processing
- c) Democratic Processing
- d) Operational Processing

26. OUT is the input component of the ladder logic diagram of PLC. *

Mark only one oval.

- a) True
- b) False

27. What does IL in PLC programming refer to? *

Mark only one oval.

- a) Intermediary List
- b) Instruction List
- c) Intellectual List
- d) Interpol List

Google Forms

16. Which control performs the same function as performed by the machine control unit? *

Mark only one oval.

- a) Cellular Control
- b) Functional and Productive Control
- c) Protocol Control
- d) Motion and servomotor control

17. What is meant by PAC? *

Mark only one oval.

- a) Private Automation Controller
- b) Programmable Automation Controllers
- c) Personal Automation Controller
- d) Personnel Automatic Controller

18. Which of the following programming language is likely to be used in the future for PLC's? *

Mark only one oval.

- a) Controller Text
- b) Logic Text
- c) Sequential Text
- d) Structured Text

19. Which of the following is designed to give an output based on the given input? *

Mark only one oval.

- a) Amplifier
- b) Logic Gate
- c) Reducer
- d) Binary Gate

20. What will be the value for the expression $X \cdot (X + Y)$ according to the law of absorption? *

Mark only one oval.

- a) XY
- b) $X + X \cdot Y$
- c) $X - Y$
- d) XYX

21. What will be the value of the expression X + Y according to De Morgan's theorem? *

Mark only one oval.

- a) Y + X
- b) X • Y
- c) XY
- d) X + Y

22. Which of the following is the tabulation of the combination of all the input values and the corresponding output values? *

Mark only one oval.

- a) Truth Table
- b) Calculation Table
- c) Output Table
- d) Tabulation Table

23. Which of the following system is commonly used to establish the relation between logic elements in a given logical control system? *

Mark only one oval.

- a) Control Diagram
- b) Base Diagram
- c) Flow Diagram
- d) Logic Network Diagram

24. Direct Entry of the ladder logic diagram into the PLC memory do not require the use of keyboard and monitor for feeding inputs *

Mark only one oval.

- a) True
- b) False

25. Which of the following provides the means of inputting high level instructions? *

Mark only one oval.

- a) Technical Diagram
- b) Functional Block Diagram
- c) Pareto Chart
- d) Fish Bone Diagram

REPORT

The Department of Electrical Engineering conducted a certificate course on **"Advanced Industrial Automation and Control" from 05th October 2023 to 09th October 2023**. The resource people for this certificate course were from **INDWELL Automation Mangalore, Karnataka, Mr. Himanshu Kumar**. In this certificate course the student got the detail knowledge about basic idea related to the automation. They also got the knowledge about the PLC, SCADA, HMI etc. They also learnt about different parameters involved the automation and control. Total **65 students of Third Year B. Tech** Electrical participated in this certificate course. All the faculty members from Electrical department worked actively for the successful completion of certificate course.

The Course outcomes for this course are:

1) **Students got the knowledge about the concept of Advanced Industrial Automation & Control.**
2) **Students are able to design the ladder diagram, interfacing hardware with Simulink software and controlling.**
3) **The Session is aimed to build hands-on skills in students.**

Certificate course of Hands on "Advanced Surveying Equipment's"

Day 1: Introduction to Advanced Surveying Equipment

Morning Session (9.00 am to 11.00 am)
Welcome and Registration
Introduction to Advanced Surveying EquipmentOverview of modern surveying technologies
Importance of advanced equipment in precision surveying

Mid-morning Session (12.30pm to 2.30pm)
GNSS (Global Navigation Satellite Systems) TechnologyPrinciples of GNSS
Types of GNSS equipment
Hands-on practice with GNSS receivers

Afternoon Session: (2.45pm to 4.45pm) Data Collection and Processing Overview of data collection methods
Introduction to survey data processing softwarePractical exercises on data processing

Day 2: Total Station and Laser Scanning

Morning Session (9.00 am to 11.00 am)
Recap and Q&A from Day 1Total Station Technology
Understanding Total Station instruments Practical demonstration and hands-on practice

Mid-morning Session: (12.30pm to 2.30pm)
Laser Scanning TechnologyBasics of laser scanning Applications in surveying
Hands-on experience with laser scanning devices

Afternoon Session: (2.45pm to 4.45pm)
Field Exercise with Total Station and Laser Scanner
Participants practice using Total Station and Laser Scanner in the field

Day 3: Digital Leveling and 3D Modeling

Morning Session (9.00 am to 11.00 am)
Recap and Q&A from Day 2 (9:00 AM - 9:30 AM)
Digital Leveling Techniques (9:30 AM - 11:30 AM)

Certificate course of Hands on

"Advanced Surveying Equipment's"

