Memorandum of Understanding (MOU)
between
**SVERI College of Engineering Pandharpur,
Solapur
and**
Tata Technologies Limited
Date: January 17, 2016

 TATA

 TATA TECHNOLOGIES

SVERI College of Engineering Pandharpur, Solapur, (hereinafter referred to as **SCEP**), is a college of Engineering and Technology, having its campus at Gopalpur-Ranjani Road, P.B. No.54, Gopalpur Pandharpur-413 304, Dist-Solapur, Maharashtra, India.

And

Tata Technologies Limited (hereinafter referred to as "**Tata Technologies**") is a company registered under the Indian Companies Act, 1956 and has among other businesses, in the business of providing products and services to OEM and Engineering Sectors in the area of Automotive and Aerospace, having its registered office at 25, Rajiv Gandhi Infotech Park, Pune – 411 057.

In the course of this MOU both parties to the MOU mentioned above have been individually referred to as "Party" and jointly as "Parties".

Objective and Terms

1. Tata Technologies under aegis of the Corporate Sustainability Program (CSP) has identified the need for imparting quality training in the "Design Engineering" domain to 3rd and 4th year Mechanical Engineering Students of **SCEP**. The main intent behind this initiative is to better equip young engineers to increase awareness and industry connect. The Parties intend to enter in to this MOU to provide a frame work evaluating the area of collaboration between them and establish certain rights and obligations between the Parties during such evaluation. Tata Technologies plans to roll out this e-learning program as a pilot project in **SCEP**.
2. This MOU further establishes an understanding between the Parties to do a pilot test for conducting a Design Engineering training for 3rd & 4th year Mechanical Engineering students ("Students") of **SCEP** using methods and aids generally associated with distance learning. This training is being planned for the first time by Tata Technologies and is currently being conceptualised by Tata Technologies' employees who are experienced in Design Engineering. This program is being planned as part of the Tata Technologies very successful "**Ready Engineer Program**" under the aegis of its Corporate Sustainability. The program for purposes of this agreement will be referred to a "**Distance Ready Engineer**" or "**DRE**" hereinafter.
3. DRE is a voluntary initiative and Tata Technologies will design a course for the entire training. Tata Technologies' experts and experienced Design Engineering specialists will create an e-learning module hosted on iGET IT or a platform (as decided by Tata Technologies at that point of time) which will be licensed for use to selected engineering students of **SCEP**.

se

MOU

4. The proposed methodology for the program will be decided by Tata Technologies in due course of time in consultation with its own consultants and SCEP. The terms and conditions of the license to use the program will be provided by Tata Technologies in due course as may be required. All Intellectual Property Rights generated under this program will solely belong to Tata Technologies.

5. The training may require tests to be conducted on a regular intervals during the entire course of DRE to evaluate the students' performance and based on the results, necessary guidance will be given to the students by the SCEP Professors (who have undergone the '**DRE Train the Professors Workshop**') so as to achieve a satisfactory status.

6. SCEP commits to make available the students, professors, training rooms and licensed CATIA V5 software on work stations during the course of the DRE program as may be required. This is necessary for a successful implementation and completion of the DRE program.

7. Tata Technologies may charge some nominal fees for the training as agreed between the Parties. The nominal fee obtained from through this course will be utilised for corporate sustainability programs.

8. Tata Technologies may hire the trained students and will have the 1st right of refusal for selection after these students complete their graduation which would mean that Tata Technologies may be the first company to interview these Students.

9. Proprietary information disclosed by Tata Technologies in the course of discussions and training under this MOU shall be kept highly confidential. SCEP shall not use Tata Technologies' name or its trademarks or make any reference to the MOU or the DRE program in any manner of publicity without Tata Technologies' prior written consent.

10. Parties are aware that the business activities of Tata Technologies are self-regulated by the "Tata Code of Conduct" which is incorporated by reference herein. It can be accessed and downloaded from <http://www.tata technologies.com>.

11. This MOU is effective from the date of signing and will remain valid unless terminated by either Party, upon thirty (30) days written notice to the other Party.

12. This MOU shall be construed, and the legal relations between the Parties hereto shall be determined, in accordance with the substantive laws of India. The parties shall refer their disputes to the exclusive jurisdiction of the Courts at Pune, India.

