ABOUT THE INSTITUTE

Pandharpur is well known holy place for Lord Shri Vithal temple. It is recognized as Spiritual capital of Maharashtra and popularly known as 'South Kashi' of India. Shri Vithal Education and Research Institute (SVERI) is a charitable trust formed by devoted technocrats and established its first project as College of Engineering Pandharpur in 1998, approved by AICTE, New Delhi. It has been affiliated to Punyashlok Solapur University, Solapur. The Engineering College is ISO 9001:2015 Certified, accredited by Institute of Engineer (India) Kolkata, 'NAAC' and 'NBA'

ABOUT THE PROGRAM

To teach, we must know ourselves. Walking into the classroom each day is an enormous act of courage. To face the turbulent emotions, hormones, and disparate wants of dozens of students at once. To guide and nurture each one of these blossoming individuals while not losing oneself. How can we see to the heart of a student, guide them to find their path, face a conflict with compassion, or engage with students who are different from us if we don't know ourselves.
researchers stresses the importance of self-reflection in developing your own unique teaching style.For example, for developing your own individual style, one must ask yourself, "Are you fierce, funny, or gentle? Do you lecture, question, or coach

ABOUT THE INSTITUTE

Pandharpur is well known holy place for Lord Shri Vithal temple. It is recognized as Spiritual capital of Maharashtra and popularly known as 'South Kashi' of India. Shri Vithal Education and Research Institute (SVERI) is a charitable trust formed by devoted technocrats and established its first project as College of Engineering Pandharpur in 1998, approved by AICTE, New Delhi. It has been affiliated to Punyashlok Solapur University, Solapur. The Engineering College is ISO 9001:2015 Certified, accredited by Institute of Engineer (India) Kolkata, 'NAAC' and 'NBA'

ABOUT THE PROGRAM

NLP uses perceptual, behavioral, and communication techniques to make it easier for people to change their thoughts and actions.

NLP tries to detect and modify unconscious biases or limitations of an individual's map of the world it operates through the conscious use of language to bring about changes in someone's thoughts and behavior

NLP is used as a method of personal development through promoting skills, such as self-reflection, confidence, and communication.

Practitioners have applied NLP commercially to achieve work-orientated goals, such as improved productivity or job progression.

- FEA Methodology
- ANSYS APDL
- ANSYS Workbench
- Hypermesh

ABOUT THE PROGRAMME

A Short Term Training Program "FEA by using ANSYS and Hypermesh" is being organized by SVERI's College of Engineering, Pandharpur with an Objective to provide a golden opportunity of learning ANSYS and Hypermesh for faculties/students from educational/research institutions with industry technical experts. Audience will get exposure to basic methodology of FEA, hands on experience for ANSYS and Hypermesh. The program also tries to focus on solving of real life problems with ANSYS.

HOW TO REACH SVERI

The Nearest airport is Pune, Pandharpur buses are available from swargate and shivajinagar bus station of Pune. Pandharpur station is on central Railway, Miraj-Latur. Kurduwadi is main nearest junction from Pandharpur on main line. Pandharpur is just 72 Km from its district place, Solapur. Excellence Road conveyance makes you to reach Pandharpur comfortably.

ABOUT THE INSTITUTE

Pandharpur is well known holy place for Lord Shri Vithal temple and is recognized as Spiritual capital of Maharashtra and popularly known as 'South Kashi' of India. Shri Vithal Education and Research Institute (SVERI) is a charitable trust formed by devoted technocrats and established its first project as College of Engineering at Pandharpur in 1998, approved by AICTE, New Delhi. It has been affiliated to Solapur University, Solapur. The Engineering College was accredited by 'NBA' in 2009. The Engineering College is ISO 9001:2008 Certified, accredited by NAAC and Institute of Engineer (India), Kolkata and applied for re-accreditation of NBA.

ABOUT THE DEPARTMENT

The department of Mechanical Engineering was established in the year 1998. The department has 40 qualified and dedicated faculty members having specialization in various areas. Out of which four faculties are PhD holders and eight faculties are pursuing PhD. The department offers UG (Intake-120), PG (Intake-18), and PhD programs. The department is having good infrastructure with well-equipped state of art laboratories. Department possesses software's like CATIA, ANSYS, NASTRAN, COMSOL, etc. Research facilities in vibration, photochemical machining, composite materials, LASER machining are available.

ABOUT THE INSTITUTE

Pandharpur is well known holy place for Lord Shri Vithal temple. It is recognized as Spiritual capital of Maharashtra and popularly known as 'South Kashi' of India. Shri Vithal Education and Research Institute (SVERI) is a charitable trust formed by devoted technocrats and established its first project as College of Engineering Pandharpur in 1998, approved by AICTE, New Delhi. It has been affiliated to Punyashlok Solapur University, Solapur. The Engineering College is ISO 9001:2015 Certified, accredited by Institute of Engineer (India) Kolkata, 'NAAC' and 'NBA'

ABOUT THE PROGRAM

The skills needed for effective teaching involve more than just expertise in an academic field. You must be able to interact with people and help them understand a new way of looking at the world. This is not an easy job! Although there are many different ways to teach effectively, good instructors have several qualities in common. They are prepared, set clear and fair expectations, have a positive attitude, are patient with students, and assess their teaching on a regular basis. They are able to adjust their teaching strategies to fit both the students and the material, recognizing that different students learn in different ways

RESOURCE PERSONS

The resource persons include industry experts from Fluidyn Consultancy Pvt. Ltd. Banglore

- Dr. Anil Kumar K. R. (General Manager- Multi-Physics Solver Development)
- Mr. Subhash Shinde (Senior Support Engineer)
- Mr. Jignesh Chokshi (Research Engineer)

MAJOR TOPICS

- Fluidyn MP - CFD & Multiphysics Software (Geometry Modeling, Mesh Generation, Fluid Modeling: NS module)
- Heat Transfer Modeling: CHT (Conjugate Heat Transfer) Module.
- Structural Modeling: FSI (Fluid Structure Interaction) module.