Class: S.Y. B.Tech Civil Engineering Div. A & B

Date: 3rd Nov. 2023 to 8th Nov. 2023

Organizing Committee:

Dr. P. M. Pawar - Head of Department

Mr. R. S. Sathe - Chairman

Mr. Y. B. Survase - Member

Ms. C.R. Abhangrao - Member

The Hands-on Workshop on Advanced Surveying Equipment for S.Y. B.Tech. (Civil Engineering) students, held from November 3rd to November 7th, 2023, were organized under the esteemed guidance of Dr. P. M. Pawar, the Head of the Department. The organizing committee, consisting of Mr. R. S. Sathe, Mr. Y. B. Survase, and Ms. C.R. Abhangrao, worked collectively to provide students with practical exposure to the latest surveying technologies, aligning with the department's commitment to holistic learning.

Day 1: Inauguration and Orientation The workshop began with an inaugural address by Dr. P. M. Pawar, setting the tone for the event. He highlighted the importance of practical knowledge in shaping competent civil engineers. Mr. R. S. Sathe, as the Chairman, and committee members Mr. Y. B. Survase and Ms. C.R. Abhnagrao provided an overview of the workshop's objectives, emphasizing the role of hands-on experience in enhancing academic learning.

Day 2-5: Practical Sessions and Demonstrations Under the expert guidance of Mr. Y. B. Survase, students engaged in hands-on practical sessions and demonstrations. The workshop covered the operation of advanced surveying equipment, including Total Stations, GPS devices, 3D laser scanners, and drone-based surveying tools. Committee members actively participated in guiding students through various surveying techniques and practical applications, fostering a dynamic learning environment.

The workshop delved into essential areas such as Total Station operation, GPS principles, 3D laser scanning, and the application of drones in surveying. Students actively participated in real-world simulations to ensure a comprehensive understanding of the equipment and their practical applications.

Day 6: Conclusion and Certificate Distribution The workshop concluded with a summary of key takeaways and a closing statement by Dr. P. M. Pawar. Certificates of participation were distributed to the students, acknowledging their successful completion of the workshop. The organizing committee, led by Dr. P. M. Pawar, expressed their appreciation for the students' enthusiasm and encouraged them to leverage the skills acquired in their academic and professional pursuits.

The Hands-on Workshop on Advanced Surveying Equipment, held under the guidance of Dr. P. M. Pawar and the dedicated efforts of the organizing committee, proved to be a transformative experience for S.Y. B.Tech. (Civil) students. The workshop not only provided practical insights into modern surveying technologies but also exemplified the department's commitment to holistic education. The event successfully prepared students for the challenges and opportunities that lie ahead in their journey toward becoming proficient civil engineers.

Certificate course of Hands on "Surveying Technology Advancements"

Day 1: Introduction to Advanced Surveying Equipment

Morning Session (9.00 am to 11.00 am)
Welcome and Registration
Introduction to Advanced Surveying Equipment
Overview of modern surveying technologies
Importance of advanced equipment in precision surveying

Mid-morning Session (12.30pm to 2.30pm)
GNSS (Global Navigation Satellite Systems) Technology
Principles of GNSS
Types of GNSS equipment
Hands-on practice with GNSS receivers

Afternoon Session:(2.45pm to 4.45pm)
Data Collection and Processing
Overview of data collection methods
Introduction to survey data processing software
Practical exercises on data processing

Day 2: Total Station and Laser Scanning

Morning Session (9.00 am to 11.00 am)
Recap and Q&A from Day 1
Total Station Technology
Understanding Total Station instruments
Practical demonstration and hands-on practice

Mid-morning Session: (12.30pm to 2.30pm)
Laser Scanning Technology
Basics of laser scanning
Applications in surveying
Hands-on experience with laser scanning devices

Afternoon Session: (2.45pm to 4.45pm)
Field Exercise with Total Station and Laser Scanner
Participants practice using Total Station and Laser Scanner in the field

Day 3: Digital Levelling and 3D Modelling

Morning Session (9.00 am to 11.00 am)
Recap and Q&A from Day 2 (9:00 AM - 9:30 AM)
Digital Leveling Techniques (9:30 AM - 11:30 AM)
Understanding digital leveling instruments
Practical exercises on leveling techniques

Mid-morning Session: (12.30pm to 2.30pm)
Introduction to 3D Modeling in Surveying (11:45 AM - 12:30 PM)
Overview of 3D modeling software
Applications in surveying

Afternoon Session: (2.45pm to 4.45pm)
3D Modeling Workshop (1:30 PM - 4:00 PM)
Hands-on session using 3D modeling software