13. Neither this MOU nor any negotiations or other understandings prior or pursuant to the execution of the MOU shall constitute a binding and legally enforceable MOU, nor give rise to any liability, between the Parties.

The Parties have caused their respective duly authorized representatives to execute and deliver this Agreement on the date mentioned herein above.

MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN TANMAY AGRO AUTOMATION
AND POWER CONTROLS, BRAMHAPURI AND SHRI VITHAL EDUCATIONAL AND
RESEARCH INSTITUTE, PANDHARPUR FOR NURTURING INDUSTRY -INSTITUTE
INTERACTION FOR RURAL APPLICATIONS

This Memorandum of Understanding (MoU) made in duplicate and entered into on this the
____ day of December, 2014.

BETWEEN

Tanmay Agro Automation and Power Controls, Bramhapuri (TAAPC) Company which is known in the region for developing product for agriculture equipments. TAAPC has 15 year's experience in the field of Electronics and electrical related equipment development. They have developed such equipments for various sugar industries. TAAPC has created an impact in farmers in the vicinity due to development of innovative electronics and electrical low cost technologies based products for agricultural applications for minimizing electricity, water and fertilizer requirements.

AND

Sri Vithal Educational and Research Institute's College of Engineering and College of Engineering (Polytechnic) at Gopalpur, Pandharpur, academic institutes with approval from All India Council for Technical Education (AICTE), New Delhi and Govt. of Maharashtra. (Hereinafter called SVERI, which expression shall include its successors-in-interest and assigns), of the other part.

TAAPC and SVERI are entering into this MoU with an objective to collaborate on giving engineering and professional aspect to the earlier Electronics and Electrical devices for its improvement with the field experience of TAAPC about requirement of farmers with engineering human resources and required infrastructure available with SVERI. It will also be planned mutually to solve existing problems with the help of electronics automation.

TAAPC and SVERI have agreed to enter into a MoU. Now THEREFORE IT IS HEREBY AGREED TO BY AND BETWEEN TAAPC AND SVERI as follows:

1. This MoU supersedes all previous discussions, correspondences, etc, on this subject matter.

2. PERIOD OF MOU AND ITS EXTENSION

This MoU comes into effect from the date of its signing and will remain in force for a period of **FIVE YEARS**. It's validity can be extended by mutual agreement between both the parties.

3. ROLES AND RESPONSIBILITIES

3.1 SVERI

1. SVERI will identify the problems to be solved in collaboration with TAAPC.
2. SVERI will involve their faculty members and students to solve the identified problems. SVERI will also involve agriculture scientist and formers through rural human resource development facility (RHRDF) to understand user requirements for the planned projects.
3. SVERI will help TAAPC in terms of equipments developed by TAAPC using standard test procedure. This data will be utilized to modify the system for its performance improvement.
4. SVERI will act as knowledge partner to TAAPC Industry to provide recent methodology in the process of product design.
5. SVERI will provide consultancy for PCB design, manufacturing and testing of product.

3.2 TAAPC

1. TAAPC will help in identification of problems to be solved jointly and provide inputs in the process based on the facilities available at SVERI and TAAPC.
2. TAAPC will help in design, manufacturing, instrumentation and process control for the planned projects.
3. TAAPC will guide in setting up measurement and characterization processes for data generation on existing and modified projects.

4. TAAPC will share necessary industrial knowledge for execution of the planned projects.
5. TAAPC will facilitate training of SVERI students and faculty members in the areas such as design, manufacturing, Control Systems and Automation.

4. PROJECT REVIEW AND IMPLEMENTATION

A 'Program Steering Committee (PSC)' as detailed below is formed to monitor the progress of the planned projects.

| | |
|-----------------------------|------------|
| i) Dr. B . P. Ronge, SVERI | - Chairman |
| ii) Mr. Manoj Pujari, TAAPC | -Member |
| iii) Dr. P. M. Pawar, SVERI | -Member |

A Program Planning and Execution Committee (PPEC) as detailed below is formed for planning, co-ordination and execution of the planned projects:

| | |
|--------------------------------|------------|
| i) Dr. S. M Mukane SVERI | - Chairman |
| ii) Mr. Manoj Pujari, TAAPC | - Member |
| iii) Prof. N. D. Misal SVERI | -Member |
| iv) Mr. M. S. Mathpati, SVERI | - Member |
| v) Dr. Mrs. M .M. Patil SVERI | - Member |
| vi) Mr. A.A. Jadhav, SVERI | - Member |
| vii) Mr. S .D. Sirsat, SVERI | -Member |
| viii) Mr. M. A. Kumbhar, SVERI | -Member |

Periodic meeting of PSC and PPEC will be held at mutually convenient place or via electronic conferencing for reviewing the progress of the work.