ABOUT THE PROGRAM

A Short Term Training Program "Introduction to CFD and its Applications" is being organized by SVERI's College of Engineering, Pandharpur along with Fluidyn Consultancy Pvt. Ltd. Banglore with an Objective to provide a golden opportunity of learning CFD and Multi-Physics for faculties/students from educational research institutions. Participants will get exposure to basic methodology of Heat transfer modeling & Structural Modeling, hands on experience for CFD and Fluidyn Software.

HOW TO REACH SVERI

The Nearest airport is Pune. Buses to Pandharpur are available from Swargate and Shivajinagar bus stand of Pune. Pandharpur station is on central rail line, Miraj-Latur. Kurudwadi is nearest junction from Pandharpur on main rail line. Pandharpur is just 72 Km from its district place, Solapur.

ABOUT THE INSTITUTE

Pandharpur is well known holy place for Lord Shri Vithal temple. It is recognized as Spiritual capital of Maharashtra and popularly known as 'South Kashi' of India. Shri Vithal Education and Research Institute (SVERI) is a charitable trust formed by devoted technocrats and established its first project as College of Engineering Pandharpur in 1998, approved by AICTE, New Delhi. It has been affiliated to Solapur University, Solapur. The Engineering College is ISO 9001:2008 Certified, accredited by Institute of Engineer (India) Kolkata, 'NAAC' and its all programs are 'NBA' accredited.

ABOUT THE DEPARTMENT

The department of Mechanical Engineering was established in the year 1998. The department has 35 qualified and dedicated faculty members with the specialization in various areas. Out of that faculties, four are PhD holders and Eight faculties are pursuing PhD. The department offers UG (Intake-120), PG (Intake-18), and PhD programs. The department is well equipped with infrastructure and the state-of-art laboratories along with CAD/CAM/CAE softwares.

Pandharpur is well known holy place for Lord Shri Vithal temple. It is recognized as Spiritual capital of Maharashtra and popularly known as 'South Kashi' of India. Shri Vithal Education and Research Institute (SVERI) is a charitable trust formed by devoted technocrats and established its first project as College of Engineering Pandharpur in 1998, approved by AICTE, New Delhi. It has been affiliated to Solapur University, Solapur. The Engineering College is ISO 9001:2008 Certified, accredited by Institute of Engineer (India) Kolkata, 'NAAC' and its all programs are 'NBA' accredited.

ABOUT THE DEPARTMENT

The department of Mechanical Engineering was established in the year 1998. The department has 35 qualified and dedicated faculty members with the specialization in various areas. Out of that faculties, four are PhD holders and Eight faculties are pursuing PhD. The department offers UG (Intake-120), PG (Intake-18), and PhD programs. The department is well equipped with infrastructure and the state-of-art laboratories along with CAD/CAM/CAE softwares.

1. Dr. Anil Kumar K. R. (Chief Manager- Multi-Physics Solver Development)
2. Mr. Subhash Shinde (Senior Support Engineer)
3. Mr. Jignesh Chokshi (Research Engineer)

MAJOR TOPICS

- Basics of Fluid Mechanics and Heat Transfer for understanding CFD terminology.
- Importance of Fluidyn Multiphysics software.
- Fluidyn MP - Usage in Academics and Industries.
- Formulation of undergraduate/ post graduate and consultancy projects using the software.

ABOUT THE PROGRAM

This one day workshop on "Computational Fluid Dynamics" is being organized by SVERI's College of Engineering, Pandharpur & Fluidyn Consultancy Pvt. Ltd., Banglore in association with IE(I), Kolkata, SLC with an objective to provide a golden opportunity to learn CFD and Multi-Physics for faculties/students from educational/research institutions as well as to industry persons.

HOW TO REACH SVERI

The Nearest airport is Pune. Buses to Pandharpur are available from Swargate and Shivajinagar bus stand of Pune. Pandharpur station is on central rail line, Miraj-Latur. Kurudwadi is nearest junction from Pandharpur on main rail line. Pandharpur is just 72 Km from its district place Solapur.

Report of One-Day Workshop

Brief Details about the Programme:

Mechanical Engineering Department of SVERI's College of Engineering along with Fluidyn Consultancy Pvt. Ltd., Bangalore in association with IE(I), Kolkata, Solapur Local Center had organized one day workshop on "Computational Fluid Dynamics" on 12th June 2017 at SVERI's College of Engineering, Pandharpur. For this workshop total number of participant was Forty Six (46) from all over Maharashtra.