Day 4: Drones in Surveying

Morning Session (9.00 am to 11.00 am)
Recap and Q&A from Day 3 (9:00 AM - 9:30 AM)
Introduction to Drone Technology in Surveying
Applications of drones in surveying
Regulations and safety considerations

Mid-morning Session: (12.30pm to 2.30pm)
Drone Flight Planning and Data Processing
planning a survey using drones
Data processing techniques

Afternoon Session: (2.45pm to 4.45pm)
Drone Flight Practice
Participants practice drone flight planning and data collection

Report on

Certificate course of Hands on

"Surveying Technology Advancements"

Class: T.Y. B.Tech Civil Engineering Div. A & B

Date: 1st November 2023 to 6th November 2023

Organizing Committee:

Dr. P. M. Pawar - Head of Civil Department

Dr. M. G. Deshmukh - Chairman

Mr. R. P. Jadhav - Member

Mr. P. H. Pund - Member

Introduction: The Hands-on Workshop on Advanced Surveying Equipment for T.Y. B.Tech. (Civil Engineering) Semester-I students, conducted from November 1st to November 5th, 2023, marked a significant initiative under the guidance of Dr. P. M. Pawar, the Head of the Civil Department. The organizing committee, comprising Dr. M. G. Deshmukh as Chairman, and members Mr. R. P. Jadhav and Mr. P. H. Pund, aimed to provide students with practical exposure to contemporary surveying technologies, fostering a holistic learning experience.

Day 1: Inauguration and Orientation The workshop commenced with an inaugural address by Dr. P. M. Pawar, emphasizing the importance of practical knowledge in tandem with academic learning. Dr. M. G. Deshmukh, the Chairman, and Mr. Y. B. Survase Overall Co-ordinator, committee members Mr. R. P. Jadhav and Mr. P. H. Gund, outlined the workshop agenda and its alignment with the academic curriculum.

Day 2-4: Practical Sessions and Demonstrations Under the expert guidance of Mr. R. P. Jadhav, students actively participated in hands-on practical sessions and demonstrations. The workshop covered the operation of advanced surveying equipment, including Total Stations, GPS devices, 3D laser scanners, and drone-based surveying tools. Committee members played a pivotal role in guiding students through various surveying techniques and applications.

NAAC A+ with 3.46 CGPA out of 4.00, An ISO 9001-2015 Certified Institute, Accredited by the Institution o Engineers, Kolkata and TCS, Pune.

The workshop comprehensively covered essential areas such as Total Station operation, GPS principles, 3D laser scanning, and drone-based surveying. Students were engaged in real-world simulations, ensuring they gained practical proficiency in handling advanced surveying equipment.

Day 6: Conclusion and Certificate Distribution The workshop concluded with a summary of key learnings and a closing statement by Dr. P. M. Pawar. Certificates of participation were distributed to students, recognizing their successful completion of the workshop. The committee members expressed their gratitude for the students' active participation and encouraged them to apply the acquired skills in their academic and professional pursuits.

The Hands-on Workshop on Advanced Surveying Equipment, conducted under the guidance of Dr. P. M. Pawar and the dedicated efforts of the organizing committee, proved to be a transformative learning experience for T.Y. B.Tech. (Civil Engineering) Semester-I students. The workshop not only provided practical insights into modern surveying technologies but also exemplified the department's commitment to preparing students for the evolving challenges in the field. The event served as a bridge between theoretical knowledge and practical applications, enhancing the students' readiness for their academic journey and future careers in civil engineering.

Certificate course of Hands on "Next-Gen Surveying Equipment"

Day 1: Introduction to Next-Gen Surveying Equipment.

Morning Session (9.00 am to 11.00 am)
Welcome and Registration
Introduction to Advanced Surveying Equipment
Overview of modern surveying technologies
Importance of advanced equipment in precision surveying

Mid-morning Session (12.30pm to 2.30pm)
GNSS (Global Navigation Satellite Systems) Technology
Principles of GNSS
Types of GNSS equipment
Hands-on practice with GNSS receivers

Afternoon Session :(2.45pm to4.45pm)
Data Collection and Processing
Overview of data collection methods
Introduction to survey data processing software
Practical exercises on data processing

Day 2: Total Station and Laser Scanning

Morning Session (9.00 am to 11.00 am)
Recap and Q&A from Day 1
Total Station Technology
Understanding Total Station instruments
Practical demonstration and hands-on practice

Mid-morning Session: (12.30pm to 2.30pm)
Laser Scanning Technology
Basics of laser scanning
Applications in surveying
Hands-on experience with laser scanning devices

Afternoon Session: (2.45pm to 4.45pm)
Field Exercise with Total Station and Laser Scanner
Participants practice using Total Station and Laser Scanner in the field

