Notice

All the students and staff members of Mechanical Engineering department are hereby informed to note that, the **Mechanical Engineering Student Association (MESA)** has planned to Visit "**Matoshree Vrudhashram**" on 10th Feb. 2024.

Vrudhashram plays a vital role in providing care and support for the elderly population, promoting their health, well-being, and dignity. By addressing challenges, embracing innovation, and fostering community collaboration, Vrudhashram can continue to fulfill its mission and make a meaningful difference in the lives of elderly individuals and their families.

So, all the students and staff members of Mechanical Engineering department are here by informed to contribute as you wish for her better life.

All the concerned should note the above and act accordingly.

Visit to “Matoshri Vruddhashram” on 10th Feb. 2024 at Gopalpur

Old age homes operated by non-governmental organizations (NGOs) play a crucial role in providing care and support to elderly individuals who may lack familial or financial resources. These institutions serve as sanctuaries for seniors, offering not just shelter but also companionship, medical care, and emotional support. In this report, we delve into the operations, significance, and impact of an Old Age Home NGO, highlighting its multifaceted contributions to society.

Mission and Objectives:

The primary mission of the Old Age Home NGO is to enhance the quality of life for senior citizens by providing them with a safe, comfortable, and nurturing environment. The NGO aims

to address the physical, emotional, and social needs of elderly individuals who may be marginalized or neglected in society. Key objectives include:

Providing residential accommodation with basic amenities.

Offering healthcare services including medical check-ups, medication management, and access to healthcare professionals.

Organizing recreational activities, social events, and cultural programs to foster a sense of community and belonging.

Facilitating emotional support and counseling for seniors facing loneliness, depression, or emotional distress.

Advocating for the rights and welfare of elderly individuals within the broader community.

Services Offered:

The Old Age Home NGO offers a comprehensive range of services tailored to meet the diverse needs of its residents. These services include:

Accommodation: Furnished rooms or dormitories equipped with basic facilities such as bedding, sanitation, and ventilation.

Meals: Nutritious and balanced meals served regularly to ensure adequate nutrition and dietary requirements are met.

Healthcare: Regular health check-ups, medication management, and access to healthcare professionals for medical consultations and treatments.

Recreational Activities: Engaging recreational programs such as yoga, art classes, music therapy, and group outings to promote physical and mental well-being.

Social Support: Peer support groups, counseling sessions, and social events to combat loneliness, isolation, and mental health issues.

Legal Aid: Assistance with legal matters related to pensions, property rights, wills, and other legal concerns affecting seniors.

Advocacy: Raising awareness about elder abuse, discrimination, and rights violations through community outreach, education, and advocacy campaigns.

Impact and Significance:

The Old Age Home NGO plays a vital role in addressing the social and humanitarian needs of elderly individuals, particularly those who are marginalized or disadvantaged. By providing a caring and supportive environment, the NGO enables seniors to live with dignity, respect, and autonomy in their later years. Some key impacts and significance of the NGO include:

Improving Quality of Life: The Old Age Home NGO enhances the overall quality of life for seniors by meeting their physical, emotional, and social needs, thereby promoting health and well-being.

Preventing Elder Abuse: By offering a safe and secure living environment, the NGO helps protect seniors from abuse, neglect, and exploitation, ensuring their safety and security.

Fostering Social Inclusion: Through community engagement and social activities, the NGO combats social isolation and promotes social connections, friendship, and a sense of belonging among seniors.

Empowering Seniors: The NGO empowers elderly individuals by providing them with access to information, resources, and support services, enabling them to make informed decisions and exercise their rights.

Advocating for Change: By advocating for the rights and welfare of seniors, the NGO raises awareness about ageism, discrimination, and social inequalities, contributing to broader social change and policy reform.

Conclusion:

In conclusion, Old Age Home NGOs play a vital role in addressing the needs and concerns of elderly individuals, offering them a sanctuary where they can live with dignity, respect, and autonomy. Through their holistic approach to care and support, these NGOs make a significant impact on the lives of seniors, enriching their later years and promoting social inclusion, health, and well-being. As we strive to build a more inclusive and age-friendly society, the contributions of Old Age Home NGOs remain indispensable in ensuring that every senior citizen can age with grace, dignity, and purpose.

खेरीतील मेसाच्या विद्यार्थ्यांची मातोश्री वृद्धाश्रमाला सदिच्छा भेट

सोलापूर भूषण

पंढरपूर- मातोश्री वृद्धाश्रमासाठी एक प्रकारची ऊर्जा देणारा ठरावा असा उपक्रम खेरीच्या मेसा मधील विद्यार्थ्यांकडून हाती घेण्यात आला. त्याचे झाले असे! खेरीतील मॅनेज्मंट इंजिनिअरिंग विभागातील विद्यार्थ्यांनी गोपाळपूरमधील श्री.संत तनपुरे महाराज संचलित मातोश्री वृद्धाश्रमाला भेट देवून काही काळ तेथील वृद्ध आज्ञा आजोबांसोबत घालविला. सर्व विद्यार्थ्यां त्यांच्या समवेत प्रेम व आपुलकीची देवाण-घेवाण करून आनंदी मुद्देने परतले. खेरीचे संस्थापक सचिव व अभियांत्रिकीचे

प्राचार्य डॉ. बी.पी. रोंगे यांच्या मार्गदर्शनाखाली शैक्षणिक उपक्रमाबरोबरच अनेक विधायक व सामाजिक उपक्रम देखील राबवले जातात. त्याचाच एक भाग म्हणून खेरीतील मेसा तथा मॅनेज्मंट इंजिनिअरिंग स्टुडंट्स असोसिएशन च्या माध्यमातून विद्यार्थ्यांनी मातोश्री वृद्धाश्रमाला भेट दिली.

सुरुवातीला मेसाचे समन्वयक प्रा. एस.एन. मोरे यांनी मातोश्री वृद्धाश्रमामध्ये येण्याचे प्रयोजन सांगितले. वृद्धाश्रमाचे संचालक धनंजय राक्षे यांच्या हस्ते या उपक्रमाचे उद्घाटन झाले. प्रा.के.एस.पुकाळे यांनी यावेळी विद्यार्थ्यांना मार्गदर्शन करून उपयोगी व प्रेरणादायी कार्य

करण्यासाठी प्रेरित केले. वृद्धाश्रमाचे व्यवस्थापक धनंजय राक्षे, श्रीकांत देशपांडे व सुनंदा छत्रे यांनी उपस्थित विद्यार्थ्यांना वृद्धाश्रमाबाबत व तेथील कार्याबाबत माहिती दिली. वृद्धाश्रमात सफरचंद, केळी, फळे, लाडू इ. खाद्यपदार्थांचे वाटप करण्यात आले. यावेळी तेथील वृद्ध महिला व आजोबा मंडळी यांची आपुलकीने विचारपूस केली असता त्या वृद्धांनी मायेने विद्यार्थ्यांच्या अंगा खांद्यावरून हात फिरविला. साध-रक्षणपणे दोन तास त्यांच्यासोबत राहिल्यानंतर सर्व विद्यार्थ्यांनी त्यांचा निरोप घेतला. एकूणच विद्यार्थी आणि वृद्धाश्रमातील नागरिकांची अविस्मरणीय अशी भेट झाली. या कार्यक्रम

त आदित्य चोरमले, प्रणव पाटील, प्रियांका सोनवले, संस्कृती मोरे, प्रतीक यादव, प्रतिक येडवे, यांच्या सहित जवळपास १०० विद्यार्थ्यांनी सहभाग घेतला.

खेरीचे संस्थापक सचिव व कॉलेज ऑफ इंजिनिअरिंगचे प्राचार्य डॉ. बी.पी. रोंगे यांच्या मार्गदर्शनाखाली आयोजिलेल्या या भेटीच्या कार्यक्रमात विभागप्रमुख डॉ.एस. बी. भोसले, डॉ.एस.एस. वांगीकर, प्रा.डी. टी. काशीद, प्रा.पी.बी. आसबे आदी शिक्षक उपस्थित होते. आरती चौगुले व अभिषेक मोर्डे यांनी कार्यक्रमाचे सूत्रसंचालन केले तर विद्यार्थी प्रतिनिधी श्रुती इंगळे यांनी आभार मानले.

Extension Activity 2
Shiv Swarajya Din

SVERI's COLLEGE OF ENGINEERING, PANDHARPUR

DEPARTMENT OF MECHANICAL ENGINEERING

'RAKSHABANDHAN' at Palvi NGO, Korti

Organized by

MECHANICAL ENGINEERING STUDENTS ASSOCIATION (MESA)

On 1st Sep 2023

Our **MESA** (Mechanical Engineering Students' Association) has celebrated '**Rakshabandhan**' at "**Palvi, NGO**" on **1st Sep 2023**. From last four years MESA is celebrating Rakshabandhan at Palvi NGO. For this celebration we have collected some contribution from our mechanical students and from faculty members. From that contribution we have purchased some foods, Sweets, stationary and steel plates for lunch & dinner as per request from Palvi. Then we saw there some simple products like Rakhi which are created by those children's.