The workshop was inaugurated by the hands of Hon. Mr. Suhas Markandeya (Consultant, Fluidyn Consultancy Pvt. Ltd., Bengalore & Secretary RGSTC, India.). The function was graced by the presence of Dr. Anil Kumar (Chief Manager, Solver Department, Fluidyn Consultancy Pvt. Ltd., Bengalore), Mr. Abhishek Sinha (Business Development, Fluidyn Consultancy Pvt. Ltd., Bengalore), Mr. Subhash Shinde (Senior Support Engg., Fluidyn Consultancy Pvt. Ltd., Bengalore), Mr. Jignesh Chokshi (Research Engg., Fluidyn Consultancy Pvt. Ltd., Bengalore), Dr. B. P. Ronge (Chairman-IEI-SLC, Principal, SVERI"s COE, Pandharpur), Dr. P. M. Pawar (Member-IEI, Dean Academics, SVERI"s COE, Pandharpur), Prof. N. D. Misal (Member-IEI, Vice-Principal, SVERI"s COE, Pandharpur), Prof. S. R. Gavali (Member-IEI, Dean Students', SVERI"s COE, Pandharpur), Dr. P. S. Kachare (Member-IEI, Head, Mechanical Engineering Department). Hon. Principal, Dr. B. P. Ronge had appreciated the initiative of arranging this workshop and introduced about the career perspective in the field of Computational Fluid Dynamics.

The resourse person Mr. Subhash D. Shinde had discussed about Basics of Fluid Mechanics and Heat Transfer for understanding CFD terminology. He also introduced about Fluidyn Software to solve academic, industrial and research related problems. Another resource person Dr. Anil Kumar had briefly explained about importance of Fluidyn Multiphysics software in various industrial sectors. Also he focused on usage of Fluidyn MP in Academic and Industrial sector. At the end Mr. Abhishek Sinha had explained about formulation of undergraduate/ post graduate and consultancy projects by using the Fluidyn-MP software.

During the panel discussion Hon. Mr. Suhas Markandeya, Dr. Anil Kumar, Mr. Subhash Shinde, had satisfied the quires from the participant. At the end Dr. P. S. Kachare (H.O.D. Mechanical Engg.) expressed the vote of thanks.

Details of the Sessions:

Day-1 (Forenoon) **Inaugural Session** Inaugural programme, Two invited lectures	1. Lecture by: Mr. Suhas Markandeya Topic: Introduction to Fluidyn-MP software & its usage in academic, Industrial and Research Purpose. 2. Lecture by: Mr. Subhash D. Shinde. Topic: Basics of Fluid Mechanics and Heat Transfer for understanding CFD terminology.
Day-1 (Afternoon) **Technical Session I** Minimum 3 papers or two invited lectures / presentations	1. Lecture by: Dr. Anil Kumar Topic: Importance of Fluidyn MP software in various industrial sectors. Fluidyn MP - Usage in Academic and Industries. 2. Lecture by: Mr. Abhishek Sinha Topic: Formulation of undergraduate/ post graduate and consultancy projects using the Fluidyn-MP software. Panel Discussion: Hon. Mr. Suhas Markandeya, Dr. Anil Kumar, Mr. Subhash Shinde, Mr. Abhishek Sinha Topic: Quires from the participants.

ABOUT THE INSTITUTE

Pandharpur is well known holy place for Lord Shri Vithal temple. It is recognized as Spiritual capital of Maharashtra and popularly known as 'South Kashi' of India. Shri Vithal Education and Research Institute (SVERI) is a charitable trust formed by devoted technocrats and established its first project as College of Engineering Pandharpur in 1998, approved by AICTE, New Delhi. It has been affiliated to Punyashlok Solapur University, Solapur. The Engineering College is ISO 9001:2015 Certified, accredited by Institute of Engineer (India) Kolkata, 'NAAC' and 'NBA'

ABOUT THE PROGRAM

A short meditation practice can help you calm your nerves before a big meeting or event. It can help assuage doubts and ground you into the present moment, which is where you are alive, after all. However, it can often be difficult to detach yourself while guiding your own meditation, which is where the following scripts can help. You can either use this in a class or meditation group, or you can record them for yourself and use them when you need to calm down. Mr. Kamlesh D. Patel, spiritual guide and global head teacher of Heartfulness Meditation.

Report of One-Day Seminar/Workshop

Brief Details about the Programme:

Department of Mechanical Engineering, SVERI's College of Engineering, Pandharpur with collaboration of Institution of Engineers (India) Solapur local centre (IEI-SLC) organized a One Day Workshop on **"Hand-on Advanced Manufacturing Processes"** on 15th October 2017 at SVERI's College of Engineering, Pandharpur. For this workshop total number of participants registered was 40 from Solapur district.

The Workshop was inaugurated by Dr. Dinesh Singh G. Thakur from Defense Institute of Advanced Technology, Pune

The inaugural Function was graced by the Presence of Dr. A. A. Utpat (Dean Admission) Dr. P. S. Kachare (Head, Mech. Engg. Dept.) Dr. D. G. Thakur (DAIT, Pune), Prof. S. N. Kulkarni (Vice-Principal SVERI COE), Prof. N. D. Misal (Principal SVERI COE (Poly)), Dr. P. M. Pawar (Dean R & D and Academics) , Prof. S. R. Gavali (Dean Students). Mr. Y. M. Khedkar (Assist. Prof. in Mech. Engg. Dept) introduced about the Chief Guest Dr. Dinesh Singh G. Thakur Dr. P. M. Pawar (Dean R & D and Academics) given the overview of workshop. Mr. Y. M. Khedkar (Assist. Prof. in Mech. Engg. Dept) expressed the vote of thanks of inaugural function.