Day 3: Digital Leveling and 3D Modeling

Morning Session (9.00 am to 11.00 am)
Recap and Q&A from Day 2 (9:00 AM - 9:30 AM)
Digital Leveling Techniques (9:30 AM - 11:30 AM)
Understanding digital leveling instruments
Practical exercises on leveling techniques

Mid-morning Session: (12.30pm to 2.30pm)
Introduction to 3D modeling in Surveying (11:45 AM - 12:30 PM)
Overview of 3D modeling software
Applications in surveying

Afternoon Session: (2.45pm to 4.45pm)
3D Modeling Workshop (1:30 PM - 4:00 PM)
Hands-on session using 3D modeling software

Day 4: Drones in Surveying

Morning Session (9.00 am to 11.00 am)
Recap and Q&A from Day 3 (9:00 AM - 9:30 AM)
Introduction to Drone Technology in Surveying
Applications of drones in surveying
Regulations and safety considerations

Mid-morning Session: (12.30pm to 2.30pm)
Drone Flight Planning and Data Processing
planning a survey using drones
Data processing techniques

Afternoon Session: (2.45pm to 4.45pm)
Drone Flight Practice
Participants practice drone flight planning and data collection

Certificate course of Hands on "Surveying Technology Advancements"

A.Y. 2023-24 SEM: I
Class: L. Y. (Civil) DIV: A & B
Course Duration: 1st November 2023 to 6th November 2023

Assessment Procedure:

- Eligibility Criterion: A participant who will attend 75% sessions will be eligible for Final Test.
- Performance: Performance of participant will be assessed on the basis of passing in the session with at least 50% marks.

Only those participants who meet the passing standard for the assessment will be awarded the certificate.

Report on

Certificate course of Hands on

"Next-Gen Surveying Equipment"

Class: L.Y. B.Tech Civil Engineering Div. A & B

Date: 1st Nov. 2023 to 6th Nov. 2023

Organizing Committee:

Dr. P. M. Pawar - Head of Department

Dr. Ms. S. P. Patil - Chairman

Mr. P. V. Kelkar - Member

Mr. P. G. Siddham - Member

The Hands-on Workshop on Advanced Surveying Equipment for Final Year B. Tech. (Civil) students, organized under the guidance of the Head of Department, Dr. P. M. Pawar, aimed to provide students with practical insights into the latest surveying technologies and equipment them with the skills needed for modern civil engineering practices.

Day 1: Introduction and Overview The workshop commenced with an opening address by Dr. P. M. Pawar, the Head of Department, emphasizing the significance of staying abreast of technological advancements in the field of civil engineering. Dr. Ms. S. P. Patil, the Chairman of the organizing committee, along with Mr. Y. B. Survase Overall Co-ordinator , committee members Mr. P. V. Kelkar and Mr. P. G. Siddham, introduced the agenda for the workshop and highlighted the importance of hands-on experience with advanced surveying equipment.

Day 2-5: Practical Sessions and Demonstrations Under the expert guidance of Mr. P. G. Siddham, students engaged in practical sessions and demonstrations. The workshop covered various aspects of advanced surveying techniques, including Total Station operation, Global Positioning System (GPS) principles, 3D laser scanning technology, and drone-based surveying tools.

Participants had the opportunity to operate state-of-the-art surveying equipment, gaining hands-on experience in simulated real-world surveying scenarios. Mr. P. G. Siddham played a crucial role in guiding students through the intricacies of the equipment, ensuring a comprehensive understanding of their applications.

Day 6: Concluding Session and Certificate Distribution The workshop concluded with a summary of key learnings and a closing statement by Dr. P. M. Pawar. Certificates of participation were distributed to the students, acknowledging their successful completion of the hands-on workshop. Dr. P. M. Pawar shared insights into the practical applications of the skills acquired during the workshop and encouraged students to continue exploring advancements in the field.

The Hands-on Workshop on Advanced Surveying Equipment, organized under the guidance of the Head of Department, Dr. P. M. Pawar, proved to be a valuable experience for final year B. Tech. (Civil) students. The workshop not only enhanced their theoretical knowledge but also equipped them with practical skills essential for the evolving field of civil engineering. The organizing committee, led by Dr. P. M. Pawar, and the industry experts played a pivotal role in making the workshop a success. The event contributed significantly to bridging the gap between academia and industry, preparing students for the challenges and opportunities in their future careers.

