

# **SVERI's College of Engineering, Pandharpur**

## **Institute Perspective Plan**

**From A.Y. 2022-2023 to A.Y. 2026-2027**

The goals set for growth and development of the Institute are reflected in the Perspective Plan.

The Institute's Perspective Plan Institute has been framed for further development of the Institute in six broad areas namely,

- 1) Infrastructure and Modernization
- 2) Academics
- 3) Research & Development, Consultancy & Extension Activities
- 4) Industry-Institute Interaction and Entrepreneurship
- 5) Human Resource and Development
- 6) Student Support and Development

Brainstorming sessions were arranged in the presence of Perspective Plan committee, Deans, HODs, concerned faculty members, non-teaching staff and other stakeholders of the Institute to define the Institutional goals to be achieved over the period of next five academic years from A.Y. 2022-2023 to A.Y. 2026-2027.

Details of the same are given in the following table.