Session I: Time 11.00 am to 1.00 pm

Resource person **Dr. D. G. Thakur** (Defense Institute of Advanced Technology, Pune.) discussed about Challenges in Micro Machining. He explained about different ways of Fabrication, need of miniaturization, designer's requirement for components. Also, he briefed about need for Micromachining with different industrial applications followed by Micro fabrication with its different types. He focused on key aspects in Micromachining and machine tools with micromachining capability.

Session II: Time 2.00 pm to 4.00 pm

The Resource Person Prof. N. D. Misal (Principal SVERI COE (Poly)) discussed about Photochemical Machining. He explained briefly about key parameters in photochemical machining along with its industrial and business applications.

Session III: Time 4.00 pm to 5.00 pm

In the third session, the Hands on Advanced Manufacturing Processes like LASER machining, Micro machining and Photochemical Machining has been carried out by Prof. A. K. Parkhe, Prof. R. B. Kapurkar and Prof. S. S. Wangikar respectively.

In the valedictory function participants expressed their experiences regarding the different sessions & also about the overall workshop. Certificates were distributed to the participants by resource persons. Dr. A. A. Utpat (Dean Admission) proposed the vote of thanks & the programme was concluded.

Dear Sir,

On behalf of the Department of Mechanical Engineering, SVERI's College of Engineering, Pandharpur; we wish to thank you for the invaluable contribution you made by being present & guiding us for our One Day Workshop on **"Hands on Advanced Manufacturing Processes"** on 15th October 2017.

We appreciate the time you took out of your busy schedule to join us and thank you for sharing your insights and expertise with our attendees.

Again, many thanks for your time and effort.

Title-: One week STTP on "Introduction to FFT Analyzer and its Application for Industrial Consultancy

Department of Mechanical Engineering, SVERI's College of Engineering, Pandharpur has organized a One week STTP on "Introduction to FFT Analyzer and its Application for Industrial Consultancy" from 11th to 16th Dec. 2017 at SVERI's College of Engineering, Pandharpur. For this workshop total number of participants registered was 30 from all over the Maharashtra. The Workshop was inaugurated by Prof. Dr. S. P. Chavan, ADCET, Ashta. The inaugural Function was graced by the Presence of Dr. P. S. Kachare (Head, Mech. Engg. Dept. and convener of STTP) Dr. S. P. Chavan (ADCET, Ashta), Mr. S. Y. Salunkhe. (Assist. Prof. in Mech. Engg. Dept and co-convener STTP)). Mr. Y. M. Khedkar (Assist. Prof. in Mech. Engg. Dept) introduced about the Chief Guest. Prof. Dr. S. P. Chavan gave the importance of fetching industrial consultancy to the college. Prof. Dr. P. S. Kachare (Head, Mech. Engg. Dept.) expressed the vote of thanks of inaugural function. Prof. Dr. S. P. Chavan conducted six sections with hands on experience on FFT analyzer. Mr. Sai Sekhar (Director Monitoring Technologies, Chennai), Prof. Dr. R. G. Desawale (RIT Sakharale) and Prof. Dr. S. S. Kadam (Wonder Consultancy Services, Pune) where the speakers for other sections.

RESOURCE PERSONS

The resource persons include industry experts and academicians who are involve in consultancy:
1. Dr. S. P. Chavan (Professor, ADCE, Ashta.)
2. Prof. Jeevan Kumbhar (Asst. Prof. RIT, Sakharale)
3. Mr.

MAJOR TOPICS

- Basics and Application of Vibration Analysis
- Fault Diagnosis using Vibration Analysis
- Use of FFT analyzer to analysis of Rotating Machineries.
- Modal Analysis Using FFT analyzer.
- Hands on Training: Use of FFT analyzer for Modal

ABOUT THE PROGRAM

FFT Analyzer and its Application for Industrial Consultancy a" is being organized by SVERI's College of Engineering, Pandharpur, with an objective to provide a golden opportunity to learn use of FFT analyzer with its different modules in work and fetch the consultancy in the field of vibration for educational/research institutions as well as to industry persons.

HOW TO REACH SVERI

are available from Yashgaon and Shivajinagar bus stand of Pune. Pandharpur station is on central rail line, Miraj-Lonand Kurduwadi is nearest junction from Pandharpur on main rail line. Pandharpur is just 72 Km from its district place Solapur.

COLLEGE OF ENGINEERING

ABOUT THE INSTITUTE

Pandharpur is well known holy place for Lord Shri Vithal temple. It is recognized as Spiritual capital of Maharashtra and popularly known as "South Kashi" of India. Shri Vithal Education and Research Institute (SVERI) is a charitable trust formed by devoted technocrats and established its first project as College of Engineering Pandharpur in 1998, approved by AICTE, New Delhi. It has been affiliated to Solapur University, Solapur. The Engineering College is ISO 9001:2015 Certified, accredited by Institute of Engineer (India) Kolkata, 'NAAC' and its all programs are 'NBA' accredited.