For this program MESA Co-ordinators Abhishek Mallinath Morde, Parth Mahesh Ronge, Shruti Mahadev Ingale, Pranali Parade, Ankita Anil Hinmire and near about 150 students were present. This program was conducted under Guidance of MESA Staff Co-ordinator Prof. S. N. More. At the same time Head Mechanical department Dr. S. B. Bhosale along with Prof. S. Y. Salunkhe, Prof. D. T. Kashid, and Parent Representative Mr. Siddheshwar Randive were present. Finally, MESA President Ms. Arti Ramchandra Chaugule expressed the vote of thanks.

Notice

All the students and staff members under SVERI umbrella are hereby informed to note that, the **Mechanical Engineering Student Association (MESA)** is going to celebrate **"No Private Vehicle Day"** on **2nd Oct. 2023**. On **"No Private Vehicle Day,"** individuals are encouraged to use public transportation, carpooling, cycling, walking, or other sustainable modes of transport instead of driving their own cars/ bikes. The goal is to reduce traffic congestion, lower emissions, and promote a more environmentally-friendly and healthier way of getting around.

So, all are requested to come with Public transport / College bus. Personal vehicles are not allowed on that day in college campus to celebrate this day as No Private Vehicle Day.

This event will give message of **"Save Fuel and Control Pollution"**.

All the concerned should note the above and act accordingly.

“No Private Vehicle Day” Organized by MESA

Our **Mechanical Engineering Student Association (MESA)** has decided to celebrate **“No Private Vehicle Day”** on **2nd Oct. 2023**. We are celebrating this day in our campus. On that day we are not allowing any private vehicle like two and four wheeler in college campus. All the students and faculty members have to come with Government Vehicles or College bus.

Sunday, the weekly holiday! But Father of the Nation M. Gandhi and Lal Bahadur Shastri's birth anniversary, then what? There is a feast of intellectual lectures on this occasion in SVERI! How will students miss it? There was no traffic on the roads due to Sunday! It was not seen that professors, non-teaching staff and students of SVERI family were riding in their personal vehicles

On that day our Principal, Hon. Dr. B. P. Ronge Sir was came with college bus, Principal of Pharmacy Dr. M. G. Maniyar Sir was came with college bus, then Dean Administration Dr. R. R. Gidde was came with Bus also other Dean, HODs was also coming with Government Vehicles. This event gives message **“Save Fuel and Control Pollution”**.

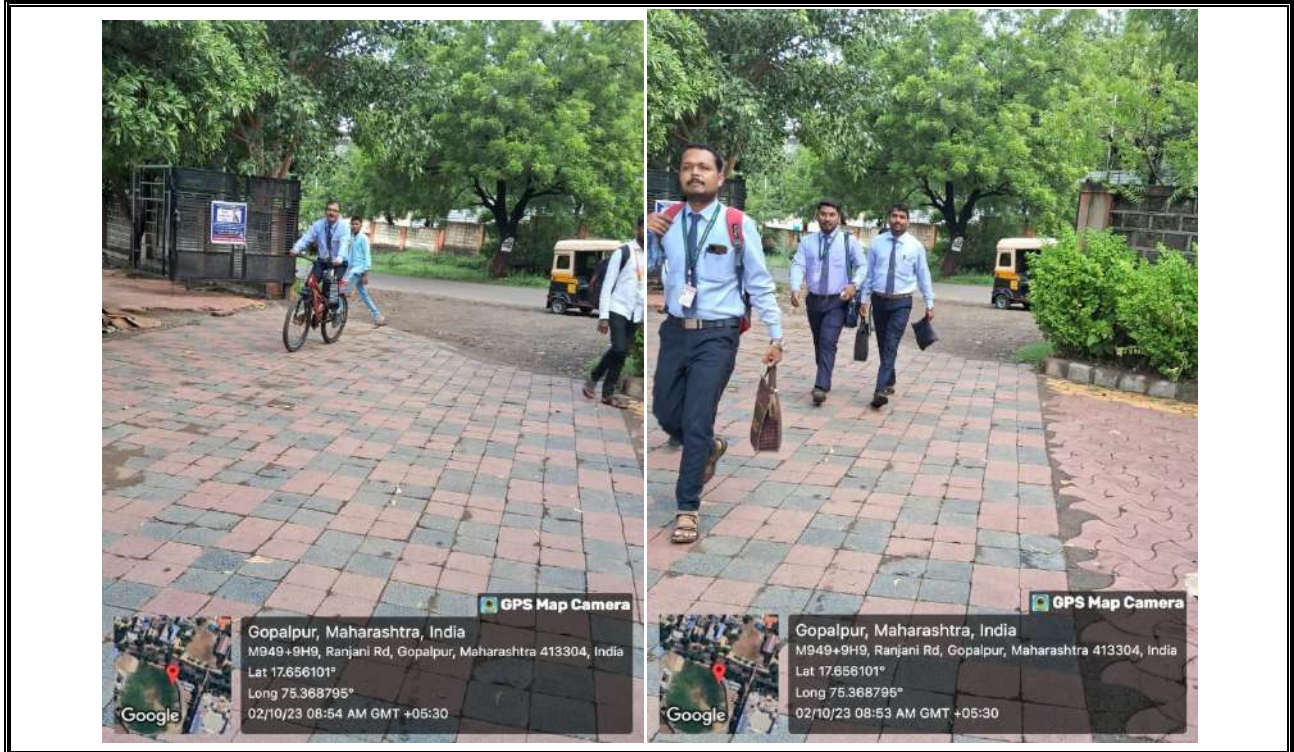

Therefore, many people felt that the birth anniversary of most of the great men should not be celebrated in SVERI today.

Today, except the college buses of SVERI, no other private vehicles belonging to Sveri were playing on the road. On this occasion, a 'Cycle Rally' was organized by the National Service Scheme of SVERI Engineering and the Mechanical Engineering Students Association (MESA) with the noble intention of 'Save Fuel and Stop Pollution'.

Preparations for this rally were going on in Gopalpur. Meanwhile, Dr.B.P., founder secretary of SVERI and principal of engineering college. Ronge Sir was seen walking along the side of Riddhi Siddhi Temple. Many captured this scene in their mobile phones. After all the revelations, it was learned that SVERI is celebrating 'No Private Vehicle Day' today like every year. On the occasion of 'No Private Vehicle Day' Dr. Along with Ronge Sir, all the professors and students of SVERI gave their own vehicles a day off. Some people reached the college by bus, rickshaw and some professors walked, the same is being discussed in Pandhari city today.

Almost all members of Engineering (Graduate, Graduate, Post Graduate) Department of Engineering College under Shri.Vitthal Education and Research Institute, Pandharpur, organized by Mesa (Mechanical Engineering Students Association) gave rest to their private vehicles on the occasion of 'No Private Vehicle Day'. On the occasion of 'No Private Vehicle Day', Founder Secretary and Principal of Engineering College Dr. BP Ronge said 'No Private Vehicle Day' campaign was organized with the aim of saving fuel and protecting the environment. Along with founder secretary and principal of the institute, Dr. B.P. Ronge, some professors and professors came to the college initially on foot and later on bicycles.

In this along with Dr. Ronge, in-charge of sweri Prof. M M Pawar, Principal of Diploma Prof.Dr. n.d. Misal, Student Principal Dr. Mahesh Mathapati, Head of Department Dr. Sandeep Vangikar, Dr. Vidyarani Kshirsagar, Prof. Faculty, non-teaching staff and students along with Yashpal Khedkar, Registrar Rajendra Zarkar came in college buses. Dr. Sachin Sonwane, Dr. Ranganath Haridas, Dr. Praveen Dhawale, Prof. Avinash Parkhe, Prof. Rahul Nagane, Prof. Prasad Jare, Prof. Digambar Kashid came to the college by walking.