5. NO LIABILITY CLAUSE

All activities would normally be carried out with due professional care. TAAPC will not be responsible for any damage to property, plant, material, personnel of SVERI during the course of working on planned projects. Similarly, SVERI will not be responsible for any damage to TAAPC during the course of or any consequent to the work taken up under this MoU.

6. INTELLECTUAL PROPERTY RIGHTS

6.1 RESTRICTION CLAUSE

SVERI/TAAPC shall not at any time utilize in part or whole the or any other information furnished to any other party except with prior approval from both side.

6.2 PUBLICATION

Actual work carried out on the planned projects cannot be published in its original form. However, its scientific & academic content can be published by SVERI after appropriate clearances are obtained and alterations in subject matters effected.

6.3 PATENTS

Any patent filed during development work on the project due to intellectual property created by the investigators will be jointly shared by the inventors at SVERI and TAAPC.

6.4 TECHNICAL DOCUMENTATION

At the end of this study SVERI will produce a comprehensive 'Technical Document' in consultation with TAAPC.

The 'Technical Document' produced will be the joint property of SVERI and TAAPC which can be used for setting up manufacturing facility for their own use in SVERI/TAAPC.

7. RIGHTS CLAUSE

TAAPC reserves the right to enter into another MoU / Agreement / Contract at anytime with any other party/parties for Industry –Institute interaction of any kind and to any other party/parties for commercial exploitation.

SVERI reserves the right to enter into another MoU / Agreement / Contract at anytime with any other party/parties for Industry –Institute interaction of any kind.

8. NON-PERFORMANCE CLAUSE

Either party will be excused from performance of this MoU to the extent that performance is prevented by the occurrence of causes beyond the control of and without the negligence of the party claiming such excuses. Such causes include without limitation strikes, go-slow, other concerted acts of workmen, acts of God, war, fire, explosion, action of elements, flood, epidemic, riot, blockade, civil disturbance and Government restrictions.

9. CONFIDENTIALITY

No party shall disclose any information to any third party concerning the matters under this MoU generally. In particular, any information identified as "Proprietary" in nature by the disclosing party shall be kept strictly confidential by the receiving party and shall not be disclosed to any third party without the prior written consent of the original disclosing party. The contractor or sub-contractor, consultant, advisor or the employees engaged by the SVERI shall not use names of SVERI and TAAPC for any publicity purpose through any public media like Press, Radio, TV or Internet without the prior written approval of SVERI and TAAPC.

10. AMENDMENTS TO THE MoU

This MoU is the sole repository of the terms and conditions agreed upon between the parties and no amendment thereof shall take effect or be binding on TAAPC and SVERI unless such amendment is authorized by TAAPC and SVERI and is recorded in writing and signed by the duly authorized representatives of TAAPC and SVERI.

11. ARBITRATION & DISPUTE SETTLEMENT

If any dispute arises between the two parties of the MoU regarding implementation of the terms of the MoU or any other matter incidental to or connected with the subject matter of the MoU, such dispute shall be resolved as far as possible amicably by mutual consultations, using the good offices of Principal, SVERI and Managing Director, TAAPC or their respective nominees, and in case such disputes are not possible to be resolved amicably, then the entire matter so involved may be referred by any of the parties to this MoU to two arbitrators one each to be nominated by the Principal, SVERI and by Managing Director TAAPC. Both such Arbitrators shall be entitled to select a third Arbitrator in accordance with the Law, and the decision taken by such Arbitrators shall be binding on the parties of this MoU. The provisions of Indian Arbitrators and Conciliation Act 1996, as modified from time to time shall apply to such arbitration proceedings.