ABOUT THE DEPARTMENT

The department of Mechanical Engineering was established in the year 1998. The department has 35 qualified and dedicated faculty members with the specialization in various areas. Out of that faculties, four are PhD holders and Eight faculties are pursuing PhD. The department offers UG (Intake-120), PG (Intake-18), and PhD programs. The department is well equipped with infrastructure and the state-of-art laboratories along with CAD/CAM/CAE softwares.

About STTP

In today's era our prosperity depends on Electronics and telecommunication Engineering. Electronic Product Design and Engineering focuses on high-end topics in Electronics engineering .

Electronic product design, development, and prototyping service will enable you to transform your product idea from initial concept to production-ready design .

Product design process, the set of strategic and tactical activities, from idea generation to commercialization, used to create a product design. In a systematic approach, product designers conceptualize and evaluate ideas, turning them into tangible inventions and products. The product designer's role is to combine art, science, and technology to create new products that people can use. The Workshop covers all major aspects of developing and engineering innovative electronics products. The Workshop is based on an advanced educational framework that emphasizes hands-on experience by means of practical material and projects.

About Institute

Pandharpur is well known holy place where Lord Shri Vithal Temple is located on bank of the river Chandrabhaga. It is recognized as spiritual capital of Maharashtra and popularly known as "South Kashi" of India. Shri Vithal Education and Research Institute (SVERI), a Charitable trust formed by devoted technocrats, established its first Project, the SVERI's College of Engineering, Pandharpur in 1998, which is approved by AICTE, New Delhi. It has been affiliated to Solapur University, Solapur. All UG courses are accredited by "NBA", New Delhi, second time for the period of 2017-2020.Insititute is also accredited by NACC and certified ISO 9001:2000.

About the Department

The Department Electronics & Telecommunication engineering was established in the year 1998 and is NBA accredited. The department has 36 Qualified and Dedicated Faculty members with the specialization in various areas. Department of E&TC has UG(Intake-120), PG (Intake-18) and Ph.D. programs.

Department Vision

To be nationally recognized for excellence in education synergized with research in the field of Electronics and Telecommunication Engineering

Department Mission

To impart value based technical education by maintaining mutual respect and imbibing culture of research, innovation and team work

Subject: Invitation as a speaker for five days STTP on "Utilization of scientific Techniques of Water Resource Engineering to Jalyukt Shivar Abhiyaan" (5th - 9th Dec 2017)

Respected Sir,

We are organizing a five days STTP on" Utilization of scientific Techniques of Water Resource Engineering to Jalyukt Shivar Abhiyaan" (5th - 9th Dec 2017). Through this STTP, we are planning to provide training of techniques of Water Resources Engineering related Jalyukt Shivar Abhiyan to the faculty members of various engineering and polytechnic colleges.

With immense pleasure, we would like to invites you as a resource person for the event. Please accept our invitation and guide our faculty members on above mentioned topic. We are sure that your guiding words will give dynamic energy in the endeavor of developmental process of our faculties to shape the students.

Thanking you,

Yours faithfully,

(Prof.M. M. Pawar)

ABOUT PANDHARPUR

Pandharpur is well-known holy place where Lord Shri Vithal temple is located on the bank of the river Chandrabhaga where large number of devotees visits frequently. It is recognized Spiritual capital of Maharashtra and popularly known as 'South Kashi' of India.

ABOUT SVERI's COE

SVERI, a Charitable Trust, embarked on its first ambitious project and established Engineering, College at Pandharpur with approval from All India Council for Technical Education (AICTE), New Delhi and Government of Maharashtra. The Engineering College is an A grade institution An ISO 9001:2008 certified Institution and is accredited by the Institution of Engineers (India), Kolkata. College is second time accredited by National Board of Accreditation (NBA) **(All the UG programs are NBA Accredited upto JUNE 2020).** To continue with developmental process, SVERI has started B. Pharmacy and D. Pharmacy courses from the academic year 2006-07 and Diploma in Engineering (Polytechnic) from the academic year 2008-09. At present, SVERI has focused its activities in rural area and as on today these Professional Colleges under its umbrella providing education to around 4000 students in its Gopalpur Campus. SVERI, College of Engineering has four UG, four PG and three doctorate labs under Solapur University, Solapur. Institute faculty members are actively involved in research activities funded by AICTE, DST, AR&DB, BARC, RGSTC, and also collaborative research activities with industry and research organization like BARC, RRCAT, CDAC, MKCL, IIT Bombay, etc.

ABOUT DEPARTMENT

The Department of Civil Engineering with its multifaceted faculties maintains and cultivates its strong link with the infrastructural industry, academic and research institution. The faculty of department continues to strive excellence by exploring new frontiers of knowledge imparting the latest technical knowledge to the students.
VISION: To provide excellence in education, research, public service with necessary knowledge, skills and personality.
MISSION: To Promote quality education and research and to encourage student to pursue higher education.

Subject:- Invitation as a Speaker for national level six days AICTE-ISTE sponsored induction/refresher programme On **"Advanced Structural Dynamic Analysis and Its Applications to Civil Engineering" (04th -09th June, 2018)** .