REPORT

The Department of Mechanical Engineering conducted a **Certificate course on *Fundamentals of Automobile Design under TATA Ready Engineer Program from* 01 Sep. 2023 to 03 Dec. 2023**. The resource person for this certificate course was Mr. C. C. Jadhav from SVERI's COE, Pandharpur. In this certificate course the student got the detail knowledge about new trends and techniques in *Mechanical Engineering CATIA V5 R18 with* hands on practical and which are the new tools plans available in upcoming days for the Mechanical Engineer in the field of Mechanical Design and Modeling. Domestic and industrial applications of *CATIA V5 R18 with* practical on Mechanical Automotive parts have been covered in this certificate course. **Total 84 students of T. Y. B. TECH. Mechanical participated in this certificate course.** All the faculty members from Mechanical department worked actively for the successful completion of certificate course.

The Course outcomes for this course are:

1) **Student got the knowledge about which are the new opportunity available for job in Mechanical Engg. Sector.**
2) **Student understood the application of *TATA Ready Engineer (RE)*.**

RESOURCE PERSONS

The resource persons include industry experts from TATA Technologies Ltd. Pune and SVERI's COE Pandharpur.

1. Mr. Siddharth Yawalkar (Program Lead-Ready Engineer)
2. Mr. C. C. Jadhav (RE coordinator)

MAJOR TOPICS

- Basics Introduction of CATIA V5 R18 and its Interfaces, Part Design, Assembly, Drafting, Sketcher. Sheet metal part, manufacturing.
- Importance of Fundamentals of Automobile Design.
- TATA RE - Usage in Academics and Industries.
- Formulation of undergraduate/ post graduate and consultancy projects using the software.

ABOUT THE PROGRAM

This training programme on "Ready Engineer Program" is being organized by SVERI's College of Engineering, Pandharpur & TATA Technologies Ltd. Pune with an objective to provide a golden opportunity to students to learn about RE Programme and its various application in the field of academics, research & industry.

NOTICE

All the students of T.Y. B. Tech. (Mechanical Engineering) are informed to note that, Department of Mechanical Engineering and TATA Technologies, Pune have organized '**Certificate course on *Fundamentals of Automobile Design under TATA Ready Engineer Program***' from **01 Sep. 2023 to 03 Dec. 2023**. Students should take note of the curriculum, examination pattern, etc. of the said course. Regular attendance for the lectures of said course will ensure satisfactory performance in the final examination.

All the concerned should take note and act accordingly.

Syllabus

PART 1: Fundamentals of Automobile Design

Session No.	Name of the Topic	Sub-Topics
I	Introduction to CATIA V5, iGET IT & Sketcher	1. Sketcher Overview, Toolbars 2. Sketch Creation 3. Sketch Constraining 4. Sketch Analysis 5. Basic Catia Overview(Software)
II	Part Design 1 (CATIA)	1. Sketch Based Features, Dress Up Features 2. Hole and Thread Creation, Pattern 3. Basic Reference - Plane Point, Line Creation 4. Apply material, MeasureTool 5. Practice Example
III	Part Design 2 and GSD 1 (CATIA)	1. Editing Features 2. Parametric Modelling 3. Transformation Features 5. Practice Example 4. Basic Overview of Surfacing Workbench
IV	GSD 2 (CATIA)	1. Revolved Surfaces, Offset Surfaces 2. Swept Surfaces 3. Fill Surface, Multi-sectionSurfaces 4. Split, Trim andJoin 5. Practice Example

Syllabus

PART 1: Fundamentals of Automobile Design

Session No.	Name of the Topic	Sub-Topics
V	Assembly and Drafting (CATIA)	1. Assembly Overview 2. Top Down Approach 3. Bottom Up Approach 4. Editing Assembly
VI	Drafting (CATIA)	1. Drawing Overview 2. Generating Drawing Views 3. Part Level Drawing 4. Assembly Level Drawing 5. Annotations and Measurement
VII	Basics of Product Design and Styling	1. Introduction to Design 2. Typical Product LifeCycle 3. Automotive Design Process for Production Release 4. CAS Surfaces from Digital Clay Models
VIII	CAE Considerations	1. What is Computer Aided Engineering (CAE) 2. Finite Element Analysis(FEA) 3. NVH, Dura, Crash, Occupant Safety, CFD 4. Difference between implicit and explicit solvers 5. Pre-post and Solvers and types of solvers

Syllabus

PART 1: Fundamentals of Automobile Design

Session No.	Name of the Topic	Sub-Topics
IX	Formability	1. Simultaneous Engg. feasibility study 2. Sheet metal processes 3. Types of drawdies 4. Forming simulations 5. Various Material properties 6. Forming Limit Curve(FLD)
X	Die Design	1. Sheet Metal parts and their operation 2. Presses 3. Various elements used in die design 4. Process of diedesign 5. Functions of the elements required for each die
XI	Fixture Design	1. Correlation of types of joints for Fixture Design 2. Joining processes and their Applications Overview 3. Need Of Fixtures & Type Of Fixtures 4. Use of product GD&T in the Fixture design