12. TERMINATION OF MoU

TAAPC may at any time after one month written notice, terminate the work in whole or in part by requiring SVERI to discontinue the performance of any or all of the services or work mentioned herein, in which case SVERI shall have no claim against TAAPC by reasons of such termination, except that TAAPC shall pay to SVERI personnel and other expense incurred, if any, during the notice period but TAAPC shall not be liable to any pay

any bonus, damages or other claims of SVERI for loss of expected profit or interest on the incomplete portions of the work/services.

Similarly, SVERI may at any time after one month written notice, terminate the assignment in whole or in part and discontinue the performance of any or all of the services and mentioned herein, in which case TAAPC shall have no claim against SVERI, any uncommitted funds will be returned to TAAPC.

This **MEMORANDUM OF UNDERSTANDING (MoU)** is entered into on this day, the 3rd January of 2015 by and between M/s OS3 INFOTECH PRIVATE LIMITED, a Company (CIN : U72900MH2010PTC210033) registered under the Companies Act, 1956 (hereinafter referred to as OS3), having its Registered Office at H-17, RH-4, Sector 6, Vashi, Navi Mumbai 400703, India, and SVERI's College of Engineering, Gopalpur-Ranjani, Road, Gopalpur, Pandharpur-413304. (hereinafter referred to as SVERI).

This MoU documents the various terms and conditions upon which it is being mutually agreed that M/s OS3 Infotech Private Limited intends to provide the students of SVERI, an opportunity to work on live projects related to IT and computer technologies and also an opportunity to students and faculty to visit OS3 to observe working environment and to undergo training.

THE ASSOCIATION :

1. It is expressly agreed upon by both parties through this MoU that there shall be no monetary transactions from either party to the other for the projects and tasks covered under this MoU.
2. The MoU shall be valid initially for a period of THREE calendar years, beginning on the 03rd January day of 2015, and may be renewed at the end of this term, based on mutually agreeable terms, and based on the quality of activity carried out by the College. OS3 shall be at liberty to allocate projects to SVERI, based on availability, suitability and ability of the students and concerned staff to handle such projects. The MoU shall stand cancelled automatically after three calendar years if no explicit renewal is executed.
3. The projects (in entirety, or parts/modules thereof) shall relate to development of software, or applications (standalone or otherwise), embedded solutions or platform-based solutions for OS3 Infotech Private Limited.
4. It is clearly understood that strict adherence to timeframes, deadlines and nondisclosure of any facts and/or data related to the project(s) in any manner to any third party are the essence of this MoU.

OS3 INFOTECH'S ROLES & RESPONSIBILITIES :

1. OS3 shall be responsible for defining the overall objectives of the project, the available data, the flow, the modalities for approach to and execution of the solution, the deadlines for the project and the deliverables during and on completion of the project.

A handwritten signature in black ink, appearing to read 'B. Rangne', is placed here.

2. OS3 shall work with the designated staff member(s) of SVERI to select a team of students who shall work on the project(s) allotted. OS3 reserves the sole right to alter the team size and/or its constituents and composition, if the situation so warrants.
3. OS3 shall duly appoint a trainer to impart training to the faculty and students in order to equip them with adequate knowledge and learning resources if required, and to ensure that the designated team working on the project is briefed on the modalities, operational aspects, goals and deliverables of the project.
4. OS3 shall appoint its Project Manager to interact with SVERI's team on an ongoing basis in order to ensure that the project is being executed as per the specifications and timelines laid down.
5. Regular and timely interaction for support and feedback with the designated Project Manager is mandatory, and can be had either in person (at either in SVERI campus or any other location as per mutual convenience), by email or through Instant Messenger (chat), as the situation needs and warrants.
6. Upon successful completion of the modules or projects allotted (of which OS3 shall be the sole judge), OS3 shall award certificates to the participating members of the team stating their efforts taken in the successful completion of the project. In case of an ongoing project, each member of the participating team shall be furnished with a Participation Certificate, detailing their role in the project.