Respected sir,

We are organizing a national level six days AICTE-ISTE sponsored induction/refresher programme On **"Advanced Structural Dynamic Analysis and Its Applications to Civil Engineering" (04th -09th June, 2018)**. In this workshop the participants are expected to learn fundamentals of dynamic analysis based design philosophies, design of structures under earthquake or wind loading and some of the advanced topics in dynamic analysis based civil engineering problems.

I would like to request you to accept our invitation as speaker and communicate your convenient dates along with tentative topics of the talk.

I would also like to request you to send the PPT & other relevant material required for making booklet which will be provided to the participants. Also send your travel and accommodation related requirements.

Thanking You,

Yours sincerely

Report of One-Day Seminar/Workshop

Brief Details about the Programme:

Department of Mechanical Engineering, SVERI's College of Engineering, Pandharpur with collaboration of Solapur University, Solapur organized a One Day Workshop on "**Application of Advanced Optimization Techniques in the Field of Mechanical Engineering**" on 26th October 2018 at SVERI's College of Engineering, Pandharpur. For this workshop total number of participants registered was 50 from Maharashtra.

The Workshop was inaugurated by Senior Manager Mr. Kaustubh S. Dixit from Eaton Technologies Pvt. Ltd., Pune

The inaugural Function was graced by the Presence of Dr. B. P. Ronge (Principal) Prof. S. N. Kulkarni (Vice-Principal) Dr. A. A. Utpat (Dean Students) Dr. R. R. Gidde (Dean Administration) Dr. M. M. Patil (Dean R & D) Prof. S. R. Gavali (Head, Mech. Engg. Dept.) Mr. K. S. Dixit (Eaton Technologies Pvt. Ltd., Pune), Prof. N. D. Misal (Principal SVERI COE (Poly). Mr. D. T. Kashid (Assist. Prof. in Mech. Engg. Dept) introduced about the Chief Guest Mr. K. S. Dixit. Prof. S. R. Gavali (Head, Mech. Engg. Dept.) given the overview of workshop. Mr. S. Y. Salunkhe (Assist. Prof. in Mech. Engg. Dept) expressed the vote of thanks of inaugural function.

Session I: Time 11.00 am to 3.00 pm

Resource person **Mr. K. S. Dixit** (Senior Manager, Eaton Technologies Pvt. Ltd., Pune.) discussed about Challenges in Optimization. He explained about different ways of optimization, need of optimization. Also, he briefed about need for optimization with different industrial applications.. He focused on key aspects in optimization.

Session II: Time 4.00 pm to 5.00 pm

The Resource Person Prof. S. B. Bhosale (Assist. Prof. in Mech. Engg. Dept) discussed about different methods of optimization. He explained briefly about key parameters in optimization along with its industrial and business applications.

Session III: Time 5.00 pm to 6.00 pm

The Resource Person Dr. A. B. Shinde (Assist. Prof. in Mech. Engg. Dept) discussed about COMSOL Software. He explained briefly about key parameters in COMSOL Software along with its industrial and business applications.

In the valedictory function participants expressed their experiences regarding the different sessions & also about the overall workshop. Certificates were distributed to the participants by Dr. P. S. Kachare, Prof. S. R. Gavali, and Prof. S. S. Jadhav. Prof. L. B. Raut proposed the vote of thanks & the programme was concluded.

About The Institute

Shri Vithal Education and Research Institute (SVERI), a Charitable Trust formed by devoted technocrats, established its first project, College of Engineering, Pandharpur in 1998 with approval from AICTE, New Delhi and Government of Maharashtra. All UG eligible courses of our college are accredited by NBA. The Engineering College is accredited by NAAC, TCS, The Institution of Engineers (India), Kolkata and is also ISO 9001:2015 Certified. To continue with the developmental process, the trust has started College of Pharmacy and College of Pharmacy (Poly.) from academic year 2006-07 and also College of Engineering (Poly.) from the academic year 2008-09. The college administration is striving hard to provide the best facilities to the students along with the quality education. Every year our students are grabbing 10-12 University ranks. Campus placement rate of our college is also very high.

About the Workshop

The purpose of the one day workshop is to offers a practical platform for researchers from the Applications of Advanced Optimization Techniques in the Field of Mechanical Engineering.

In the first session, the expert talk on Applications of Advanced Optimization Techniques has scheduled.

The Resource person Mr. K. S. Dixit is a renowned personality having 15 years' experience in Design and Analysis in various Mechanical Applications. He is working as Senior Manager in Eaton Technologies Pvt.Ltd, Pune.

The second resource person, Dr. A. B. Shinde has 08 years' experience in Micro fluidics, Tribology & Rheology.

The third resource person, Mr. S. B. Bhosale has 12 years' experience advanced manufacturing processes like USM, EDM, Micro Machining, composite and Optimization techniques.

In the second session, the experts talk is on Optimization using COMSOL Multiphysics Software.

The main focus of workshop is to give theoretical exposure and mould their career in the field of Mechanical Engineering using advanced optimization techniques.

How to reach?

Pandharpur Station is on Central Railway line, on the Miraj-Latur main line. From Kurduwadi, it is at just 40 km. Also, Pandharpur is 72 km from its District Solapur, Hyderabad and Mumbai-Bangalore Broad gauge railway line. The road conveyance makes us to reach comfortably.