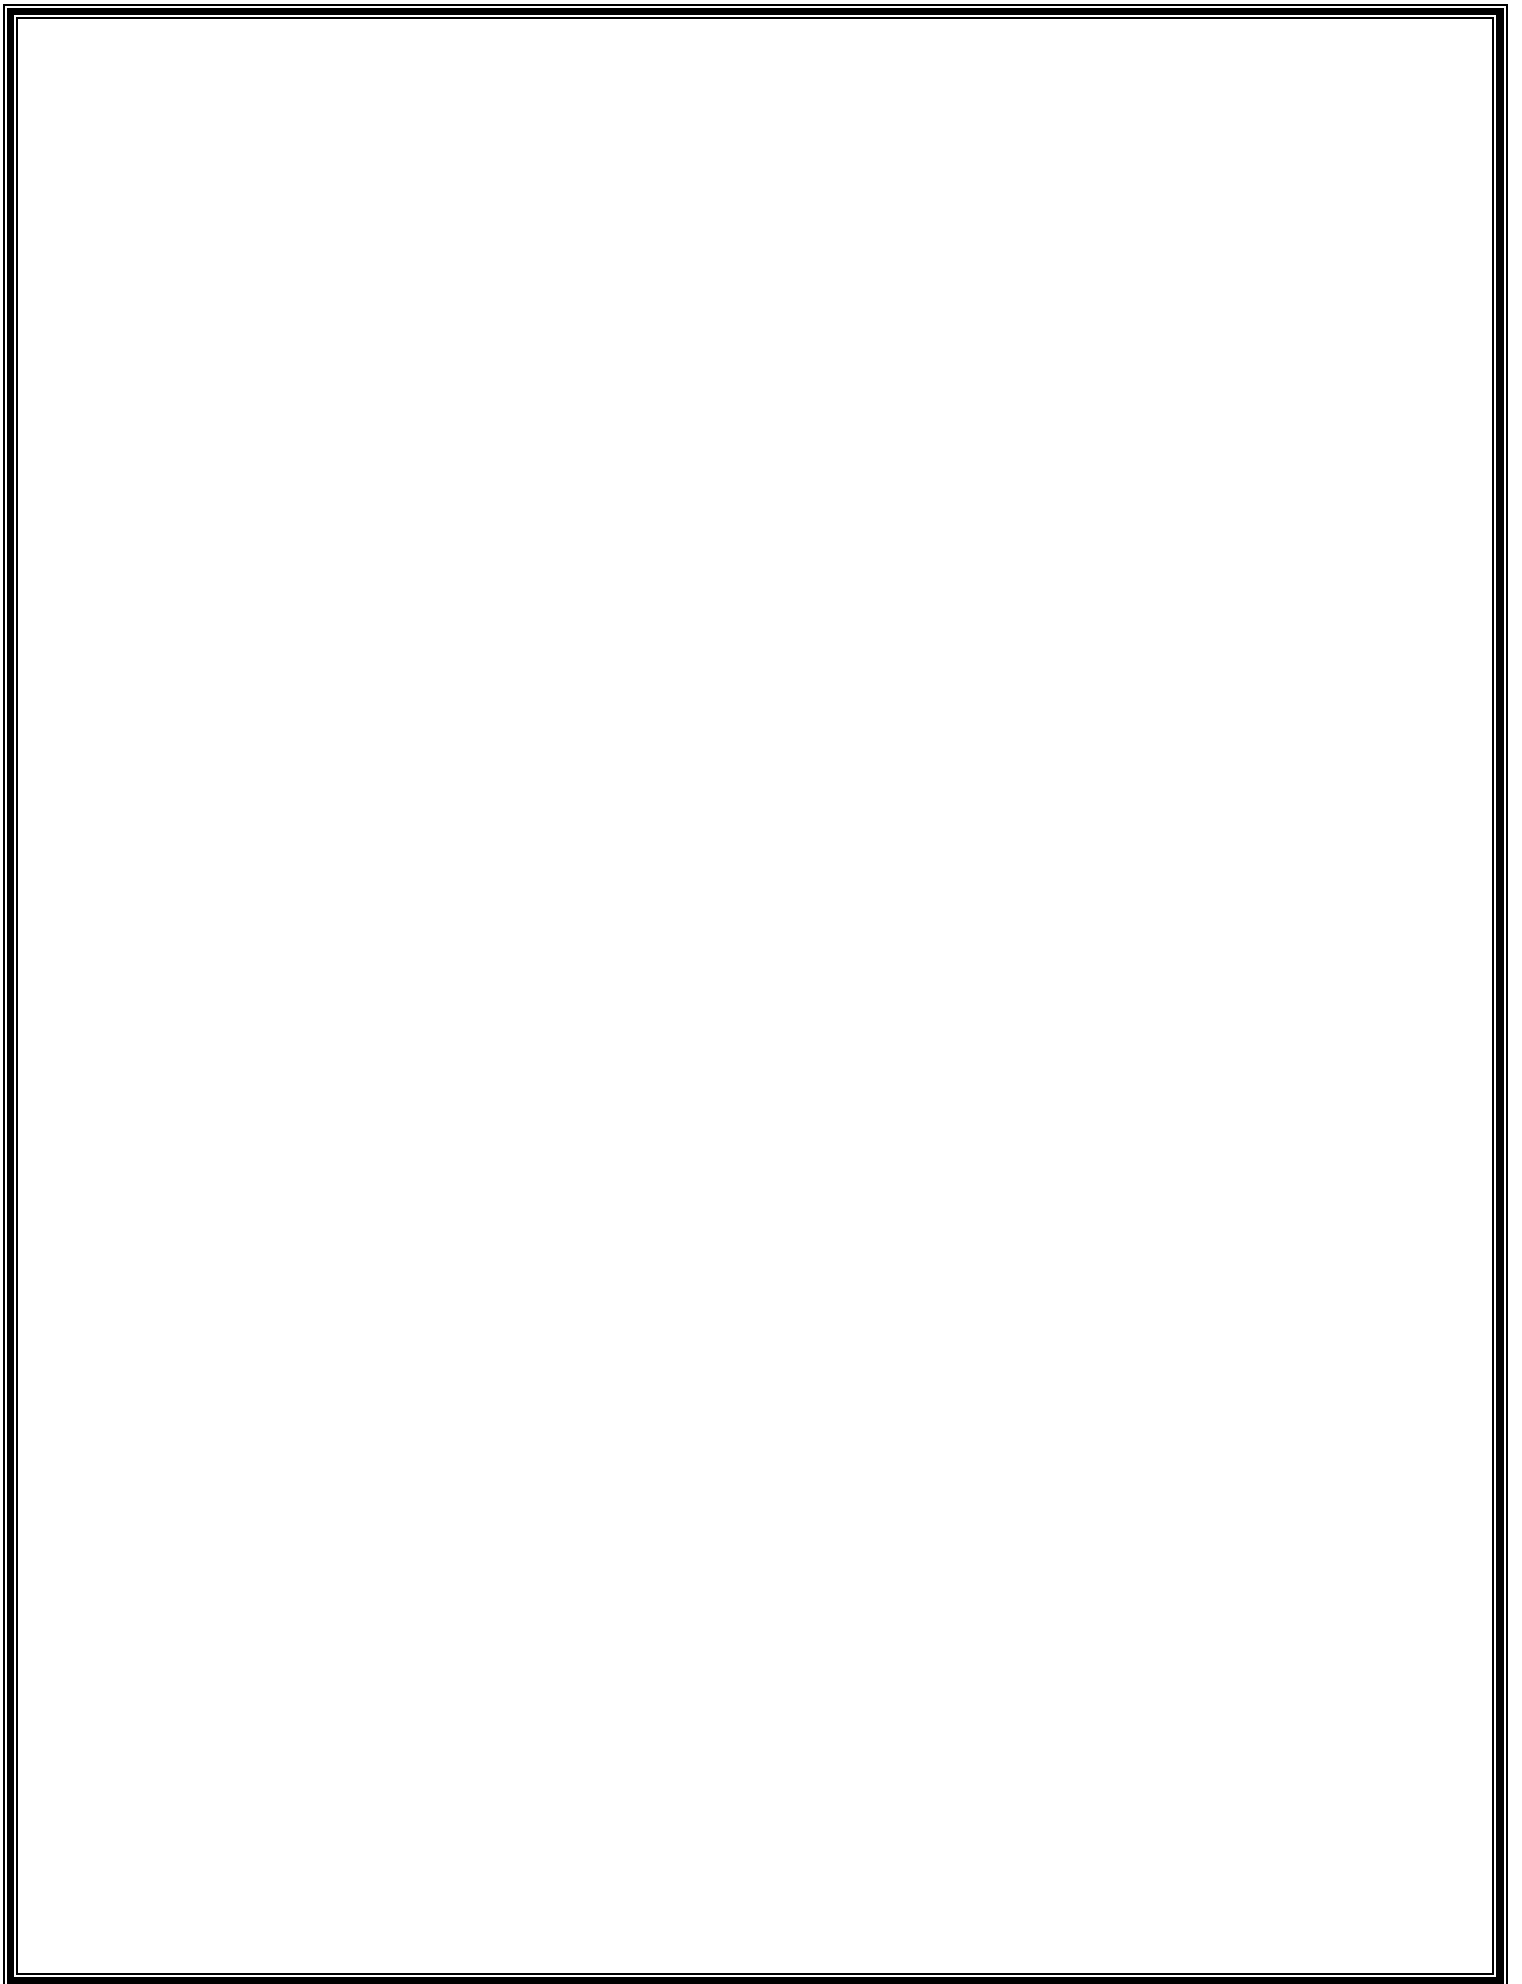

SVERI which is packed every day, today looked empty due to lack of vehicles while some spaces were occupied by bicycles. Overall, Gopalpur and Pandharpurkars welcomed this 'No Private Vehicle Day' of SVERI with great enthusiasm.