SVERI's ROLES & RESPONSIBILITIES :

1. SVERI shall nominate one member of teaching faculty from the Computer Science and Engineering or IT Department to lead the team of developers. The faculty member's role shall be of a supervisory and advisory nature, where he/she shall be required to interact with the team of participants on a daily basis and to ensure that the progress of the project is smooth and is not hampered in any way, and that all requirements and deadlines for the project are being met.
2. SVERI and its appointed member of the faculty is to ensure that the project is being executed with utmost sincerity and commitment, and that milestones and deadlines are being regularly maintained.
3. The Institution must ensure that requisite, adequate and appropriate arrangements for the team's functioning are made by way of granting permissions and secure access to space, computer labs, libraries and/or other infrastructure (including but not limited to computers, power, internet bandwidth, etc.) as the team may require for successful execution of the task(s) allotted to them.
4. SVERI shall make all arrangements and shall bear all expenses related to the standard accommodation and meals of OS3 Trainers and Project Manager when they are required to visit SVERI from time to time in regard to the project(s) being executed by SVERI.
5. This MOU is also to be treated with due solemnity as a Non Disclosure Agreement (NDA). It is understood and acknowledged that SVERI's team (students and faculty) may be functioning on and/or have access to live servers along with their administrative passwords and functional modules. The security and safekeeping of all data, passwords, code and deliverables related to all project(s) and/or tasks allotted to SVERI shall be the sole responsibility of SVERI,

and that the institution shall take all reasonable steps and measures to ensure that there is no pilferage, theft or disclosure of any related facts, information and material related to the project(s). This clause of the MoU shall remain in perpetual force, irrespective of whether the MoU is in force or not. Also, any violation (willful or otherwise) of this clause shall render this MOU as terminated and only the NDA clause of this MOU shall apply and remain in force perpetually.

6. SVERI agrees to allow and facilitate the participation of its designated students and faculty in such training programs organized by OS3, and also to allow members of other participating Institutions to attend such training programs if and when they are conducted in SVERI's premises. SVERI also agrees to allow its designated students and faculty to participate in such training programs organized by us at other Institutions. Such training shall be conducted at no cost to SVERI. SVERI would bear the cost of its faculty, related to travel, stay, meals, etc. when they visit other colleges for such training programs.

OTHER TERMS :

1. There shall be imposition of financial penalties on SVERI for failure of its team to meet reasonable deadlines related to the execution of the project(s) or task(s) awarded to them. Repeated instances of such failure to meet deadlines or non-adherence to any clause/s of the MoU (willfully or otherwise) shall render the MoU terminated with immediate effect. OS3 reserves the sole and unqualified right to determine the quantum of financial penalties and issue a termination (or both).
2. In case of such early termination of the project and/or MoU, SVERI agrees and undertakes to peacefully, without demur and immediately hand over to the designated authority of OS3 Infotech, all complete and incomplete deliverables related to the project(s) and/or task(s), including all documentation and code in its possession and in the possession of the constituent team members, and/or any other third party who shall be in possession of such material related to the task(s) and/or project(s).
3. SVERI and its Management agree and undertakes to indemnify OS3, its directors, employees and agents at all times, against any and all liabilities arising out of disclosure of any confidential data and/or material facts related to the project(s) by SVERI's employees and/or students, due to neglect, willfully or otherwise. SVERI and its Management shall be solely responsible for any criminal, legal and/or financial liabilities imposed on OS3 Infotech arising out of non-adherence to the Non Disclosure Clause and/or breach of any clause(s) of this MoU.
4. The code, documentation, intermediate information and all deliverables developed as part of the project assigned to SVERI shall remain the sole property of either OS3, or its client, as the case may be. SVERI, the student developers and/or the staff, or any third party shall not stake any claim, either by ownership or otherwise, upon such code, product, idea or project during the development process or any time thereafter.
5. Each individual participant enroled in this program would need to sign a declaration undertaking that he/she, either individually, jointly or severally, shall not, at any time in the present or future, make use of the idea, code, data, project and/or product used in the allotted activity in any form whatsoever, either in whole or part, for and in any commercial or non-commercial venture, business, and/or for profit or otherwise.

6. Nothing in this MoU shall constitute or be interpreted to be a contract between OS3 and SVERI. This MoU is entered into between the parties solely for the purpose of facilitating the provision of a project or task to give exposure to the students to real life scenarios and latest technologies. The students and/or faculty shall not be entitled to any benefits or monetary compensation in the form of reward, salary, stipend, insurance, or whatever other name and nature. Moreover, the participants shall not constitute and/or represent to be employees, vendors or contractors of OS3.