ABOUT THE INSTITUTE

Pandharpur is well known holy place for Lord Shri Vithal temple. It is recognized as Spiritual capital of Maharashtra and popularly known as 'South Kashi' of India. Shri Vithal Education and Research Institute (SVERI) is a charitable trust formed by devoted technocrats and established its first project as College of Engineering Pandharpur in 1998, approved by AICTE, New Delhi. It has been affiliated to Punyashlok Solapur University, Solapur. The Engineering College is ISO 9001:2015 Certified, accredited by Institute of Engineer (India) Kolkata, 'NAAC' and 'NBA'

ABOUT THE PROGRAM

As a teacher, you are a role model who sets the tone for the class.
If you are able to show enthusiasm and commitment, your students are more likely to reciprocate. Conversely, when you are negative, unprepared, or impatient, these qualities will be reflected in the attitudes of your students. Undergraduate students have high expectations of their instructors, and they also have many competing interests beyond the course you are teaching. Give them a reason to remember your class as an important part of their college experience!

A Brief Report on

AICTE sponsored one Week Short Term Training Program (STTP)

Event Details: AICTE sponsored one Week Short Term Training Program (STTP) on "Blockchain in DevOps: Implementing Transparent Continuous Delivery".

AICTE References

1. **AICTE STTP Sanction letter reference number:** Ref. No. 34-65/8/RIFD/STTP/Policy-1/2018-19
2. **Revised letter Eg1-information of AICTE approved institutes which have received grants for conducting STTPs/FDPs under AQIS 2018-19 on 25th June 2020.**

Mode

STTP conducted online mode through Google meet in three (03) Slots.

Objectives

1. To develop the research based activities in DevOps & Blockchain to address gaps recognized through the project based learning.
2. To provide better understanding of the function of Blockchain & DevOps as a method of securing distributed ledgers ,how consensus on their contents is achieved, and the new applications that they enable
3. It covers the technological underpinnings of Blockchain operations as distributed data structures and decision making systems, their functionality and different architecture types.
4. To Understand SDLC with DevOps.
5. It provides a critical evaluation of existing "smart contract" capabilities and platforms, and examines their future directions, opportunities, risks and challenges.

Why Blockchain in DevOps?
To increase business agility, most companies are adopting Bimodal DevOps processes.Almost uniformly, all of them are finding it difficult to delegate duties. At present, Segregation of Duties (SoD) policies are one of the key obstacles to faster transformation. Due to blockchains' intrinsic traits, Bi-modal DevOps processes implemented on a blockchain will inherently enable a transparent SoD compliance, increasing an organization's delivery efficiency and agility.

Blockchain -a peer to peer network that sits on top of e internet -was introduced in October 2008 as part of a oposal for Bitcoin. DevOps is a culture that emphasizes llaboration and communication between Development td operations team. This would make software delivery ore transparent, which would in turn improve software ality and reliability. Application delivery status and formation about software problems could be viewed stantly by anyone over the blockchain, providing a nch greater deal of visibility into the continuous livery process.

Objectives:
1.To understand the structure of a Blockchain and why/when it is better than a simple distributed database.
2.To analyze the incentive structure in a Blockchain based system and critically assess its functions, benefits and vulnerabilities.
3.To understand the benefits of DevOps to the business and IT operations.
4.To be able to understand the automation practices in deployment pipelins.
5.To implement DevOps in Blockchain apps.
6.To experience Hands-on session and create an end-to-end business flow.

Outcomes:
1.Process the In-demand market skills to play an active role in Blockchain revolution.
2.Understand the key features, different types of platforms and languages of Blockchain technology.
3.Know how to launch Blockchain in single node.

ABOUT US

Shri Vitthal Education and Research Institute, a charitable trust, embarked on its first ambitious project and established an Engineering College at Pandharpur with the approval from AICTE, New Delhi and Government of Maharashtra. The engineering College is an A grade institution and accredited by NBA, an ISO certified Institution and is accredited by Institution of Engineers (India), Kolkata.

To continue with the development process, SVERI has started B-Pharmacy and D-Pharmacy coerces from the academic year 2006-07 and College of Engineering Polytechnic from the academic year 2008-09. SVERI's College of Pharmacy & Polytechnic is accredited by NBA in year 2019-20.

Salient Features

- Tradition of maintaining excellent results with many University rank holders.
- Enterprising faculty members with doctorate and master degree.
- Excellent Academic discipline and regular interaction with Parents.
- Financial support is given to students (Earn and Learn Scheme)
- SVERI campus is with NKN facility.
- Digital library with eBooks and e-journals from IEEE and ASME.
- College has 90+ percentage of placement in reputed companies.

ABOUT DEPARTMENT:

Computer Science and Engineering Department is well equipped with high speed computers with latest operating system such as Windows, Ubuntu. Department has 7 labs along with 300+ computers and all the laboratories are connected with high speed LAN having 1GBps leased line for uninterrupted internet Facility. The HP and Dell Power Edge server with Xeon Processor and hot swap SCSI drive servers are available for different type of online and offline services. CSE department has 95+ percentage of Placement record for last academic year.