REPORT

The Department of Mechanical Engineering conducted a **Certificate course on Hands-on Training using 3DEXPERIENCE (3DX) in collabration with Solize India Technologies Pvt. Ltd., Pune from 31st Oct. 2023 to 20th Nov. 2023**. The resource person for this certificate course was Mr. Dhawal S. Borkar from Solize India Technologies Pvt. Ltd., Pune and Mr. C. C. Jadhav from SVERI's COE, Pandharpur. In this certificate course the student got the detail knowledge about new trends and techniques in *Mechanical Engineering modeling, Analysispart in 3D Experience with* hands on practical and which are the new tools plans available in upcoming days for the Mechanical Engineer in the field of Mechanical Design, Modeling and Analysis. Domestic and industrial applications of *3D Experience with* practical on Mechanical Automotive parts Design, Modeling and Analysis have been covered in this certificate course. **Total 90 students of T. Y. B. TECH. and Final Year B. Tech. Mechanical participated in this certificate course.** All the faculty members from Mechanical department worked actively for the successful completion of certificate course.

The Course outcomes for this course are:

1) **Student got the knowledge about which are the new opportunity available for job in Mechanical Engg. Sector.**
2) **Student understood the application of *3D EXPERIENCE).***

RESOURCE PERSONS

The resource persons include industry experts from Solize India Technologies Pvt. Ltd., Pune and SVERI's COE Pandharpur.

1. Mr. Dhawal Borkar (Senior Application Engineer)
2. Mr. C. C. Jadhav

MAJOR TOPICS

- Advanced of 3D Experience and its Interfaces.
- Importance of 3D Modeling and Various Tools.
- 3D Experience- Usage in Academics and Industries.

ABOUT THE PROGRAM

This training programme on "Hands-on Training using 3DEXPERIENCE (3DX)" is being organized by SVERI's College of Engineering, Pandharpur & Solize India Technologies Pvt. Ltd., Pune with an objective to provide a golden opportunity to students to learn about 3D modeling and its various application in the field of academics, research & industry.

Course Syllabus

Gateway to 3DEXPERIENCE Platform

- Login to 3DEXPERIENCE Platform
- Manage My First Dashboard in the collaborative platform
- Understand about 3DCompass
- Explore 3DEXPERIENCE Roles and Apps
- Launch the Native app
- Import the parts
- Save and Share the content

Sketcher

- Basic steps involved in Sketch creation
- Draw a sketch using Profile toolbar
- Draw pre-defined entities like Line, Tangent Arc and Three Point Arc
- Create Rectangle, Centered Rectangle Oriented Rectangle, Parallelogram and Polygon
- Create Lines, Bi-Tangent Line, Bisecting Line, Line normal to Curve and Axis
- Create Points, Points using coordinates, Equidistant points and Intersection points
- Create Splines, Parabola by Focus and Hyperbola by Focus
- Create Elongated Hole, Cylindrical Elongated Hole and Key hole Profile
- Fully constrain a sketch using Geometrical constraints and Dimensional constraints and Constraints Defined in Dialog Box
- Perform Quick trim, Trim and Break
- Create Corner, Chamfer and Construction Lines
- Fit All In, Re-centre, Pan, Rotate, Zoom In/Out and Grid
- Iso, Shading and Multi-View
- Draw a basic sketch

REPORT

The Department of Mechanical Engineering conducted a **Certificate course on *Advanced Automobile Design under TATA Ready Engineer Program from* 15th Dec. 2023 to 24th April 2024**. The resource person for this certificate course was Mr. D. T. Kashid from SVERI's COE, Pandharpur. In this certificate course the student got the detail knowledge about new trends and techniques in *Mechanical Engineering CATIA V5 R18 with* hands on practical and which are the new tools plans available in upcoming days for the Mechanical Engineer in the field of Mechanical Design and Modeling. Domestic and industrial applications of *CATIA V5 R18 with* practical on Mechanical Automotive parts have been covered in this certificate course. **Total 46 students of T. Y. B. TECH. Mechanical participated in this certificate course.** All the faculty members from Mechanical department worked actively for the successful completion of certificate course.

The Course outcomes for this course are:

1) **Student got the knowledge about which are the new opportunity available for job in Mechanical Engg. Sector.**
2) **Student understood the application of *TATA Ready Engineer (RE)*.**

RESOURCE PERSONS

The resource persons include industry experts from TATA Technology Ltd. Pune and SVERI's COE Pandharpur.

1. Mr. Siddharth Yawalkar (Program Lead-Ready Engineer)
2. Mr. C. C. Jadhav (RE coordinator)

MAJOR TOPICS

- Advanced of CATIA V5 R18 and its Interfaces, Body in White and Plastics and Trims.
- Importance of TATA RE Program.
- TATA RE - Usage in Academics and Industries.
- Formulation of undergraduate/ post graduate and consultancy projects using the software.