7. SVERI agrees that nothing contained in the MoU shall create any obligation on the part of OS3 to provide it and its constituents or participants with a project or task. Activities shall be provided to SVERI purely on the merits of the participants and the suitability of the circumstances. Moreover, SVERI also agrees that this MoU shall not accord any exclusivity to it and that OS3 is free to engage with and enter into MoUs with other institutions for such and/or similar or different programs.

MEMORANDUM OF UNDERSTANDING

This MoU is signed on the 07th day of July 2019

BETWEEN

 **Concise Engineering Solutions Pvt. Ltd., Plot No.- 28, Block DI, Akurdi Industrial Estate, Chinchwad, Pune – 411019, Maharashtra, India.**

AND

Shri Vithal Education & Research Institute's (SVERI) College of Engineering, Pandharpur, Gopalpur-Ranjani Road, Gopalpur, Pandharpur-413304. Dist. Solapur, Maharashtra, India.

Preamble

Concise Engineering Solutions founded with the sole aim of providing solutions in the field of Industrial automation and services to all type business requirements. The group decided to move slowly towards integrated solutions for industrial automation. Presently engaged from initial activities of design and manufacturing of Customised electrical products such as Electrical Panels, PCC & MCC Panels, AMF, Drive and PLC based control Panels for industries.

Shri Vithal Education and Research Institute (SVERI), is trust founded by qualified and experienced technocrats, is running College of Engineering (COEPR), College of Engineering (Polytechnic), College of Pharmacy and College of Pharmacy (Poly.), Pandharpur in Gopalpur campus. College of Engineering, Pandharpur (COEPR) was established in 1998 with 160 students at UG level. Now it has five UG courses with 540 intake, four M.E. courses with 72 intake, M.B.A. course with 60 intake and four Ph.D. recognized centers in Mechanical Engineering, Electronics and Telecommunication Engineering, Civil Engineering and Computer Science & Engineering.

1. THE PARTNERS.

The Partners of this Memorandum of Understanding are **Shri Vithal Education & Research Institute's (SVERI) College of Engineering, Pandharpur**, represented by the Principal on one side and **Concise Engineering Solutions Pvt. Ltd., Plot No.- 28, Block DI, Akurdi Industrial Estate, Chinchwad, Pune – 411019, Maharashtra, India** on the other side.

2. DETAILS OF UNDERSTANDING:

The Partners, after due consideration of various aspects have arrived at the following understanding in respect of the details mentioned in the earlier paragraphs.

PREAMBLE

Whereas BARC is a premier multidisciplinary R&D organization under the Department of Atomic Energy, Government of India, engaged in research with the objective of generating knowledge and technologies for nuclear power production, advancement of nuclear science, use of radioisotopes in industry, health and agriculture, research in frontier areas of science and technology, which includes development of various types of technologies in medical applications, food preservation, pollution control, waste management, water technologies, non-destructive testing and other industrial and rural applications.

Under the framework of DAE Societal Infrastructure, it is planned to spread 'AKRUTI' (Annex-1) programme in a systematic manner through promoting "Rural Human and Resource Development Facility" (RHRDF) under the guidance of BARC-DAE experts. This forms as one of the many schemes for Large-Scale Deployment of NPAs and spinoffs and enable faster spread of AKRUTI and for techno economic growth of rural areas.

Whereas SVERI, a Charitable Trust, embarked on its ambitious mission on rural development projects, has established its first ideal Engineering College at Pandharpur with approval from All India Council for Technical Education (AICTE), New Delhi and Govt. of Maharashtra. The Engineering College is accredited by National Board of Accreditation (NBA), An ISO 9001:2008 certified Institute and is also accredited by the Institution of Engineers (India), Kolkatta. Courses offered are BE in Mechanical Engg., Computer Science & Engg., Electronics & Telecommunication Engg., Information Technology, Civil Engg.; ME in Mechanical Engg. (Design), ME (EXTC) and MBA. Also the Institute is recognized by Solapur University, Solapur to enroll candidates for doctorate. To continue with the developmental process, it has started B. Pharmacy and D. Pharmacy courses from the academic year 2006-2007 and Diploma in Engineering (Polytechnic) from the academic year 2008-2009. The college campus is a perfect blend of academic excellence and beauty of surrounding villages.

