Item No.19 Issues with permission of the Chair  
Item No.19 About recording of video lectures.  
(4)

Resolution Following was brought to the notice:

- No.19(A)
- 1) Innovative approaches in respect of teaching process are required for development of faculty members as well as students.
  - 2) Lectures on various technical / semi technical / research / science related topics need to be recorded.
  - 3) Students can learn any time from their devices laptops or tablets by watching recorded video lectures. Further, they can learn concepts at an individual pace.
  - 4) With the help of recorded video lectures, student can repeat as many time as they need.

In view of above, the issue of recording of video lectures on various topics was put before the meeting.

Thorough discussion was made and it was unanimously resolved as follows:

- 1) Every faculty member should record his/her video lecture(s) of his/her respective subject(s) or any technical / semi-technical research or science related topic(s).
- 2) HODs should ensure that the faculty members of their respective departments record minimum two video lectures of 60 minutes duration per semester per faculty member.
- 3) HODs should ensure that video recording for minimum two subjects be completed per division per semester.
- 4) HODs should ensure about uploading of the recorded videos on the SVERT's Virtual Network ( [dae.svert.edu/srnet](http://dae.svert.edu/srnet) )