ABOUT THE PROGRAM

This training programme on "Ready Engineer Program" is being organized by SVERI's College of Engineering, Pandharpur & TATA Technologies Ltd. Pune with an objective to provide a golden opportunity to students to learn about RE Programme and its various application in the field of academics, research & industry.

NOTICE

All the students of T.Y. B. Tech. (Mechanical Engineering) are informed to note that, Department of Mechanical Engineering and TATA Technologies have organized '**Certificate course on *Advanced Automobile Design under TATA Ready Engineer Program***' from **15th Dec. 2023 to 24th April 2024**. Students should take note of the curriculum, examination pattern, etc. of the said course. Regular attendance for the lectures of said course will ensure satisfactory performance in the final examination.

All the concerned should take note and act accordingly.

SYLLABUS

PART 2: Advanced Automobile Design			
Semester VI - Third Year Engineering			
Session No.	**Name of the Topic**	**Sub-Topics**	**Course**
I	Introduction of Body-In-White	1. Requirement Specification in the Pre-Program Stage 2. Product life cycle and important gateways for BIW 3. Identification of commodities for BIW 4. Design concepts and considerations in BIW	MODULE 1 - Body-In-White 
II	Part Design 1 (CATIA)	1. BIW Materials and Grades (Steel, Aluminium, Composites) 2. GD&T Functions, Symbols. 3-2-1 Principle 3. Sheet Metal Joining - Welds, Adhesives, TWBs	MODULE 1 - Body-In-White 
III	DFMEA Analysis for BIW	1. Design Failure Modes and Effect Analysis 2. DFMEA Objectives 3. DFMEA Process 4. DFMEA Benefits	MODULE 1 - Body-In-White 

IV	Design Verification - CAE Methods and Gateway Supports for BIW	1. Understanding design verification 2. Test Methods & applications 3. CAE role in different phases of product development 4. Structural analysis & Fatigue life 5. Crash Analysis, Heat & CFD analysis	MODULE 1 - Body-In-White	V	CAE Analysis for BIW	1. Finite Element Analysis 2. NVH Analysis 3. Crash Worthiness and 4. Durability Analysis, Four post method	MODULE 1 - Body-In-White	VI	Testing & Manufacturing and Future Trends of BIW	1. Test Validation & Assessment 2. Manufacturing - Sequence, Welding & Assembly 3. Future Trends in BIW 4. Examples and Case Studies	MODULE 1 - Body-In-White	
VII	Introduction to Plastics & Trims	1. Requirement Specification in the Pre-Program Stage 2. PLC and important gateways for Trims 3. Identification of commodities for Trims	MODULE 2 - Plastics & Trims	
VIII	Design Requirements & Trim Materials	1. Vehicle Regulations 2. Automotive Safety 3. Design for Environment 4. Material Classifications, Selection criteria 5. Plastic Additives	MODULE 2 - Plastics & Trims	

IX	Design of Plastics & DFMEA	1. Plastics Part Overview 2. Plastics Part Design 3. Principles behind Engg. Plastics 4. DFMEA Objectives, Process & Benefits	MODULE 2 - Plastics & Trims	
X	Design Verification & CAE Analysis	1. Design Verification - CAE methods and Gateway supports 2. CAE Analysis - Moldflow of plastic parts, Crash & Durability	MODULE 2 - Plastics & Trims	XI	Manufacturing & Testing	1. Manufacturing Process 2. Test Validation & Assessment 3. Assembly Sequence	MODULE 2 - Plastics & Trims	
XII	Future Trends & Case Studies	1. Future Materials 2. Recycling 3. Light Weight Materials 4. Case Studies	MODULE 2 - Plastics & Trims

REPORT

The Department of Mechanical Engineering conducted **Hands-on Training on *ANSYS* from** Duration: 08th April 2024 to 08th May 2024 CLASS: T.Y.(MECH) DIV: A & B. The resource person for this training course was Mr. S.M. Khomane. In this course the student got the detail knowledge about ANSYS and its various applications in the field of Academics, Research & Industry. ANSYS with practical on Mechanical application have been covered in this certificate course. **Total 30 students of T. Y. Mechanical participated in this Training**. All the faculty members from Mechanical department worked actively for the successful completion of certificate course.

The Course outcomes for this course are:

1) Student got the knowledge about ANSYS whatis the new opportunity available for ANSYS.
2) Student understood the application of ANSYS.

RESOURCE PERSONS

The resource persons Mr. S.M. Khomane, Assistant Professor from SVERI's College of Engineering, Pandharpur.