Whereas SVERI has a strong interest in community development to improve the standard of living of poor sections of the society with appropriate technologies. SVERI has very healthy interaction with villagers in the area and engaged in many social activities for villagers. SVERI has young, experienced and enthusiastic faculty, spirited and devoted to teaching. The faculty is very keen and energetic to take up new technologies to villages and is eager to get guidance from BARC. SVERI is familiar with villagers' needs and problems. SVERI is also confident that BARC programme of AKRUTI will successfully provide solutions to village problems.

B'orange

T. B.

BARC and SVERI agree to create integrated **Rural Human and Resource Development Facility (RHRDF)** at SVERI Campus in Gopalpur & around and spread AKRUTI programme in villages of Solapur District with an intension of expanding further to take lead in this program.

Now THEREFORE, IT IS HEREBY AGREED TO BY AND BETWEEN BARC and SVERI as follows:

- 1. 0** This MoU supersedes all previous correspondence and discussions in reference to the initiative for AKRUTI and RHRDF.

2. 0 PERIOD OF MOU AND ITS EXTENSION

This MoU comes into effect from the date of its signing and will remain in force for **7 years**. Its validity can be extended by mutual agreement between both the parties.

3.0 SCOPE OF WORK

BARC and SVERI hereby agree to set up RHRDF, promoted by BARC and created by SVERI. SVERI agrees to spread BARC AKRUTI program through RHRDF in Solapur district to start with and expand its area of operation. SVERI also agrees to deploy technologies from BARC in the suggested format of AKRUTI, KRUTIKs and FORCE in the rural sectors.

4.0 ROLE AND RESPONSIBILITIES OF SVERI AND BARC

4.1 RESPONSIBILITIES OF SVERI

- 4.1.1 SVERI agrees to create complete Rural Human & Resource Development Facility (RHRDF) at Gopalpur under the guidance of BARC. RHRDF includes setting up training institute, called as Rural Human & Resource Development Institute (RHRDI) along with all other support facilities.
- 4.1.2 SVERI agrees that RHRDF shall build in campus and in the field training facility in terms of plants and systems based on BARC technologies. This facility will be used by RHRDF for demonstration, practical training and for providing service to villagers through trained villagers.
- 4.1.3 SVERI agrees to manage and provide all support for RHRDF in terms of land, working space, infrastructure, and HR from appropriate sources.
- 4.1.4 SVERI agrees to allow and involve initially volunteered Engineering College staff in RHRDF and latter recruit full time RHRDF staff on increase of activity. SVERI also agrees to create working groups for planning and creating infrastructure and setting the facilities as given in Appendix-1.

- 4.1.5 SVERI shall involve different interest groups from villages in all the activities, train them and latter involve them in running, providing services and spreading the activity and programme in other rural sectors.
- 4.1.6 SVERI will design, develop and run appropriate courses with proper syllabus in consultation with BARC experts. The said courses will be certified jointly by BARC and SVERI.
- 4.1.7 SVERI will follow up the programme for technology demonstration, implementation and deployment in surrounding villages for spreading use of BARC technology and products. SVERI may also through proper agreement, encourage technically oriented village entrepreneurs through Train while Build and Own mechanism and establish appropriate technology based product delivery system in villages to promote techno-economic activities in rural sector for societal benefit. SVERI agrees to take up a separate village entrepreneurship promotion programme based on the progress of this activity.
- 4.1.8 SVERI will take all requisite approvals and clearances from appropriate authorities for the work for setting up RHRDF facilities and implementation of BARC technologies as the case may be.
- 4.1.9 SVERI will manage running and O&M of all the facilities created in RHRDF.
- 4.1.10 SVERI will share their experience and synergise with organizations where similar initiatives are taken by BARC in other parts of Maharashtra/India.
- 4.1.11 SVERI will send short one page report within a week from the date of visit of any BARC expert and other eminent guests to the site.
- 4.1.12 SVERI will also maintain and submit Annual progress report of RHRDF to BARC alongwith working plan for next year.

4.2 RESPONSIBILITIES OF BARC