Dear Sir,

The faculty members of Electronics and Telecommunication Engineering from SVERI'S College of Engineering, Pandharpur has visited and conducted social awareness program on 18th Jan. 2024 and discussed following points:

- Awareness of different government schemes.
- Importance of Solar Energy in agriculture.
- Importance of soil testing.
- Importance of water conservation.

The following Faculty members has guided to our village people:

1. Mr. R.B.Pawar
2. Mr. S.A. Inamdar
3. Mr. M.A. Deshmukh
4. Mr. S.D. Indalkar
5. Dr. M.S.Mathpati
6. Mr. J.L. Musale

We are very thankful for conducting an awareness program and expecting the same guidance/ co-operation in the future also.

Subject: Visit of Our Faculty Members and Students to Your School

Respected Sir,

I hope this letter finds you well. I am writing on behalf of SVERI's College of Engineering, Pandharpur to inform you about an upcoming visit by our faculty members and students to your esteemed institution. This visit has been organized in compliance with the directives issued by the All India Council for Technical Education (AICTE).

We have chosen to utilize your school's Atal Tinkering Lab (ATL) centre as a platform to provide valuable guidance and mentorship to your students and faculty members. The objective of this visit is to facilitate knowledge exchange, collaboration, and the promotion of innovative thinking within the educational community.

The visit is scheduled for the 23rd of October 2023, and the following esteemed faculty members from our institution will be in attendance:

Name of Faculty	Designation
Prof. Dr. Ms. V. S. Kshirsagar	SVERI's IIC President
Prof. Dr. Ms. M. M. Pawar	Head ENTC
Prof. Dr. Ms. S. P. Pawar	Head CSE
Prof. Dr. Ms. D. A. Tamboli	Head Electrical
Prof. Mr. K. S> Pukale	Assistant Professor

In addition to our faculty members, we will also be accompanied by a select group of students who will actively participate in the collaborative activities and knowledge sharing during the visit.

24/10/23
23/10/23

We kindly request your support and cooperation in facilitating this visit, which aims to foster a spirit of academic exchange and innovation among our educational institutions. We are confident that this collaboration will be mutually beneficial for both our institutions and will contribute to the overall growth and development of our students and faculties.

If you have any specific requirements or suggestions for this visit, please feel free to communicate them to us, and we will make every effort to accommodate them.

Thank you for your cooperation, and we look forward to a productive and enriching visit to your school.

Yours sincerely,

(Dr. Ms. V. S. Kshirsagar)

Subject: Appreciation for the Visit of Your Faculty Members and Students to Our Atal Tinkering Lab (ATL)

Respected Sir,

I hope this letter finds you in good health. I am writing to express my sincere appreciation for the recent visit of your esteemed faculty members and students from various disciplines to our Atal Tinkering Lab (ATL) in Bhalwani at our school, which took place on the 23rd of October 2023.

During their visit, your faculty members provided invaluable guidance and mentorship to our ATL students, which significantly enriched their understanding of the ATL's capabilities and potential. The visit covered the following key areas:

1. Introduction of Various Kits and Components
2. Application Areas of Atal Tinkering Lab
3. Demonstration of Making Various Models/Projects

The visit of your faculty members and students had a profound impact on our students, igniting their passion for innovation and nurturing their creative thinking. It was a great learning opportunity for our students, and we are genuinely grateful for your contribution to their intellectual growth.

We kindly request your continued support and cooperation in facilitating ATL-related activities in the future. Collaboration between our institutions holds great promise in nurturing and promoting innovation among our students.

Once again, we extend our heartfelt thanks for your cooperation and look forward to more enriching visits and collaborative initiatives between our institutions.

Yours sincerely,

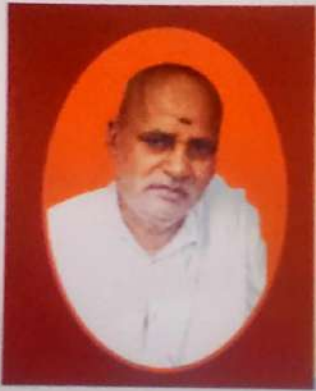

(Mr. Prashant Kolase)

Honorable Sir,

Greetings of the day!

We are glad to introduce our institute New Satara College of Engineering & Management (Polytechnic), Korti- Pandharpur.

We are running diploma courses in Mechanical/Civil/Computer/Electronics & Telecommunication Engineering and Information Technology. These courses are approved by AICTE and DTE and affiliated to Maharashtra State Board of Technical Education, Mumbai and we are committed for quality education for rural students.

With reference to above subject, it is our pleasure to invite you as resource person for expert lecture entitled as. '*Network & information Security*' on Friday, 1st March 2024 and expected audience will approximately 28 students and faculty members for this lecture. The course outcomes (CO's) from this lecture are: 1. Apply measures to prevent attacks on network using firewall. 2. Maintain secured networks and describe Information Security Compliance standards

We humbly request you for allocating your valuable time for the same. We hope that you will accept our invitation and guide our Third year IF diploma students with your expertise.

Thanking You.

Sincerely,

Vikram H. Londhe

Description:

Faculty members from the Institutions' Innovation Council at SVERI's College of Engineering, accompanied by their students, had a visit to the ATAL TINKERING LAB at New English School, Bhalawani on October 23, 2023. They conducted an exclusive guiding session for the school's students with the aim of nurturing curiosity, creativity, and imagination in young minds. The session also focused on instilling valuable skills, including a design mindset, computational thinking, adaptive learning, and physical computing, through a series of engaging demonstrations.

This interaction was a resounding success, and both the students from New English School and those from SVERI's College thoroughly enjoyed and benefited from the experience. An Atal Tinkering Lab provides activity based learning in the identified schools across the country where young minds can give shape to their ideas for societal problems.

(Approved by A.I.C.T.E., New Delhi and affiliated to Solapur University, Solapur)

NBA Accredited all Eligible UG Programmes and , **NAAC**, Accredited Institute,

Accredited by The Institution of Engineers (India), Kolkata and TCS, Pune ISO 9001-2015 Certified Institute

Objectives:

The objective of this scheme is to foster curiosity, creativity, and imagination in young minds; and inculcate skills such as design mindset, computational thinking, adaptive learning, physical computing etc.

Outcome:

The very structure of Atal Tinkering labs allows the students to perfectly blend the left (logical) and right (creative) brain. It helps the students to develop a natural “liking” towards their subjects.

Subject: Visit of Our Faculty Members and Students to Your School

Respected Sir,

I hope this letter finds you well. I am writing on behalf of SVERI's College of Engineering, Pandharur to inform you about an upcoming visit by our faculty members and students to your esteemed institution. This visit has been organized in compliance with the directives issued by the All India Council for Technical Education (AICTE).

We have chosen to utilize your school's Atal Tinkering Lab (ATL) centre as a platform to provide valuable guidance and mentorship to your students and faculty members. The objective of this visit is to facilitate knowledge exchange, collaboration, and the promotion of innovative thinking within the educational community.

The visit is scheduled for the 23rd of October 2023, and the following esteemed faculty members from our institution will be in attendance:

Name of Faculty	Designation
Prof. Dr. Ms.V. S. Kshirsagar	SVERI's IIC President
Prof. Dr. Ms. M. M. Pawar	Head ENTC
Prof. Dr. Ms. S. P. Pawar	Head CSE
Prof. Dr. Ms. D. A. Tamboli	Head Electrical
Prof. Mr. K. S> Pukale	Assistant Professor

In addition to our faculty members, we will also be accompanied by a select group of students who will actively participate in the collaborative activities and knowledge sharing during the visit.

Subject: Appreciation for the Visit of Your Faculty Members and Students to Our Atal Tinkering Lab (ATL)

Respected Sir,

I hope this letter finds you in good health. I am writing to express my sincere appreciation for the recent visit of your esteemed faculty members and students from various disciplines to our Atal Tinkering Lab (ATL) in Bhalawai at our school, which took place on the 23rd of October 2023.

During their visit, your faculty members provided invaluable guidance and mentorship to our ATL students, which significantly enriched their understanding of the ATL's capabilities and potential. The visit covered the following key areas:

1. Introduction of Various Kits and Components
2. Application Areas of Atal Tinkering Lab
3. Demonstration of Making Various Models/Projects

The visit of your faculty members and students had a profound impact on our students, igniting their passion for innovation and nurturing their creative thinking. It was a great learning opportunity for our students, and we are genuinely grateful for your contribution to their intellectual growth.

We kindly request your continued support and cooperation in facilitating ATL-related activities in the future. Collaboration between our institutions holds great promise in nurturing and promoting innovation among our students.

Once again, we extend our heartfelt thanks for your cooperation and look forward to more enriching visits and collaborative initiatives between our institutions.