Along with all the required facilities, we have also made available the major software's such as Oracle, MS SQL Server, Visual Studio.NET, Novell Netware. Our Department Library includes various manuals and special books on computer science, and latest GATE books which helps students and faculties for day-to-day referencing

Dr.Somnath B.Thigale
M.No. +91-9970158565
Email id: sbthigale@coe.sveri.ac.in

Outcomes:

1. All participant's learned basics about DevOps, Blockchain Technology.
2. Hands on exposure with DevOps & BCT an emerging technology.
3. Exposure about International Hackthon from Bitcoin Bay, Canada.
4. Signed MoU between SVERI & Fintech Canada.

Learning for the organizing such events in future:

- This STTP Program has opened new paths for faculty to investigate innovative ways to assess the emerging trends in Technology in dynamic and collaborative setting.
- Organizing such programs is an essential step to achieve new targets & make a mark in the Technological Research at a Global level.
- This STTP Program has shown higher horizons in the field of Research with BCT & DevOps.

SWOT Analysis:

Sr. No.	Strength	Weakness	Opportunity	Threat
1	Arranged the program successfully. Shows leadership qualities, managerial skills and team work of FDP team.	--	The videos can be used to conduct institute FDP to understand DevOps, Blockchain Technology.	Due to parallel activity all faculty members couldnot attend the program.
2	Effective Delivery of all sessions.	--	For all the faculty members to understand the practical implementation of various technical aspects in the SDLC with DevOps, Use of BCT.	Less number of interactive sessions from participation.
3	The theme for the program was already conveyed to all resourse persons and they also focus on the same.	--	The course was focused to so very good material is created related to theme which can be used in future.	--
4	Time management was very good. All sessions were conducted as per schedule.	--	--	--
5.	Theme of the program was new and was not covered before.	--	Since the theme was new we can upload the videos of the program on YOUTUBE.	Getting the speakers on the theme was difficult as the topic was new.
6.	All sessions were conducted by experts from India and Canada.	--	--	--

Khedkar (Assist. Prof. in Mech. Engg.Dept) expressed the vote of thanks of inaugural function. Resource person Dr. D. G. Thakur (Defense Institute of Advanced Technology, Pune.) discussed about Research opportunities and chanenges in manufacturing sector. He explained about different ways of Fabrication, need of miniaturization, designer's requirement for components. Also, he briefed about need for Micromachining with different industrial applications followed by Micro fabrication with its different types. He focused on key aspects in Micromachining and machine tools with micromachining capability.

In the valedictory function participants expressed their experiences regarding the different sessions & also about the overall workshop. Certificates were distributed to the participants and Dr. A. A. Utpat (Dean Admission) proposed the vote of thanks & the programme was concluded.

Title -: Six Days Training Program on CATIA

Six Days Training Program on CATIA was organized by Mechanical Engineering Department on 16th Dec to 21st Dec, 2019. Prof. S.M. Khomane, Prof.C.C.Jadhav From SVERI'S College of Engg. Pandharpur were speakers for the STTP. Organizing secretary was Dr. S. S.Wangikar and convener was Prof. S. M. Khomane. This STTP is totally having hands on experience with CATIA software. 36 Faculties from various colleges were participated in this STTP.

RESOURCE PERSONS

The resource persons include industry experts and Academicians who are involve in consultancy.
1. Prof. S. M. Khomane (Professor SVERI'S Pandharpur.)
2. Prof. C.C.Jadhav (Asst. Prof. SVERI'S Pandharpur)

MAJOR TOPICS

- Basics and Application of CATIA
- Fault Diagnosis using Vibration Analysis
- Use of CATIA analysis
- Modal Analysis by Using CATIA
- Hands on Training

ABOUT THE PROGRAM

This one week training on "Introduction to CATIA Analysis and its Application for Industrial Consultancy s" is being organized by SVERI's College of Engineering, Pandharpur, with an objective to provide a golden opportunity to learn use of CATIA analysis with its different modules to work and fetch the consultancy in the field of vibration for educational/research institutions as well as to industry persons.

HOW TO REACH SVERI

The Nearest airport is Pune. Buses to Pandharpur are available from Swargate and Shivajinagar bus stand of Pune. Pandharpur station is on central rail line, Miraj-Latur. Kurduwadi is nearest junction

ABOUT THE INSTITUTE

Pandharpur is well known holy place for Lord Shri Vithal temple. It is recognized as Spiritual capital of Maharashtra and popularly known as 'South Kashi' of India. Shri Vithal Education and Research Institute (SVERI) is a charitable trust formed by devoted technocrats and established its first project as College of Engineering Pandharpur in 1998, approved by AICTE, New Delhi. It has been affiliated to Punyashlok Solapur University, Solapur. The Engineering College is ISO 9001:2015 Certified, accredited by Institute of Engineer (India) Kolkata, 'NAAC' and 'NBA'

ABOUT THE PROGRAM

Today's learner is unlike the learner of the past generation who enjoyed and learnt best by listening. They want to be involved in the learning process instead of just listening and behaving like sponges.
In order that they are involved in the learning process it is essential for the teacher to understand how he / she can best understand the diverse ways in which learners demonstrate their intellectual ability other than the conventional ways of linguistic and mathematical abilities. Also, the teacher today has to comprehend that each learner in his/her class is at different learning levels i.e., while some learners enjoy and / or are quick to comprehend difficult and complex subject ideas others may take time and/or not enjoy the same levels of subject complexities.