MAJOR TOPICS

- Importance of ANSYS software.
- Basics Introduction of ANSYS and its Interfaces, Part Design, Assembly, Drafting, Sketcher, Drawings tools. Design
- ANSYS - Usage in Academics and Industries.
- Formulation of undergraduate/ post graduate and consultancy projects using the software.

ABOUT THE PROGRAM

This Hands on training on "ANSYS" is being organized by SVERI's College of Engineering, Pandharpur. with an objective to provide a golden opportunity to students to learn about ANSYS software and its various application in the field of academics, research & industry.

Syllabus for ANSYS

Total Duration: 40 Hours

Chapter 1: Introduction to CAE

Introduction to CAE
General working of FEA
Stiffness matrix
Boundary conditions
Elements and Element Shapes
General procedure to conduct FEA
FEA software
Key Assumptions in FEA
Types of Engineering Analysis
Important terms and definitions
Classification of materials

Chapter 2: Introduction to ANSYS Workbench

System requirements
Starting ANSYS Workbench
ANSYS Workbench
Working on a Project
Units in ANSYS Workbench
ANSYS Workbench Database and File format
Changing the unit system
Components of the system

Chapter 3: Sketching and Part Modeling in DesignModeler

Introduction to Modeling
Introduction to DesignModeler Window
Illustration 1: I-section
Illustration 2: Spring Plate
Illustration 3: Clamp

Chapter 4: Solid Modeling Fundamentals

Overview
Introduction
Extrusion

Revolution
Sweep
Sketching

Chapter 5: Placed Features and Assembly

Overview
Introduction
Adding a hole
Adding a round
Adding a chamfer
Patterns
Assembly
Alternate solid modeler
Session 3

Chapter 6: Modeling Techniques

Overview
Introduction
Parameters
Other CAD systems
Surface and Line models

Chapter 7: Defining Material Properties

Introduction to Engineering Workspace
Creating and Adding Materials
Assigning Material to the Beam
Assigning Material to the Clamp
Assigning Material to the Assembly

Chapter 8: Meshing

Introduction
Meshing of Plate with Holes
Generating the mesh, optimizing the model, and generating the local mesh (illustration through three examples)
Assembly Meshing
Session 5

Chapter 9: Static Structural Analysis

Introduction to Static Structural Analysis

Pre-processing
Solution
Post-processing
Static Structural Analysis of:
Cantilever Beam
Plate with a central circular hole
Plate with a square slot
Pressure vessel
Bracket
Clevis assembly

- Fundamentals of Java thread model, priorities, synchronization, messaging, thread class, Runnable interface.
- interthread Communication, suspending, resuming and stopping threads.
- Input/Output: Basics, Streams, Byte and Character stream, predefined streams, Reading and writing from console and files.
- Using Standard Java Packages (lang, util, io, net).

Session 8: **Hands on experience: Practical + Implementation**

Session 9: Event Handling

- Event Model, Event Classes, Event Listener Interfaces
- Adapter and Inner Classes
- Working with windows
- graphics and text,
- using AWT controls
- Layout managers and menus
- handling Image, animation, sound and video, Java Applet.
- JDBC: JDBC API, JDBC Drivers, Products, JDBC Design considerations, Basic steps to JDBC, setting up a connection to database, Creating and executing SQL statements.

Session 10: **Hands on experience: Practical + Implementation**

Department of Master of Computer Applications

Report On

Certificate Course On
Fundamental of Java Programming
A.Y. 2023-24
Duration – 04th November to 09th November 2023
Class: SY MCA

Objectives:

1. Gain a solid understanding of Java fundamentals, including syntax, data types, and control structures, to become proficient in Java programming.
2. Learn essential object-oriented programming concepts and techniques, enabling you to design and develop Java applications efficiently.
3. Develop problem-solving and algorithmic thinking skills by working on practical Java programming projects and exercises.
4. Explore Java's key libraries and tools, such as Java Standard Library and Integrated Development Environments (IDEs), to become proficient in building real-world Java applications.

Outcome:

1. Acquire a strong foundation in Java programming, enabling you to write and understand Java code effectively.
2. Master the principles of object-oriented programming, preparing you to design and build software using Java's OOP features.
3. Develop problem-solving skills by tackling real-world programming challenges and projects in Java.
4. Gain the ability to create and manipulate data structures in Java, vital for building efficient and scalable applications.
5. Learn to work with Java's Standard Library and external libraries, expanding your toolkit for software development.
6. Be prepared for further Java-related courses or certifications, setting the stage for advanced programming studies.
7. Enhance your employability with valuable skills for software development and programming roles in the technology industry.

Thanking You,

You're faithfully