Yours sincerely,

Subject: Guiding session for Atal Tinkering Lab Students

Mode: offline

Date of Session: 20th October 2023

Name of Speaker: Dr. Mrs. Swati P. Pawar

Organizer: SVERI's College of Engineering, Pandharpur IIC

Organized for: Students of New English School, Gadegao

Flyer:

The flyer features a red background with a repeating gear pattern. At the top left, it displays the NITI Aayog logo and the ATIL logo (Atal Innovation Mission). At the top right is the SVERI logo. A central white box contains the text: "A guiding session on ATAL TINKERING LAB for the students of New English School, Gadegaon". Below this, the text "Atal Tinkering Labs" is written in large yellow letters, followed by "Nurturing Young Minds to Innovate." in white. A yellow oval at the bottom center states "On 20th October 2023". The bottom of the flyer features the text "Play area. Only if you want to play with" in white, with the Institution's Innovation Council logo to the right. The background is decorated with white line-art icons of a person's head with gears, a tractor, a propeller, a rocket, and a gear.

Subject: Visit of Our Faculty Members and Students to Your School

Respected Sir,

I hope this letter finds you well. I am writing on behalf of the Department of CSE of SVERI's College of Engineering, Pandharpur to inform you about an upcoming visit by our faculty members and students to your school. This visit has been organized as a field project under the Computer Science and Engineering department.

SVERI's Computer Science and Engineering department has chosen to utilize your school as a platform to provide valuable guidance and mentorship to your students and faculty members. The objective of this visit is to create workspaces where young minds can learn innovation skills, sculpt ideas through hands-on activities, work and learn in a flexible environment.

The visit is scheduled for the 11th Oct 2024, and the following esteemed faculty members from our department will be in attendance:

Name of Faculty	Designation
Dr. S. P. Pawar	Head CSE
Prof. P. D. Mane	Field Project Co-ordinator

Approved by A.I.C.T.E., New Delhi, Affiliated to Panyashlok Ahilyadevi Holkar Solapur University,
Solapur, NBA Accredited all Eligible UG Programs up to 30/06/2026, Accredited by NAAC with
A+ Grade (3.46/ 4.00 CGPA) up to 31/12/2029, The Institution of Engineers, Kolkata & TCS Pune,
An ISO 9001: 2015 Certified Institute.

In addition to our faculty members, we will also be accompanied by a select group of students who will actively participate in the collaborative activities and knowledge sharing during the visit.

We kindly request your support and cooperation in facilitating this visit, which aims to foster a spirit of academic exchange and innovation among our educational institutions. We are confident that this collaboration will be mutually beneficial for both our institutions and will contribute to the overall growth and development of our students and faculties.

If you have any specific requirements or suggestions for this visit, please feel free to communicate them to us, and we will make every effort to accommodate them.

Thank you for your cooperation, and we look forward to a productive and enriching visit to your school.

Yours sincerely,

Prof. P. D. Mane

18	Chavan Dhiraj Ajay	Final Year B.Tech.Student

During their visit, you provided invaluable guidance and mentorship to our students, which significantly enriched their understanding of **Microsoft Office**. The visit of you and students had a profound impact on our students to create workspaces where young minds can learn **Microsoft Word**. It was a great learning opportunity for our students, and we are genuinely grateful for your contribution to their intellectual growth.

We kindly request your continued support and cooperation in facilitating Field Project activities in the future. Collaboration between our institutions holds great promise in nurturing and promoting innovation among our students.

Once again, we extend our heartfelt thanks for your cooperation and look forward to more enriching visits and collaborative initiatives between our institutions.

Yours sincerely,

Department of Computer Science and Engineering
Extension Activity One page Report on 11th Oct 2024

<p>Objectives</p>	<ol style="list-style-type: none"> Microsoft Word: A powerful word processing tool used for creating documents. Word offers features such as spell check, grammar check, templates, and formatting tools, making it suitable for everything from simple letters to complex reports. Microsoft Excel: Excel is a spreadsheet program used for data analysis and visualization. It allows users to perform calculations, create charts, and manage large datasets using formulas, pivot tables, and functions. It is widely used in finance, accounting, and business analytics. Microsoft PowerPoint: PowerPoint is presentation software that helps users create visually engaging slideshows. It includes features like animations, transitions, and templates, allowing users to convey ideas clearly and effectively. Microsoft Outlook: Outlook is an email client that integrates with calendar and task management features. It helps users organize their communication, schedule meetings, and manage contacts efficiently.
<p>Discussion</p>	<p>The extension activity based on Microsoft Office is designed to deepen users' proficiency with the software, moving beyond basic functions to more advanced features. Participants will explore complex data analysis techniques, including the use of pivot tables, advanced formulas, and data visualization tools, to derive meaningful insights from data sets. By integrating automation through macros and VBA, the activity will showcase how Excel can streamline workflows and enhance productivity. The discussion will also cover practical applications of these skills in various professional contexts, highlighting how advanced Excel capabilities can solve real-world problems and support data-driven decision-making.</p>
<p>Outcomes</p>	<ol style="list-style-type: none"> Increased Productivity: Microsoft Office applications such as Word, Excel, and PowerPoint allow users to work more efficiently. Tasks that once required manual effort can now be completed with the help of automation features like templates, macros, and formulas. This has significantly reduced time spent on routine activities, enabling users to focus on more complex tasks. Improved Communication and Collaboration: With applications like Microsoft Outlook and Teams (part of the Office 365 suite), users can communicate and collaborate more effectively. Shared calendars, group emails, and instant messaging make it easier to coordinate tasks. Additionally, cloud integration through One Drive allows multiple users to work on the same document in real-time, fostering teamwork and reducing the risk of version control issues. Data-Driven Decision Making: Microsoft Excel, one of the most powerful tools for data analysis, enables users to manage large datasets, create graphs, and generate reports. The ability to visualize and interpret data through features such as pivot tables and charts empowers organizations to make more informed decisions based on accurate information.

Report on NEP School Connect Program Part-II

Introduction:

The NEP School Connect Program organized a session aimed at facilitating a deeper understanding of the National Education Policy (NEP) 2020 among students. The session focused on discussing key aspects of NEP 2020 and its implications for the education system.

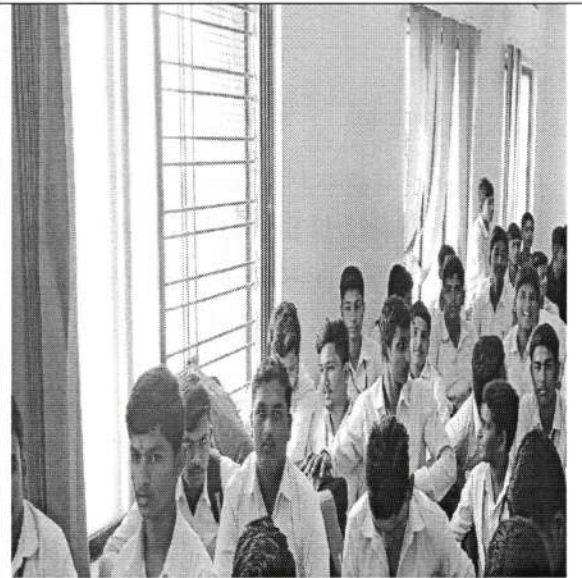

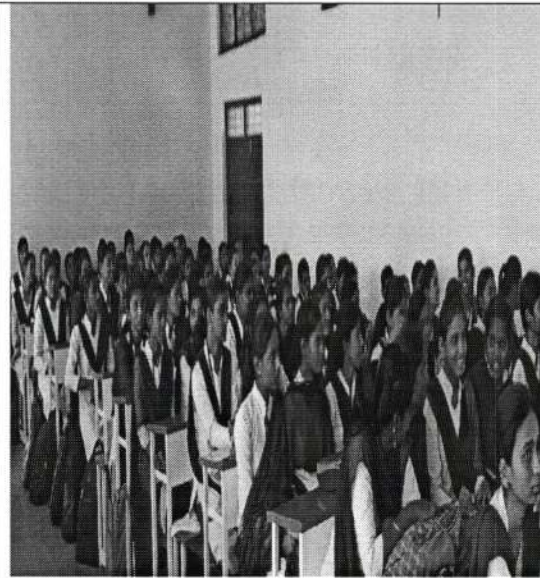

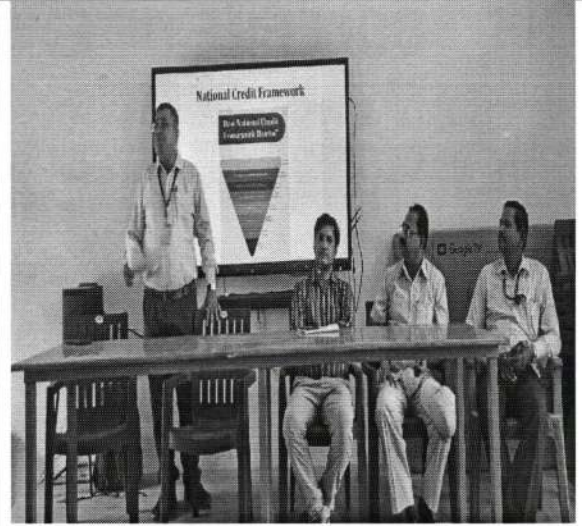

Objective:

The primary objective of the session was to engage students in a dialogue about NEP 2020 and its significance in shaping the future of education in India. The session aimed to foster awareness and understanding of the policy's key provisions and encourage active participation in educational reforms.

Summary of the session conducted:

Session 1	
School/ College Name	Vivek Vardhani Vidyalaya Pandharpur
Date:	25/04/2024
Duration:	2 Hrs
Venue:	Vivek Vardhani Vidyalaya Pandharpur
Speakers:	Dr. Shrikrushna B. Bhosale & Dr. Mohan P. Thakre SVERI's College of Engineering Pandharpur
Time:	10:00 am to 12:00 noon
No. of Participants:	107 Participants

Sessions Summary:

Introduction to NEP 2020: The session began with an overview of NEP 2020, highlighting its objectives, principles, and key focus areas. The facilitator provided insights into the rationale behind the formulation of the policy and its potential impact on the education sector.

Interactive Discussion: The session included interactive discussions where students had the opportunity to ask questions, share their perspectives, and engage in dialogue with the facilitator. Topics such as curriculum reform, teacher training, assessment methods, and technology integration were explored in depth.

The facilitator presented case studies and examples illustrating how NEP 2020 is being implemented in real-world educational settings. This allowed students to better understand the practical implications of the policy and its relevance to their academic journey.

Towards the end of the session, students were encouraged to reflect on their learnings and share feedback. This feedback will be instrumental in refining future sessions and ensuring that the needs and interests of students are effectively addressed.

Outcome:

The NEP-2020 School Connect Program Part II provided students with valuable insights into its objectives, key provisions, and implementation strategies. By fostering dialogue and engagement, the sessions contributed to building awareness and understanding of NEP 2020 among students, paving the way for active participation in educational reform efforts.

Report of Guiding Session

on

Submitting Innovation through the Yukti National Innovation Repository

Date: 18/7/2023

Time: 1:30 pm to 3.00 pm

Location: SVERI's College of Engineering, Pandharpur

Resource person: Dr. Dipti A. Tamboli (Head and Associate Professor, Electrical Dept. SVERI's COE, Pandharpur.

Dr. Tamboli has more than 18 years of experience in Industry and academic Institutions. She has successfully completed the Innovation Ambassador Foundation and advanced training programs organized by MHRD-MIC and IIC cells.

HC ID: IC201912212

AISHE CODE: C-15762

Contents:

- ✓ What is Innovation?
- ✓ Types and Examples of Innovation
- ✓ Innovation process cycle
- ✓ Key elements in the Innovation process
- ✓ Introduction to Design Thinking
- ✓ Introduction to Yukti -National Innovation Repository
- ✓ Registration and idea submission
- ✓ Technology Readiness Level (TRL)

Objective:

- ✓ To introduce students to the world of innovation as a systematic process of tackling problems.
- ✓ To provide knowledge of key elements of the Innovation process and its cycle.
- ✓ To be aware of the steps in the design thinking process and how can be applied to their projects
- ✓ To provide knowledge of systematic approaches from ideation to business model through real-time examples
- ✓ To introduce students to Yukti -National Innovation Repository
- ✓ To register students on the Yukti portal and submit an idea
- ✓ To get familiar with Technology readiness levels (TRL)

The guiding session on “Submitting Innovation through Yukti National Innovation Repository” was organized for all the TY students of Computer Science and Engineering of SVERI’s College of Engineering (Poly), Pandharpur. The session coordinator Prof. V. B. Maskar, Asst. professor in the Computer Science and Engineering department welcomed Dr. Dipti Tamboli and the Participants and introduced the resource person.

IIC ID: IC201912212

AISHE CODE: C-15762

Then, the Session was handed over to Resource Person. The resource person has covered the following points:

- ✓ The Concept of Innovation
- ✓ Types and examples of Innovation with real-time examples
- ✓ Innovation process cycle and Key elements in the Innovation process
- ✓ Introduction to the Design Thinking Process
- ✓ What is Yukti -National Innovation Repository and the role of students
- ✓ How to register and submit ideas/POC/startups
- ✓ Technology Readiness Level (TRL)

The session ended with a vote of thanks to Dr. Dipti Tamboli on behalf of everyone.

No. of Student participants: 85

Report of Guiding Session

on

New Product and New Product Development Process

Date: 06/02/2024

Time: 9.00 pm to 11.00 am

Location: SVERI's College of Engineering (Polytechnic), Pandharpur

Resource person: Dr. Dipti A. Tamboli (Head and Associate Professor, Electrical Dept. SVERI's COE, Pandharpur).

Dr. Tamboli has more than 18 years of experience in Industry and academic Institutions. She has successfully completed the Innovation Ambassador Foundation and advanced training programs organized by MHRD-MIC and IIC cells.

HC ID: IC201912212

AISHE CODE: C-15762

Contents:

- ✓ What is a new product?
- ✓ Types and Examples of new products
- ✓ Why to develop a new product?
- ✓ New product planning & development
- ✓ Major Stages in the NPD Process
- ✓ Idea Generation and Screening
- ✓ Concept development and testing
- ✓ Market Strategy Development
- ✓ Business & Financial Analysis
- ✓ Test Marketing
- ✓ Commercialization
- ✓ Key Success Factors in New Product Development

Objective:

- ✓ **Understanding the Concept New Products:** To provide a clear definition of what constitutes a new product and distinguish it from existing ones, highlighting their importance in the market.
- ✓ **Familiarization with Types and Examples:** To introduce various types of new products along with real-life examples, enabling the audience to recognize and categorize different types of innovations.
- ✓ **Rationale for Developing New Products:** To elucidate the reasons why businesses embark on the journey of developing new products, emphasizing the strategic importance of innovation for growth and competitiveness.
- ✓ **Insight into New Product Planning & Development:** To outline the systematic approach involved in planning and executing new product development (NPD) initiatives, highlighting the importance of structured processes in achieving success.

IC ID: IC201912212

AISHE CODE: C-15762

- ✓ **Understanding the Major Stages in NPD:** To break down the NPD process into its key stages, providing clarity on the sequence of activities involved in bringing a new product from ideation to commercialization.
- ✓ **Emphasis on Key NPD Process Phases:** To delve deeper into specific stages such as idea generation, screening, concept development, market strategy formulation, business and financial analysis, test marketing, and commercialization, elucidating the significance of each phase in ensuring the viability and success of the new product.
- ✓ **Identification of Key Success Factors:** To identify and discuss the critical success factors that influence the outcome of the NPD process, such as market research, cross-functional collaboration, customer involvement, technological innovation, and effective project management.
- ✓ By addressing these objectives, the presentation aims to equip the audience with a comprehensive understanding of the NPD process, enabling them to appreciate its complexity, challenges, and strategic significance in driving business growth and sustaining competitive advantage.

The Hod of Electrical Engineering Department, SVERI's College of Engineering, Polytechnic welcomed Dr. Dipti Tamboli. The resource person has covered the following points:

- 1]. **Definition of a New Product:** Explanation of what constitutes a new product, which could range from entirely new innovations to improvements or variations of existing products.
- 2]. **Types and Examples of New Products:** Discussion on different categories of new products, such as line extensions, brand extensions, new-to-the-world products, etc., along with real-life examples to illustrate each type.
- 3]. **Reasons for Developing New Products:** Explanation of the motivations behind companies investing resources in developing new products, which may include capturing market share, staying competitive, meeting customer needs, or exploiting new technology.

IIC ID: IC201912212

AISHE CODE: C-15762

- 4]. **New Product Planning & Development:** Overview of the process involved in planning and developing a new product, emphasizing the importance of structured methodologies.
- 5]. **Major Stages in the NPD Process:** Breakdown of the key stages in the new product development process, including:
 - Idea Generation and Screening
 - Concept Development and Testing
 - Market Strategy Development
 - Business & Financial Analysis
 - Test Marketing
 - Commercialization
- 6]. **Key Success Factors in New Product Development:** Identification of critical factors that contribute to the success of new product development initiatives, such as market research, cross-functional collaboration, innovation culture, strategic alignment, and effective project management.

Overall, the speech likely provided insights into the comprehensive process of bringing new products to market, covering everything from ideation to commercialization and highlighting the importance of strategic planning and execution. The session ended with a vote of thanks to Dr. Dipti Tamboli on behalf of everyone.

Subject: Thanks Letter

Respected Madam,

We express our sincere gratitude towards you for accepting our invitation and guiding to our SY & TY students on topic "New Product and New Product Development Process"

Thank you very much for guiding to our students with value addition in "New Product and New Product Development Process" on Date 06/02/2024. Your passion for guiding students is evident and we hope to see lots of fruit from them.

Your valuable thoughts and guidance will always keep us inspiring and motivated.

We request same kind of co-operation in future also.

Thanking you once again,

Yours faithfully,

(Dr. N. D. Misal)

Report of Guiding Session

on

New Product and New Product Development Process

Date: 06/02/2024

Time: 12.00 pm to 1.30 pm

Location: Institute of Computer Management Studies (ICMS College)

Resource person: Dr. Dipti A. Tamboli (Head and Associate Professor, Electrical Dept. SVERI's COE, Pandharpur).

Dr. Tamboli has more than 18 years of experience in Industry and academic Institutions. She has successfully completed the Innovation Ambassador Foundation and advanced training programs organized by MHRD-MIC and IIC cells.

HC ID: IC201912212

AISHE CODE: C-15762

Contents:

- ✓ What is a new product?
- ✓ Types and Examples of new products
- ✓ Why to develop a new product?
- ✓ New product planning & development
- ✓ Major Stages in the NPD Process
- ✓ Idea Generation and Screening
- ✓ Concept development and testing
- ✓ Market Strategy Development
- ✓ Business & Financial Analysis
- ✓ Test Marketing
- ✓ Commercialization
- ✓ Key Success Factors in New Product Development

Objective:

- ✓ **Understanding the Concept New Products:** To provide a clear definition of what constitutes a new product and distinguish it from existing ones, highlighting their importance in the market.
- ✓ **Familiarization with Types and Examples:** To introduce various types of new products along with real-life examples, enabling the audience to recognize and categorize different types of innovations.
- ✓ **Rationale for Developing New Products:** To elucidate the reasons why businesses embark on the journey of developing new products, emphasizing the strategic importance of innovation for growth and competitiveness.
- ✓ **Insight into New Product Planning & Development:** To outline the systematic approach involved in planning and executing new product development (NPD) initiatives, highlighting the importance of structured processes in achieving success.

Subject: Invitation for a session on "New Product and New Product Development Process"

Respected Mam,

Wishing you greetings for the day!!!

We on behalf of BCA & B.Sc. (ECS) Department take privilege to invite you as resource person for guiding our students on topic "New Product and New Product Development Process". At our college premises arranged for our BCA & B.Sc. (ECS) students on Tuesday, 06th February 2024 at 12:30 p.m.

We are sure that your guiding words will add energy in our endeavors for the developmental process of our institute.

Madam, we are very much eager to welcome you for the session.

Thank you,

Yours faithfully,

The poster features a red background with a repeating gear pattern. At the top left are the logos for NITI Aayog and ATIL (Atal Innovation Mission). At the top right is the SVERI logo. The central text reads: 'A guiding session on ATAL TINKERING LAB for the students of New English School, Gadegaon'. Below this, the title 'Atal Tinkering Labs' is written in large yellow letters, followed by the tagline 'Nurturing Young Minds to Innovate.' in white. A yellow oval contains the date 'On 20th October 2023'. At the bottom, it says 'Play area. Only if you want to play with' followed by the logo of the Institution's Innovation Council (Ministry of Education Initiatives). The right side of the poster is decorated with white line-art icons of various engineering and technology concepts like a microscope, a tractor, a gear, a head with gears, a computer monitor, a fan, and an airplane, connected by arrows.

Description:

Faculty members from the Institutions' Innovation Council at SVERI's College of Engineering, accompanied by their students, had a visit to the ATAL TINKERING LAB at New English School, Gadegaon on October 20th, 2023. They conducted an exclusive guiding session for the school's students with the aim of nurturing curiosity, creativity, and imagination in young minds. The session also focused on instilling valuable skills, including a design mindset, computational thinking, adaptive learning, and physical computing, through a series of engaging demonstrations.

This interaction was a resounding success, and both the students from New English School and those from SVERI's College thoroughly enjoyed and benefited from the experience. An Atal Tinkering Lab provides activity based learning in the identified schools across the country where young minds can give shape to their ideas for societal problems.

Objectives:

The objective of this scheme is to foster curiosity, creativity, and imagination in young minds; and inculcate skills such as design mindset, computational thinking, adaptive learning, physical computing etc.

Outcome:

The very structure of Atal Tinkering labs allows the students to perfectly blend the left (logical) and right (creative) brain. It helps the students to develop a natural “liking” towards their subjects.

Subject: Visit of Our Faculty Members and Students to Your School

Respected Sir,

I hope this letter finds you well. I am writing on behalf of SVERI's College of Engineering, Pandharpur to inform you about an upcoming visit by our faculty members and students to your esteemed institution. This visit has been organized in compliance with the directives issued by the All India Council for Technical Education (AICTE).

We have chosen to utilize your school's Atal Tinkering Lab (ATL) centre as a platform to provide valuable guidance and mentorship to your students and faculty members. The objective of this visit is to facilitate knowledge exchange, collaboration, and the promotion of innovative thinking within the educational community.

The visit is scheduled for the 20th of October 2023, and the following esteemed faculty members from our institution will be in attendance:

Name of Faculty	Designation
Prof. Dr. Ms. V. S. Kshirsagar	SVERI's IIC President
Prof. Dr. Ms. M. M. Pawar	Head ENTC
Prof. Dr. Ms. S. P. Pawar	Head CSE
Prof. Dr. Ms. D. A. Tamboli	Head Electrical
Prof. Mr. K. S. Pukale	Assistant Professor

In addition to our faculty members, we will also be accompanied by a select group of students who will actively participate in the collaborative activities and knowledge sharing during the visit.

We kindly request your support and cooperation in facilitating this visit, which aims to foster a spirit of academic exchange and innovation among our educational institutions. We are confident that this collaboration will be mutually beneficial for both our institutions and will contribute to the overall growth and development of our students and faculties.

If you have any specific requirements or suggestions for this visit, please feel free to communicate them to us, and we will make every effort to accommodate them.

Thank you for your cooperation, and we look forward to a productive and enriching visit to your school.

Yours sincerely,

Subject: Appreciation for the Visit of Your Faculty Members and Students to Our Atal Tinkering Lab (ATL)

Respected Sir,

I hope this letter finds you in good health. I am writing to express my sincere appreciation for the recent visit of your esteemed faculty members and students from various disciplines to our Atal Tinkering Lab (ATL) in Gadegaon at our school, which took place on the 20th of October 2023.

During their visit, your faculty members provided invaluable guidance and mentorship to our ATL students, which significantly enriched their understanding of the ATL's capabilities and potential. The visit covered the following key areas:

1. Introduction of Various Kits and Components
2. Application Areas of Atal Tinkering Lab
3. Demonstration of Making Various Models/Projects

The visit of your faculty members and students had a profound impact on our students, igniting their passion for innovation and nurturing their creative thinking. It was a great learning opportunity for our students, and we are genuinely grateful for your contribution to their intellectual growth.

We kindly request your continued support and cooperation in facilitating ATL-related activities in the future. Collaboration between our institutions holds great promise in nurturing and promoting innovation among our students.

Once again, we extend our heartfelt thanks for your cooperation and look forward to more enriching visits and collaborative initiatives between our institutions.

Yours sincerely,

Subject: Appreciation for the Visit of Your Faculty Members and Students to Our Atal Tinkering Lab (ATL)

Respected Sir,

I hope this letter finds you in good health. I am writing to express my sincere appreciation for the recent visit of your esteemed faculty members and students from various disciplines to our Atal Tinkering Lab (ATL) in Bhalawai at our school, which took place on the 23rd of October 2023.

During their visit, your faculty members provided invaluable guidance and mentorship to our ATL students, which significantly enriched their understanding of the ATL's capabilities and potential. The visit covered the following key areas:

1. Introduction of Various Kits and Components
2. Application Areas of Atal Tinkering Lab
3. Demonstration of Making Various Models/Projects

The visit of your faculty members and students had a profound impact on our students, igniting their passion for innovation and nurturing their creative thinking. It was a great learning opportunity for our students, and we are genuinely grateful for your contribution to their intellectual growth.

We kindly request your continued support and cooperation in facilitating ATL-related activities in the future. Collaboration between our institutions holds great promise in nurturing and promoting innovation among our students.

Once again, we extend our heartfelt thanks for your cooperation and look forward to more enriching visits and collaborative initiatives between our institutions.

Yours sincerely,

(Mr. Prashant Kolase)

Subject: Visit of Our Faculty Members and Students to Your School

Respected Sir,

I hope this letter finds you well. I am writing on behalf of SVERI's College of Engineering, Pandharpur to inform you about an upcoming visit by our faculty members and students to your esteemed institution. This visit has been organized in compliance with the directives issued by the All India Council for Technical Education (AICTE).

We have chosen to utilize your school's Atal Tinkering Lab (ATL) centre as a platform to provide valuable guidance and mentorship to your students and faculty members. The objective of this visit is to facilitate knowledge exchange, collaboration, and the promotion of innovative thinking within the educational community.

The visit is scheduled for the 20th of October 2023, and the following esteemed faculty members from our institution will be in attendance:

Name of Faculty	Designation
Prof. Dr. Ms.V. S. Kshirsagar	SVERI's IIC President
Prof. Dr. Ms. M. M. Pawar	Head ENTC
Prof. Dr. Ms. S. P. Pawar	Head CSE
Prof. Dr. Ms. D. A. Tamboli	Head Electrical
Prof. Mr. K. S. Pukale	Assistant Professor

In addition to our faculty members, we will also be accompanied by a select group of students who will actively participate in the collaborative activities and knowledge sharing during the visit.

We kindly request your support and cooperation in facilitating this visit, which aims to foster a spirit of academic exchange and innovation among our educational institutions. We are confident that this collaboration will be mutually beneficial for both our institutions and will contribute to the overall growth and development of our students and faculties.

If you have any specific requirements or suggestions for this visit, please feel free to communicate them to us, and we will make every effort to accommodate them.

Thank you for your cooperation, and we look forward to a productive and enriching visit to your school.

Yours sincerely,

(Dr. Ms. V. S. Kshirsagar)

4. MS. Nandita Devmare
5. Mr. Y. B. Survase
6. Ms. N. V. Mahamuni

Class: S.Y. B.Tech Civil Engineering Div. A & B

Name of Village Visited: Kasegaon Tal-Pandharpur, Dist-Solapur.

Date of Visit: 08th September 2023

Student Visit to Kasegaon Gram Panchayat Contour Survey (Soil and Water Conservation Survey.)

On 08th September 2023, a group of students from the SY B.Tech Civil Department visited Kasegaon Gram Panchayat to conduct a survey on soil and water conservation. The objective of the survey was to prepare a contour map that would help in planning and implementing effective soil and water conservation measures.

The students were accompanied by their faculty members and were warmly welcomed by the members of Kasegaon Gram Panchayat. They were given a brief introduction to the local geography and were provided with the necessary equipment and resources for the survey. The survey began with the students conducting a detailed analysis of the topography and soil properties of the area. They used various tools such as theodolites, Auto Level, total station, tapes, ranging rod to measure the slope and elevation of the land.

Based on the data collected, the students created a contour map that showed the contours of the land, indicating the elevation and slope of the terrain. This map will be useful in identifying the areas that are prone to soil erosion and waterlogging and help in planning appropriate measures for soil and water conservation.

The students also interacted with the members of the Kasegaon Gram Panchayat and discussed the various challenges faced by them in managing soil and water resources. They provided useful suggestions and recommendations for effective conservation measures, such as constructing check dams, contour bunding, and adopting sustainable agricultural practices.

And guidance session on the awareness of soil and water conservation was conducted by the faculty members. This session aimed to educate participants about the importance of soil and water conservation, raise awareness about environmental challenges, and empower individuals to contribute to sustainable resource management practices.

Overall, the visit was a great learning experience for the students, who got hands-on experience in conducting a soil and water conservation survey. It also helped in building a strong relationship between the academic community and the local authorities, fostering a sense of mutual cooperation and understanding.

The main objectives of conducting a soil and water conservation survey using contouring techniques are:

1. To identify the areas that are prone to soil erosion and waterlogging:

By creating a contour map of the area, the survey helps to identify the slope and elevation of the land. This information is used to determine the areas that are prone to soil erosion and waterlogging. This helps in planning and implementing appropriate measures for soil and water conservation.

2. To plan and implement effective soil and water conservation measures:

By analyzing the contour map, the survey helps to identify the areas that require specific soil and water conservation measures such as contour bunding, check dams, and terracing. This information is then used to plan and implement effective soil and water conservation measures that prevent soil erosion, retain soil moisture, and improve soil fertility.

3. To assess the effectiveness of existing soil and water conservation measures:

The survey helps in evaluating the effectiveness of existing soil and water conservation measures such as vegetative cover, terracing, and conservation tillage. This information is used to make necessary improvements to these measures or to adopt new measures for better results.

4. To enhance the understanding of soil and water resources:

The survey helps in enhancing the understanding of soil and water resources and their relationship with the topography of the land. It provides an opportunity to study the soil properties, soil structure, and nutrient content, and to identify the best soil management practices.

5. To facilitate community participation in soil and water conservation:

The survey helps in fostering community participation in soil and water conservation efforts. It provides an opportunity for local community members to share their knowledge and insights into the local soil and water conditions, and to contribute to the planning and implementation of effective soil and water conservation measures.

The extension activity at Kasegaon exemplifies the transformative potential of community engagement and experiential learning in fostering holistic development and sustainable change. By harnessing collective efforts and leveraging local resources, participants not only made meaningful contributions to the community but also gained invaluable insights and personal growth experiences.

Report

"Extension Activity for Road Survey" on 04th November 2023

Department of Civil Engineering

Academic Year 2023-24 Sem. I

Name Members Visited:

1. Mr. R. P. Jadhav
2. Mr. B. M. Malagimani
3. Ms. S. S. Patil
4. Ms. Nandita Devmare
5. Ms. C. R. Abhnagrao
6. Mr. R. S. Sathe
7. Mr. Y. B. Survase

Class: S.Y. B.Tech Civil Engineering Div. A & B

Name of Village Visited: Kasegaon Tal-Pandharpur, Dist-Solapur.

Date of Visit: 04th November 2023

Introduction:

The Department of Civil Engineering organized an extension activity for S.Y. B.Tech Civil Engineering students and faculty focused on conducting a road survey at Kasegaon Gram Panchayat on 04th November 2023. The purpose of this activity was to assess the condition of roads within the village and propose recommendations for improvement.

Objective: The primary objectives of the road survey were:

- To evaluate the existing road infrastructure, including pavement condition, signage, and drainage systems.
- To identify areas requiring maintenance or repair to ensure safe and efficient transportation.
- To engage students and faculty in practical fieldwork, fostering experiential learning and community involvement.

Survey Highlights:

The survey team, comprising faculty members and students, conducted a comprehensive assessment of roads throughout Kasegaon Gram Panchayat.

The survey team utilized advanced DGPS equipment to collect highly accurate positioning data along designated road segments within Kasegaon Gram Panchayat. DGPS technology enabled real-time correction of satellite signals, ensuring centimeter-level accuracy in position measurements.

Data acquisition included road surface profiles, cross-sectional dimensions, and geospatial coordinates of key features such as intersections, bridges, and culverts.

COLLEGE OF ENGINEERING, PANDHARPUR

P.B. No. 54, Gopalpur - Ranjani Road, Gopalpur, Tal.: Pandharpur- 413304, Dist.: Solapur (MH)

Contact No.: 9545553888, 9545553757, E-mail : coe@sveri.ac.in, Website: www.sveri.ac.in

Approved by A.I.C.T.E., New Delhi and affiliated to Punyashlok Ahilyadevi Holkar Solapur University, Solapur

NAAC A+ with 3.46 CGPA out of 4.00, An ISO 9001-2015 Certified Institute.

Accredited by the Institution of Engineers, Kolkata and TCS, Pune.

Concurrent use of Geographic Information System (GIS) software facilitated seamless integration of survey data for comprehensive analysis and visualization.

Various parameters were evaluated, including road surface condition, potholes, road markings, signage, and drainage.

Observations were recorded using standardized survey forms, supplemented by photographic documentation to capture key findings.

The team interacted with local residents and authorities to gather insights into community concerns and prioritize areas for improvement.

Findings and Recommendations: Based on the survey findings, the following key observations and recommendations were made:

Several roads exhibited signs of deterioration, including potholes, cracks, and uneven pavement, compromising road safety and usability.

Inadequate signage and road markings were identified as contributing factors to traffic congestion and confusion among road users. It was recommended to prioritize road maintenance activities, such as patching, resurfacing, and installation of road signs and safety barriers, to enhance overall road conditions. Collaboration with local authorities and community stakeholders was suggested to facilitate the implementation of proposed improvements and ensure sustainability.

Conclusion:

The extension activity proved to be a valuable learning experience for students and faculty, providing hands-on exposure to real-world challenges in civil engineering. By conducting a thorough road survey and proposing practical recommendations, the Department of Civil Engineering aims to contribute towards enhancing transportation infrastructure and promoting community welfare in Kasegaon Gram Panchayat.

प्रति,

मा. सरपंच साहेब, ग्रामपंचायत,

कासेगाव ता. पंढरपूर जि. सोलापूर,

विषय: रोड सर्वे करणे बाबत.

महोदय,

उपरोक्त विषयांकित संदर्भास अनुसरून आपणास कळविण्यात आनंद होतो की, आमच्या महाविद्यालयातील स्थापत्य अभियांत्रिकी विभागातील शिक्षक व विद्यार्थी आपल्या गावात रोड सर्वे करणेसाठी दिनांक ०४ नोव्हेंबर २०२३ रोजी येत आहेत, तरी आपण त्या साठी परवानगी देऊन सहकार्य करावे ही विनंती. कळावे,

आपला विश्वासू,

डॉ. पी. एम. पवार

स्थापत्य विभाग प्रमुख
